**Jawaharlal Nehru National College of Engineering,
Shivamogga**

FACULTY RECRUITMENT

Ref: Advt./JNNCE/Faculty/2017/01 Dated 07-08-2017

About JNNCE

JNNCE is a flagship Institute of the National Education Society (NES) established in the year 1980. The lush green sprawling campus of about 49 acres caters to the needs of nearly 3750 students and 450 staff, with state-of-the-art technology back-up, well-equipped laboratories and workshops, library, hostels, playgrounds and other amenities. The dedicated faculty of the institute comprises of nearly 42 Ph.Ds as well as 154 with PG qualifications and 4 with M.Phil., amongst whom 50 are pursuing Ph.D. JNNCE is ranked 41st among top 50 Engineering Colleges of India and 27th in South Zone as per the survey by THE WEEK magazine in 2016; and among the top 75 Engineering Colleges of India successfully for the Sixth year with 46th rank in India and 7th position in Karnataka as per the survey by Outlook Magazine in 2017. More than 400 students from 2017 batch have got job offers during campus placement in various companies. As part of Industry-Institute collaboration, the institute has signed MOU with many companies such as Qualitas Technologies, Bengaluru to work in the areas of Hyperspectral image processing and deep learning for machine vision system and with Laser Consult Kft, Hungary for R&D, Technology transfer and commercialization. Institution has so far secured over 100 ranks in university exams. The faculty have presented and published more than 500 papers in national and international seminars, conferences and journals. Funded Research projects worth more than Rs. 1.5 crore have been carried out in the institute. JNNCE has submitted more than 25 research proposal seeking funding from Department of Science & technology, Govt of India, AICTE. More than 15,000 students who have passed out of this institution have been making significant contributions in Industries, R&D organizations, Academic Institutions and Govt. Organizations in India and abroad and serving their alma-mater. An initiative “Transformation for Excellence 2.0 ” for making JNNCE as one of the top engineering, research, innovation and enterprising institute in next few years.

JNNCE is looking for dynamic and experienced Faculty as per the details below. Candidates with experience in guiding and/or mentoring students at Undergraduate and Post Graduate level, Post PhD publications and guiding PhD students is highly desirable. Should have potential to develop a vibrant sponsored research program, obtaining grant, funding from industry, various funding agencies.

1. Associate Professor in Electronics & Communication Engg department

Qualification: BE/B.Tech in ECE, ME/ M.Tech in RF Communication (with 1st class in both UG, PG) and Ph.D specialized in RF Communication, Electromagnetics, Computational Electromagnetics, Microwave engineering, Antenna design, Satellite Communication from reputed College or University.

Experience : Minimum of 6 years experience in teaching / research /industry of which 2 years post PhD experience is desirable. Experience in guiding and/or mentoring students at Undergraduate and Post Graduate level. Post PhD publications and guiding PhD students is highly desirable. Should have potential to develop a vibrant sponsored research program, obtaining grant, funding from industry, various funding agencies.

2. Associate Professor in Civil Engineering department

Qualification: BE/B.Tech in Civil Engg, ME/ M.Tech in Environmental Engineering (with 1st class in both UG, PG) and Ph.D specialized in Environmental Engineering or a closely related field from reputed College or University.

Experience : Minimum of 6 year's experience in teaching / research /industry of which 2 years post PhD experience is desirable. Experience in guiding and/or mentoring students at Undergraduate and Post Graduate level. Post PhD publications and guiding PhD students is highly desirable. Should have potential to develop a vibrant sponsored research program, obtaining grant, funding from industry, various funding agencies.

3. Assistant Professor in Civil Engineering department

Qualification: M.Sc. in Geology with 1st class, Ph.D specialized in Engineering Geology sciences is desirable

Experience : Minimum of 2-3 years experience in teaching / research /industry. Experience in guiding and/or mentoring students at Undergraduate. Should have potential to develop a vibrant sponsored research program, obtaining grant, funding from industry, various funding agencies.

Interested candidates shall apply can send application with resume with passport photo affixed, copies of all testimonials on or before 16th Aug 2017. Refer our website www.jnnce.ac.in for more details on qualification, experience, specialization etc. Mention the post applied for along with the dept. on the top of the covering letter containing the application. Completed application may be sent through e-mail: jobs@jnnce.ac.in or by post to Principal, JNNCE, Savalanga Road, Shimogga – 577204, Karnataka

Note : Mere eligibility will not entitle any candidate for being called for interview. Candidates appearing for Asst/Assoc. Prof. Positions need to take a written objective type test. The Institute reserves the right to withdraw any advertised post(s) at any time without assigning any reason. No correspondence whatsoever will be entertained from candidates regarding conduct and result of interview and reasons for not being called for interview. Institute will review applications, received after the due day and will

call short-listed Candidates for interview in due course of time. Interviews for only short listed candidates and will be intimated through e-mail/SMS along with the date of interview

Sri S N Nagaraj

Secretary, NES
