

CONFERENCE TOPICS

DESIGN/MATERIALS CHARACTERIZATION

- Finite Element Analysis
- CAD/CAE/DFM
- Vibrations, Experimental Stress Analysis
- Fracture and Fatigue
- Advanced Materials for Engineering Applications (Metals, Alloys & Ceramics)
- Composite Materials (Green, Micro & Nano Composites)
- Biomaterials, Bioengineering
- Polymers for Automotive
- Electrical & Electronic Applications
- Functional Materials
- Polymers - Blends, Alloys, Biopolymers
- Advanced Processing Technology of Polymers
- Tribology, MEMS, Mechanism Design
- Nano Materials, Smart Materials Other Related Topics

THERMAL

- IC Engines
- Non-conventional energy
- Energy auditing
- Bio-fuels, Fuel cells, bio products
- Computational Fluid Dynamics
- Refrigeration and Air conditioning
- Fluid Dynamics, other related topics
- Materials for energy devices (solar technologies)
- Materials for sustainability & efficiency

PRODUCTION & INDUSTRIAL MANAGEMENT

- Non-conventional machining
- Non Destructive Testing
- Industrial Automation, Robotics, TQM/TPM
- Processing Techniques, rapid prototyping
- Maintenance Engineering, other related topics
- Advanced manufacturing technology
- Advanced analytical tools
- Multifunctional materials and smart materials

CONFERENCE VENUE

The *i* - NAME 2K20 international conference is scheduled to conduct through online by J N N College of Engineering, Shivamogga, Karnataka, India

ABOUT SHIVAMOGGA

Shivamogga is a district place located in the central part of Karnataka state, India. It lies in the bank of a river Tunga. The city is spread over an area of 70 Sq. Km. Shivamogga has humid climate with an average temperature of 20⁰ C-35⁰ C. It is a part of region known as MALNAD (Land of Hills). The majority of the rainfall occurs between June and early October. January and February are the driest months, July is the wettest, and April is the warmest month.

CALL FOR PAPERS

The authors are requested to submit full paper of their original work with author details, as MS Word document by creating the account in Easy Chair using the following link.

Or Visit

www.jnnce.ac.in

REGISTRATION FEE

Item	For Authors from Host Country	Foreign Authors
Delegates from Industry	Rs. 500=00	USD 50
Delegates from R & D, Academic Institutions	Rs.250=00	USD 30
Research Scholars	Rs.250=00	USD 30

The Registration Fee is to be Paid by NEFT/RTGS to the Following Account Details:

Current A/c No. : 6322201000004
 Account Holder Name : Principal, JNNCE
 Bank : Canara Bank
 IFSC Code : CNRB0006322
 MICR Code : 577015218
 Branch : JNNCE Campus, Shivamogga

ABOUT THE COLLEGE / DEPARTMENT

The Institution was established in the year 1980 by the National Education Society. The campus is spread over an area of more than 50 acres. It is at a distance of 270 KM from Bangalore and is well connected by rail and road to all major cities and towns. The college is affiliated to VTU and is recognized by AICTE. The Mechanical Department is offering B.E and M.Tech in Design Engineering and Computer integrated manufacturing courses and is a research centre recognized by VTU. The department has number of sponsored research projects in progress. The department is accredited by NBA & NAAC.

OBJECTIVES OF THE CONFERENCE

The objectives of the International Conference on Advances in Mechanical Engineering 'i - NAME 2K20' is to bring the distinguished academicians, scientists, R & D professionals, industrialists and research scholars who are actively involved in research, on to a common platform for sharing their views, ideas and experience related to mechanical engineering. The conference will provide all the participants, an opportunity for developing interaction among academicians, engineers from industries and researchers. Paper presentation, invited lectures and discussions will be arranged during the conference.
