18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Kannada and English incuded in the syllabus as a part of the curriculum

19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

- Vision and Mission for the institute is constituted. On the basis of that each department framed vision and mission of the program.
- Program specific outcomes and Program Educational Objectives are defined for each program.
- For all the courses, 4-5 course outcomes are defined. Each course outcome is mapped to program outcomes in the level of low, medium and high.
- 50% weightage is considered for Conteneous Internal Evaluation(CIE) and 50% weightage is considered for Semester End Examination(SEE).
- Course exit survey and Program exit survey also taken into consideration.
- Based CIE and SEE course attainment and Program attainment are computed.

20.Distance education/online education:

Additional classes are conducted online to inculcate additional knowledge about the courses

All class videos are available online, so that student shall watch and clarify their doubts

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

- 1.1.1 The Institution ensures effective curriculum delivery through a well planned and documented process
- JNNCE is imparting education in Technology and Management since 40 years. JNNCE is running B.E., M.Tech, MCA and MBA programmes. JNNCE is affiliated to Visveswaraya Technological University, Belgaum. Since we are affiliated to VTU, Institution is follows the curriculum prescribed by the VTU. Institution puts sincere effort in developing mechanism to deliver the curriculum prescribed by the University.
- In the departmental level Coordinator in consultation with Head of the Department, Principal, and subjects to individual faculty members based on their functional expertise.
- In the institutional level, Class time table is prepared by the Time table committee and same time table is followed by the each department.
- Each faculty will maintain Lesson plans and course files in their respective subjects and are reviewed on a continuous basis by the HOD, Academic dean and the Principal.
- In the beginning of the odd semesters, Institution prepares academic calendar.Academic calendar includes detailed information about the institutional academic activities, internal tests dates, schedule of extra and co-curricular activities etc.
- To monitor the performance of students, institution conducts three internal tests and faculty members will give the feedback to students.
- The syllabus books, old question papers, Model question papers, notes, lecture PPTs, lab manuals and subject related videos for each subject are provided by the faculty to the students.

File Description	Documents	
Upload relevant supporting document	No File Uploaded	
Link for Additional information	Nil	

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Institution calendar of events is designed in line with the VTU calendar of events. Department calendar of events is prepared based on institution calendar of events. It consists of the activities planned for the semester which includes internal test dates, display of internal marks, Mentor Meetings, Parents Meet, conduction of events like organizing guest lectures, conferences etc.

- 1. Test schedule is announced in the institute calendar of events, to be held in 6th, 10th and 14th week respectively.
- 2. Project/Seminar/Internship Execution Timeline is designed to complete the task and evaluate the work carried out

File Description	Documents	
Upload relevant supporting documents	No File Uploaded	
Link for Additional information	Nil	

1.1.3 - Teachers of the Institution participate in following activities related to curriculum development and assessment of the affiliating University and/are represented on the following academic bodies during the year. Academic council/BoS of Affiliating University Setting of question papers for UG/PG programs Design and Development of Curriculum for Add on/certificate/ Diploma Courses Assessment /evaluation process of the affiliating University

File Description	Documents

Number of seats filled against seats reserved (Data Template)	<u>View File</u>

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Process to identify of Slow learners

Weak students are identified using the following process:

- 1. When the students are admitted to first Semester PUC Marks / Grade is considered as the reference to identify slow learners. Here, bottom 15% students of PUC Marks / Grade admitted to the department are considered.
- Second Semester onwards students' performance in previous semester (CIE and SEE put together) are taken as the reference. Here, students with less than 50% score in CIE and SEE performance in all courses is considered.

Process to Identifyadvanced learners

Advanced learners are identified using the following process:

- 1. When the students are admitted to first Semester, CET ranking is considered as the reference to identify advanced learners. Here, top 15% students of CET ranking admitted to the department are considered.
- 2. Second Semester onwards students performance in CIE and SEE are taken as the reference. Here, students scored above distinction or equivalent marks in CIE and SEE performance are considered.

2.2.2 - Student- Full time teacher ratio (Data for the latest completed academic year)

Number of Students	Number of Teachers
3000	179
File Description	Documents

Any additional information No File Uploaded

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

To improve the quality of teaching and learning various pedagogical initiatives have been adopted. The students are made to understand the topics through the quizzes, seminars, group activities, lecture videos, coding and demonstration of real world models. These initiatives help the students to improve communication skills, presentation ability, programming skills, self-learning ability and peer learning ability.

Collaborative Learning:In Collaborative learningtwo or more people learn or attempt to learn something together.Unlike individual learning, people engaged in collaborative learning capitalize on one another's resources and skills. These include both face-to-face conversations and computer discussions. Thus, collaborative learning is commonly illustrated when groups of students work together to search for understanding, meaning, or solutions or product of their learning.

Software Assignments:In this small programming tasks like spot programming, mini project implementation, creative programing etc., are given to students, students have to solve these tasks using appropriate programming language and submit within the deadline given. This helps in improving the programming ability as well as problem solving ability of the students.

Quiz/class Tests/puzzles:To test the understanding and analysing ability of the students quizzes/tests are conducted. In this set of questions are posed to the students, students have to answer the questions. To improve the creative thinking ability, some crossword puzzles are given on the selected topics. The students have to solve these on the spot.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Instructional methods

Theory and lab sessions are conducted using following instructional methods.

- · Black board teaching.
- Presentation using LCD projectors Course instructors create google class room for the subjects they are handling. All
 the informations related to the subjects are shared in the group. Course instructors create video presentations of
 the subjects and share the videos through you tube channels. Online classes also conducted for effectie understanding
 of the subjects.
- Video Lectures/Presentations:

Learning ability of the students can be better improved if the teaching includes more visuals than conventional black board teaching. Thus video lectures, presentations helps in visualizing the concepts better. The best video lectures are downloaded and played in the class rooms, if there are any doubts the course teacher will clarify. The course teacher will also prepares the dynamic presentations and delivers them in the class.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words

Continuous Internal Evaluation policy is framed on the process of internal semester question paper setting evaluation, Project, Technical Seminar and Internship evaluation based on the Visvesvaraya Technological University (VTU) guidelines and Outcome based Education System. Along with this evaluation rubrics for project work, internship and seminar was designed

- A. Process for internal semester question paper setting evaluation:
- 1. Test schedule is announced in the institute calendar of events, to be held in 5th, 10th and 15th week respectively using College Inhouse software (JAMS).
- 2. Question paper pattern is followed based on guidelines formed by IQAC for BE, MBA, MTech and MCA.
- 3. Same CO numbers to be given for choice questions.
- 4. Questions are set in line with Revised Bloom's Taxonomy levels.
- 5. Question paper scrutiny committee is formed to scrutinize the question papers along with the scheme.
- 6. Scheme and solution are made available to the students and it is also discussed in the class.

File Description	Documents	
Any additional information	No File Uploaded	
Link for additional information	Nil	

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

- The internal assessment marks for theory is based on three tests, conducted as per the college calendar of events.

 From the marks obtained in three tests, average of best of two test marks is considered as final internal assessment marks.
- The department internal assessment process involves HOD, courses instructors and question paper scrutiny committee.
- · Two faculty members are designated as test coordinators at the beginning of the academic year
- Question paper committee consists of ten members including HOD, Professors and senior faculty members of the department. Two subjects are allotted to each committee member to verify the test question papers. Allotment is based on expertise in the course.
- Time table for the test dates are prepared by the test coordinators and announced in the notice board one week before the commencement of the test based on the institution test schedule.
- Course instructors should prepare the question paper according to the format specified by the college and scheme for the evaluation one week before the test.
- The test papers, scheme and solutions are verified by the question paper scrutiny committee member. The committee reviews the question paper pattern, modules covered, marks allotment, course outcomes and blooms level.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

At the begining of the semester course instructors prepare the course outcomes for the course they are teaching. Two or three senior faculty members involve in the process. After brainstorming session COs are finalized.

For all the courses in the curriculum, course instructor preapre 4-5 course outcomes.

Before begining of each topic in the class, COs covered by that topic is demonstrated to students. Students will give the feedback on course outcomes of each courses and program outcomes.

Program outcomes are available in the college website

File Description	Documents
Upload any additional information	View File
Paste link for Additional information	Nil
Upload COs for all courses (exemplars from Glossary)	<u>View File</u>

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

CO attainment for the course is computed based on both direct and indirect attainment. For direct attainment 50 % of Contentious Internal Assessment (CIE) and 50 % of Semester End Examination (SEE) are considered. For indirect attainment course end survey is carried out. Final CO attainment is 90% of the direct attainment and 10% of indirect attainment.

CO attainment Calculation:

1. Course Outcome Evaluation through Continuous Internal Evaluation (CIE)

The CIE question papers are set so as to cover all the CO's. The attainment of a particular CO is calculated using the following equation.

% CO ATTAINMENT through CIE= (X/(Y * Z)) * 100

Where X is the total marks scored by the students in a particular CO from all tests, Y is the maximum marks allocated to that CO and Z is the no. of students attempted that CO.

- 1. Measuring Course Outcomes attained through University Examinations (SEE)
- \$ CO ATTAINMENT through SEE = Class average marks in percentage

From each course, the final CO attainment is computed as follows,

Direct Attainment (%) = (0.5 X CO attainment through SEE)+ (0.5X CO attainment through CIE)

```
Course Exit Survey
% CO ATTAINMENT = 0.9 X CO attainment (Direct) + 0.1 X CO attainment (Indirect)

Setting CO Attainment Target

TARGET for CO1-CO5

60% Students score more than the class average percentage

3

40% Students score more than the class average percentage

2

20% Students score more than the class average percentage

1

PO and PSOs attainment levels are computed based on 90 % of direct assessment + 10 % of indirect assessment.
```

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

Library Software: eLib iNext :

It is a Web based Library Management Software + Web Opac.

- 1. Tracking the budget, i.e Planning & Monitoring Tracking of book
- 2. Tracking of the Library utilization status for each members
- 3. Easily generating various summary reports, that helps to provide a bird view of the library.
- 4. Easily search books, journals & non book materials.
- 5. It is a multiuser (client/Server based) Multilingual (Supports Unicode)
- 6. It supports AACR II Catalogue
- 7. It has effective OPAC (online Public Access Catalogue) & WEB OPAC & it also supports various technologies like RFID technology, Bar code technology.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/students representation on various bodies as per established processes and norms)

Student participation in various academic and administrative committees of the Institute is nurtured and encouraged to ensure overall development. Internal Quality Assurance Cell (IQAC) formed on the guidelines of NAAC comprises the stakeholders with bonafide student representation. The representation is made by two undergraduate students. The professional bodies like Compute Society of India (CSI), Institution of Engineers (India) – JNNCE Chapter, The Institution of Electronics and Telecommunication Engineers (IETE), IEEE JNNCE Student Chapter are governed by the bodies which are represented by students. The activities of these associations are planned and executed by student representatives from each class under the supervision of a faculty advisor. The Cultural Team is responsible for organizing and participating in the cultural activities, in which the activities are planned and executed by the members of Cultural Team constituted with the representation of staff and students of the Institute. The selection of the student representatives is mainly based on the performance and contribution in the different art forms. The Sports Committee which is responsible for conduction of various sports activities and encourages the students to take part in sports competitions is also constituted with student fraternity.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

JNNCE Alumni Association (JNNCEAA) was constituted & registered in June 2018 with the objective of mobilizing the Alumni towards institutional development. We have large fraternity of alumni, serving in India and abroad in wide areas and in different positions.

Scholarship and Meritorious Awards Instituted by JNNCE Alumni

JNNCEAA initiated Scholarship and Meritorious awards to be instituted by Alumni members and it was floated on 14th Feb 2020. It has options like Creation of corpus fund and Instituting Scholarship. The objective is to give scholarships/financial assistance to financially deprived students, meritorious students, students exhibiting extraordinary skills. In this respect alumni came forward with a plan to initiate a scholarship scheme through donations from members to be given away to needy JNNCE students. Many alumni are contributing to this scheme.

Placement & Internship SupportOur Alumni working at reputed companies like Texas Instruments, SLK Software, Tata Consultancy Services, Avin Systems, Secpod etc. are constantly in touch with the Alma mater. They recommend JNNCE students for placements and internships.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The Vision & Mission of Jawaharlal Nehru National College of Engineering (JNNCE) are:

Vission

To be a pace setting institute in technical & management education and research for producing highly competent engineers, managers & entrepreneurs to meet the needs of industry and society.

Mission

- Impart quality education through flexible and innovative teaching learning process
- Enable and Ignite young minds to excel in their career & life with entrepreneurial spirit, professional ethics and human values
- Facilitate invention based research and collaborate with industries to address societal needs.

Nature of governance, perspective plans and participation of the teachers in the decision making bodies of the institution

- Policy statements and the action plan are formulated by the Governing Council
- The Governing Council of the institute is constituted as per AICTE norms.

- The Governing Council ensures quality in different academic and administrative activities and functions of the institute.
- The Governing Council meets twice / thrice a year to formulate developmental strategies for the institute. It also guides and gives suggestions to implement these strategies successfully.

File Description	Documents	
Paste link for additional information	Nil	
Upload any additional information	No File Uploaded	

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Ensuring institutional success, college decentralized authority to the various Heads of the departments. Senior faculty with experience heads the corresponding department and ensures the need for changes as per the strategic planning. HODs focus on teaching-learning, Pedagogy, improvement of results, Introduction of new courses, increase in student intake, establishment of new labs, enhancing industry connectivity for placement, internships etc.

Institute promotes a culture of participative management at all levels right from the students up to the senior members

- The institution believes in the participation of faculty, Principal and Management in planning as well as execution.
- · Management representatives are members of Governing body, Purchase committee, Hostel committee and Infrastructure
- There are four levels of participation
 - o Student through the Student Council
 - o Faculty level
 - o HODs level
 - Management level

File Description	Documents

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

- e governanace is effectively deployed for all the academic activities
- Online elective system is deployed for the students to choose the elective subjects according to their option through out the institute
- Monthly report submission to IQAC for the activities carried out in the department, faculty involvement and students

File Description	Documents
Strategic Plan and deployment documents on the website	No File Uploaded
Paste link for additional information	Nil
Upload any additional information	No File Uploaded

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules,

Top management assigns independent entities to monitor the academic leadership in the institute. JNNCE has decentralized its activities for effective implementation of its action plans. It believes to act together within the framework of its individual and collective responsibilities, by involving all the faculty members at the department and Institution level. HODs are nominated by rotation on tenure basis which provides an opportunity to all the Senior Professors. To bring the sense of responsibility faculty members are assigned as heads/members of one or the other committee.

Policies

- The institution has well-defined service rules, policies and procedures. All circulars, notices and other communications are disseminated among concerned stakeholders; also displayed on the notice boards. Copies of these communications are maintained in the Establishment section of Administrative Office.
- The college appreciates the importance of Human Resources to further propel the healthy growth of the institute. Apart from fulfilling the manpower requirements of the institute/ departments, it ensures proper dissemination of policies amongst staff of all cadres by way of orientation sessions for newly recruited staff, along with maintenance of all records pertaining to staff.

6.3.5 - Institutions Performance Appraisal System for teaching and non-teaching staff

a) Faculty Performance Appraisal

Self - appraisal of faculty is based on:

- Teaching assignments
- student result analysis
- details of Organizing shot-term courses / workshops / conferences
- paper presentations / publications
- writing text books, department / college / Management activities,
- Ph. D / M. Sc. Engineering, Guidance, consultancy, R&D.
- 1. API score board
 - The API score sheet will be filled up for every semester after the announcement of the University exam result and the performance is tabulated.
- 1. Assessment period and scoring pattern

It is annual performance review with the scoring pattern standardized to a maximum of 150 points. This is made known to the faculty through the HR manual

b) Non- teaching staff

The college has an appraisal system which is very fair and transparent. The faculties are evaluated by using four stage processes namely:

- Self-evaluation by Non-Teaching Staff
- Evaluation by HOD taking into consideration various criteria
- Review by Committee comprising of Principal and screening committee.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The college has a very robust and active financial system. The finance management is done by following steps:

- The admission for the academic year and the amount collected through the process is recorded.
- The HODs are expected to indicate their budget for the academic year (For Different heads of Accounts)
- In the month of January of every year, Institute seeks department budget from all departments, Establishment & other functions for next financial year
- The Director prepares the budget for the year considering the strategic plan of the department, development needs of the department, training programmes/ workshops, if any, to be set up based on changes in University syllabus.

 • The institute's Accounts Section & the Principal prepare budget document of the institute & the individual
- departments based on:
 - o Previous year's actual expenditure
 - · Current year's estimated revenue
 - o Plans for current year with respect to recurring & non-recurring expenses
 - \circ Departments' funds requirements for different programmes and activities
 - Statutory requirements
 - · Management Policy with respect to staff welfare, infrastructure development and student amenities
- The Budget is placed in Governing Council meeting and then in Executive Committee of Management for approval and
- Institute allocates the budget for each department based on budget utilization in previous financial year, budget sought for the next year and availability of funding.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The institution has constituted IQAC as per NAAC guidelines, giving representation to all the concerned stakeholders; we have also designated faculty / staff coordinators for all the departments. Meetings are being conducted as per a planned calendar, to discuss and recommend on quality initiatives in different administrative and academic activities, follow up action and reporting there on are being promptly adhere to. With the participation of all the stake holders and representatives on IQAC, we are confident of accomplishing higher standards of excellence in all spheres of education and administration in our institution.

Internal Quality Assurance Cell (IQAC) of the Institution is a place where:

- · solutions to coping with these dynamic changes originate,
- · where processes are drawn to implement these solutions and,
- \bullet the outcomes of the ideas and implementations are effectively measured
- IQAC not only devices, directs and measures quality at various levels but also aims to channelize all efforts and measures of the institution towards promoting holistic excellence in all fields.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The institute has significant enrollment of female students at 50:50 ratios and the adequate facilities are provided by giving them home at the campus. Institute conducts workshop on basic electronics and 12th Physics for Kasturba girls PU College. Institute conducts International Women's day every year during the month of March. Following are the Specific facilities provided for women:

- Exclusive Hostel Facility for Women of 500 Capacity
- Well Managed Catering Facility
- Dedicated Transport Facility
- Mentoring and Counselling mechanisms (Dedicated Counsellor in the Campus)
- Anti-sexual harassment committee
- Exclusive Sports facility
- Common rooms for girls in all blocks

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

- Solid waste management
 - o The institute has solid waste management system. The bio degradable waste from the campus and college hostel is converted to high grade organic manure and is used in the campus garden. Excess quantity is sold to farmers.
- Liquid waste management
 - The Institution has the facility of 10 million liter capacity rain water collection, which collected from all the buildings in the campus.
- E-waste management
 - Old computers are reused in schools run by NES Schools. The e-waste is periodically handed over to the vendors of electronic equipment for safe and proper disposal.
- Waste recycling system
 - The Institution has the facility of 10 million liter capacity rain water collection, which collected from all the buildings in the campus. In addition to this, surface water collection (rain) in another pond. Sewage Treatment Plant (STP) of capacity 1.5 lakhs liters per day is used for gardening.
 - Hazardous chemicals and radioactive waste management

Not much hazardous waste is generated in college. The waste water from the chemistry lab is treated in the STP. JNNCE Management has devised a unique system of segregation of the solid waste other than the food and organic waste.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

At JNNCE, sensitizing students on our constitutional rights, values, duties and responsibilities is one of the primary educations given at the institute through various means.

Sensitization of students and employees of the Institution to the constitutional obligations is done through curriculum as well as through extra-curricular activities. Many of the subjects offered have topics which sensitize the students about the constitutional obligations. The University has introduced a compulsory paper on the Constitution of India at Degree level across all engineering disciplines to create awareness and sensitizing the students and employees to constitution obligation .As a part of strengthening the democratic values. Also, all students take a course on Environment studies in their first year which gives them insight into environment acts, wildlife protection act, forest act, global environmental concerns etc.

The students of all branches study constitution of India as a compulsory paper which sensitizes the students about constitutional obligations. Every year Republic Day is celebrated on 26th Jan by organizing activities highlighting the importance of Indian Constitution. Independence Day is also celebrated every year to highlight struggle of freedom and importance of Indian constitution.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice 1. Digital transformation for automaticacademic and administrative management of the college JNNCE is a big college that runs various courses like Engineering, MBA, MCA and MTech. Morethan 3000 students study here. More than 200 Employees work here. Henceensuring good academic policies, transparent and effective administration ofemployees, their research profile, Mentoring of students and Analysis for Quality Improvement is the ultimate goal of the institution. Hence asophisticated digital transformation tool is required for management. These processes are assisted by a user friendly tool called JAMS (JNNCE Automation and Management Services). JNNCE Automation Management System For College Automation, JNNCE uses an in-house package calledJAMS (JNNCE Automation and Management System Portal) which helps allstakeholders to get the information and data at the click of a button. Best Practice 2: Evolving JNNCE as a "Green Campus" The goal is to promote "Green campus concept" and become a role model for the educational institution:

- · Green building design.
- Solar energyfor electricity, Demand side management, energy conservation, e administration, etc.
- · Bio diesel Bicycle for in campus transportation.
- · Bio gas from canteen, hostel waste, night soil, solar energy for cooking.
- Rain water harvesting.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

• Centre for Innovation and Entrepreneurship (CIE) was started in the year 2018 to jointly run various Platforms/Programs at JNNCE with the Support of various Govt. Departments and agencies, Universities, Institutions, Industries, Startups, NES Management, JNNCE Faculty, Alumni and Students.

CIE aims to create innovation, startup & Entrepreneurial ecosystem at JNNCE and in & around Shivamogga by providing all the required facilities like incubation support, startup space, Mentors connection, Support on IPR & Startup Registration, Investors Connection, assistance in building Business plan, Financial Projection, team building, product launch, marketing, scale-up etc., CIE Also provides platform to setup Development Centres & Centres of Excellence by various startups, Industries, Agencies & MNCs at JNNCE Campus.

NewGen IEDC, NAIN Center, MSME Business Incubator, Institution's Innovation Council, IP Cell, E-Cell, JNNRIC, JNNCART are some of the initiatives/Platforms of CIE.

• College is also successful in conducting Internship Activities for Students for past 3 semesters in association with Ekathva Innovations Pvt. Ltd. Students are trained in latest technological areas of Python like Django, Flask, Semantic Web, Semi Structured data access, Rest API and others. Students carry out a real time project and submit it as a part of Internship activity.

7.3.2 - Plan of action for the next academic year

- 1. Future Related Activities and Collaborations
- Identifying the problems developing solutions, automating routine works to optimize the resources
- Identifying the problems developing solutions, with office Automation.
- Fostering a more transparent, responsive, motivated and agile administrative machinery
- Ensuring meticulous financial planning, Implementation and auditing
- Increased monitoring of revenues, expenditure, investments and human resources
- Planning for better campus opportunities
- · Opening new courses in cutting edge areas like Artificial Intelligence and Machine Learning
- Enhancing visibility through more reaching out, publicity promotion, press public relations, publications, extension social community participation
- Faculty Development workshops on various topics in all depts.
- Taking up as reviewers and chairing sessions in Journal Conferences
- Arranging Inhouse workshops Motivational programs
- 2. Administrative Measures and Infrastructure
- Developing and maintaining state of the art infrastructure in the campus for administration, teaching learning, research, consultancy, campus living, and welfare of all the constituents, fire protection, energy conservation
- Ensuring optimum utilization of classrooms, laboratories, workshops, equipment's, and other facilities.

- ullet Developing and maintaining proper landscaping, effluent treatment, safety security, vigilance surveillance on the campus
- 3. Research Innovation
- Identifying the thrust areas of research based on expertise available
- Create an environment for high impact, cutting edge research
- Initiating activities related to IPR and Patents
- Identifying the current work to apply for patents
