### 3. Proceedings:

1. The Chairman - IQAC formally welcomed the members to the 35<sup>th</sup> meeting and in his initial remarks, presented briefly the highlights of the agenda of the meeting in pandemic situation. He further invited the coordinator to continue the proceedings of the meeting.
2. IQAC Coordinator gave a brief review of previous meeting proceedings and the action taken

- a. **Progress of online teaching**

All the class videos are uploaded in you tube, study materials are shared in classroom and student attendance are recorded in JAMS

- b. **Planning and organizing student activities**

- Departments organized expert talk, SDP and webinars for students.

- c. **Result Analysis**

- Mentors discussed the performance of respective mentees and HODs submitted the overall result analysis report to IQAC

- d. **AQAR submission for year 2019-20**

AQAR for year 2019-20 is successfully submitted and accepted by NAAC. AQAR of year 2018-19 also resubmitted by addressing the queries and accepted by NAAC.

- e. **First year performance Analysis**

Due to pandemic first year examinations are not completed.

### 3. Agenda : Student Satisfaction Survey highlights

Coordinator Dr. Jalesh kumar presented student satisfaction survey comments given by students. Some of the comments are related to issues of online classes and lack of practical knowledge in Civil and Mechanical field. Dr. Sughosh suggested that Civil department is trying maximum effort in incorporating practical experience to students. Sri. S N Nagaraja discussed about involving students with Smartcity related projects and suggested to think in the areas of solid waste management and sewage water management.

### Recommendations :

- Webinars about latest materials and latest technologies shall be arranged by Civil and Mechanical departments
- Provide Internship to the students in Smart city and NHAI related projects

#### **4. Agenda : Project Impact Analysis of 2020-21**

Dr. Chetan K R informed that all the activities carried out related to the projects are recorded in automation software JAMS. Coordinator Dr. Jalesh Kumar suggested impact of final year projects of 2020-21 batch shall be analyzed. Dr. P Manjunath informed that departments are planning final year project exhibition.

#### **Recommendations :**

- Departments are informed to prepare Compendium of final year project information
- JAMS shall provide an interface to collect synopsis of project from students
- Encourage students to bring outcomes of project work in terms of publications

#### **5. Agenda : Placement Analysis**

Placement head Dr. Srikanth briefed about placement details of 2020-21. It is observed from the analysis that students in between 1.8 to 3.5 package is more in number. Sr. S. N. Nagaraja suggested to provide more opportunity of higher packages to students.

#### **Recommendations :**

- Training based on competency level
- Mentors to track the respective student placement details

#### **6. Agenda : Performance indicators**

Sri. S.N. Nagaraj explained the format of performance indicators for faculty members to be followed from academic year 2021-22. The template is shown to all the members.

#### **Recommendations :**

- To discuss with various department Heads

#### **7. Updates :**

- CSE and EEE branches are recommended by VTU for permanent affiliation for 5 years
- AICTE approved for increase in intake for CSE and new course AI&ML from academic year 2021-22

- Telecommunication and Engineering is renamed as Electronics & Telecommunication Engineering
- Mechanical engineering intake is reduced to 90 intake
- Final year outgoing batch farewell is organized and bright students are encouraged through cash awards
