Computer Organisation

Case Study Report

Dr. Ashwini J P

Associate Professor,
Dept. of AIML

- Group no : 1

On 24th of January, Aishwarya T, Apoorva D, Amruthavani H V, Rachana R presented their case study topic – 3D Printers and Processors.

- Group no : 2

On 19th of January, Prarthana T S, Saishri B L, Varsha M V, Vineetha R presented their case study topic – Keyboard & Mouse and Microcontroller.

- Group no : 3

On 16th of January, Himani M R, Kshama S Jois, Priyanka Ashwath, Anusha P Kanle presented their case study topic – Printers and Perfomance of Computers.

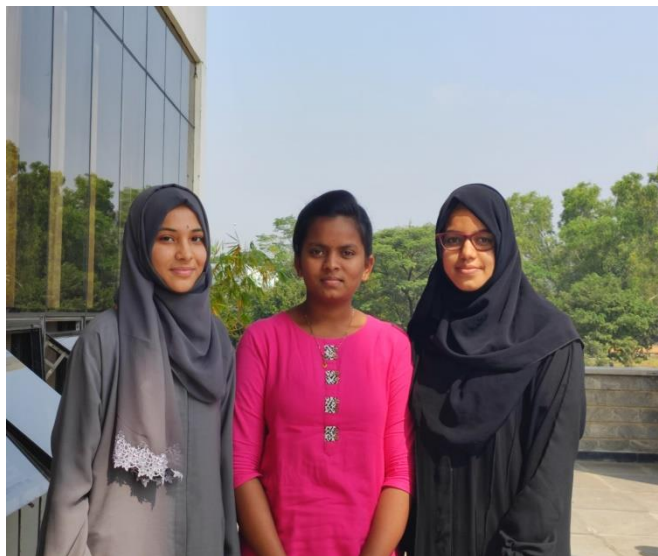

- Group no : 4

On 19th of January, Shabarish B L, Hithesh K, Deshmanth A, Veerendra presented their case study topic – Network interface card and Embedded Processor.

- Group no : 5

On 16th of January, Sofiya Sarah, Shantika, Shreya, Shanavi presented their case study topic – Wifi & Ethernet and Parallel Processing.

- Group no : 6

On 16th of January, Syeda Hurrain Fathima, Ayesha Siddiqa, Yogeshwari M presented their case study topic – RAM and Arduino.

- Group no : 7

On 19th of January, Brinda P, Lavanya S, Dhanalakshmi C presented their case study topic – OCR & Bar code reader and Multiprocessor.

- Group no : 8

On 19th of January, Varsha A S, Tanisha G Hossur, Sujal S D, Sonali G Dubashi presented their case study topic – Sensors and Cloud Computing.

- Group no : 9

On 19th of January, Srujan Y S, Sathwik P, Sanjana M, Chandana V N presented their case study topic –IOT and GP GPU.

- Group no : 10

On 24th of January, Samarth C, Arqam Zakriya, Likith G, Prabhav D P presented their case study topic –Different cable types for computers and Processors.

- Group no : 11

On 19th of January, Tarun K Hillodi, Vinod S L, Abhishek Badiger, Puneeth A S presented their case study topic – Light pen & Scanner and Digital Signal Processor.

- Group no : 12

On 19th of January, Pratham K Gujjar, Nithin Kumar S N, H M Satvik, Haris Hussain Khan presented their case study topic – Computer assisted Surgical devices and Multi-core Architecture.

- Group no : 13

On 24th of January, Praveen, Navneeth V Munavalli, Pramath C Bhat, Tejas presented their case study topic – Sensor and Computer Arithmetic.

- Group no : 14

On 19th of January, Kusumitha R, Ananya A, Kruthi J K presented their case study topic – Monitor and GPU.

- Group no : 15

On 19th of January, Ananya I, Krutharth E K, Bhuvan S M, K M Sujan presented their case study topic –Hard disk & Magnetic disk and Computer Arithmetic.

- Group no : 16

On 19th of January, Vijay N U, Suman K S, Aiman Parker, Pratham Francies presented their case study topic – Assembly Language and Distributing Computing.
