**“Career: More Than Just a Job”**

**Date: 07-03-2025**

**Participants: 4<sup>th</sup> Sem Students**

The Department of Computer Science & Engineering (Data Science) at JNNCE organized an expert talk for 4<sup>th</sup> semester students on " Career: More Than Just a Job," delivered by Mr. Kumar Kavi, Senior Engineer at Bloomberg, USA. With over 25 years of experience managing large-scale projects across finance, automotive, and pharmaceutical industries, he shared valuable insights on career growth, emphasizing that a job is a short-term earning opportunity, while a career is a long-term journey of skill-building and professional development. He discussed project management, the role of AI/ML in industry, and essential skills for success. Encouraging students to focus on adaptability, problem-solving, and networking, he provided practical career guidance. The session concluded with an engaging Q&A, followed by a vote of thanks, appreciating Mr. Kavi for his inspiring and insightful session.
