

Pavan H has obtained “Best Paper Award” in the AICTE Sponsored National Conference held in Bangalore Institute of Technology-Bangalore

Student’s Papers Published in International Journals

1. Shreyas S H, Sohan M R, Sathvik M S, Sandeep S. International Research Journal of Engineering and Technology (IRJET). Vol 9, Issue 1, January 2022. <https://www.irjet.net/volume9-issue1>
2. Ratnik Ramesh Gujjar, Vachan Revankar. Study on water from solar heater for domestic cooking. International Journal of Scientific & Engineering Research. Vol 12, Issue 2, February 2021.

Student’s Papers Presented in National / International Conference

Paper 1: Vedavyas K N (4JN19ME078) , Subodh P Rao (4JN19ME069), Sumukh Raj K G(4JN19ME073). Tenable Progress of Bio-Composite Starch-Glycerol Matrix Reinforced with Jute Fibre. AICTE Sponsored National Conference on 3D PRINTING & ADDITIVE MANUFACTURING TECHNOLOGY (3DPAMT-2022). Bangalore Institute of Technology, Bangalore. 23rd -24th May 2022.

Paper 2: Pavan H (4JN19ME044), Mohamed Haris (4JN20ME424), Ismail E (4JN20ME415),Rahul N (4JN19ME054). Sustainable Development of ABS Polymeric Composites by Agile Manufacturing Technique. AICTE Sponsored National Conference on 3D PRINTING & ADDITIVE MANUFACTURING TECHNOLOGY (3DPAMT-2022). Bangalore Institute of Technology, Bangalore. 23rd -24th May 2022.

Paper 3: Darshan S Shiddappa Gowdar (4JN19ME015), LOhith Kumar P (4JN19ME030), Madhusudhan N M (4JN19ME031), Pavan T (4JN19ME047). Development of High Tensile Strength Composite Material by Additive Manufacturing. AICTE Sponsored National Conference on 3D PRINTING & ADDITIVE MANUFACTURING TECHNOLOGY (3DPAMT-2022). Bangalore Institute of Technology, Bangalore. 23rd -24th May 2022.

Paper 4: Sowmyashree P. Effect of Print Speed and Build Orientation on Tensile Strength of FDM 3D Printed PLA Specimens. 2nd International Conference on Industry 4.0 and Advanced Manufacturing, Centre for Product Design and Manufacturing, Indian Institute of Science. Bangalore. 10th - 11th January 2022.
