NATIONAL EDUCATION SOCIETY (R)
**JAWAHARLAL NEHRU NEW
COLLEGE OF ENGINEERING**
Shivamogga, Karnataka

Our Vision

To be a pace setting institute in technical & management education and research in producing highly competent engineers, managers & entrepreneurs to meet the needs of Industry and society.

Our Mission

- * Impart quality education through flexible and innovative learning process.
- * Enable and ignite young minds to excel in their career and life with entrepreneurial spirit, professional ethics and human values.
- * Facilltate invention based research and collaborate with industries to address societal needs.

QUALITY POLICY

- * Providing state-of-the-art technology support and best possible educational infrastructure.
- * Development of faculty through supporting policies and procedures towards achieving higher qualifications, short-term courses, participation / presentations in seminars and conferences.
- * Encouragement to undertake research and consultancy, improving teaching - learning process by introducing innovative pedagogical and student interaction mechanism.

1. ABOUT NES

During the Freedom struggle, Mahatma Gandhi, the Father of our Nation stressed the need for quality rural education and development of women education and urged the leaders and youth to help in promoting it. Senior Freedom fighters and public of Shimoga were first to respond to the call of Mahatma. In 1946 they set up the National education society at Shimoga which is the important place of Malnad Area of Western Ghat Region in the Country which is endowed with rich and enchanting grace of Nature.

The Society, with the zeal dedication of senior leaders of the district like Mr. S.V.Krishna Murthy Rao, former deputy speaker of Loksabha, Mr.H.S.Rudrappa, Former Minister of Karnataka. Mr. P. Murudappa, Mr. R. K. Jayatheerthachar and Mr. S. Narasimha Murthy senior Advocates, Mr. S. R.Nagappa Shrestty, Ex-MLA and a great social worker and others strived hard to build the institution as founders to achieve the aspirations of Mahatma. The society started independently Managed High School in the district during 1946 and constructed its own building with public assistance. With a view to give thrust towards girl's education NES opened the first Girl's High School in the district in 1954 and gradually opened educational institutions in rural areas of the district to cater the needs of rural people.

Many illustrious leaders, statesman, personalities have visited the National education Society and have blessed by appreciating the dedicated service of the society. Among them are Honorable Dr. Rajendra Prasad, former President of India, Philosopher educationist Dr. S. Radha Krishnan, former president of India, Shri Lal Bahadur Shastri, Former Prime Minister of India, Sri Jayachamaraj wodeyar, former Maharaja of Mysore, Sri Vinoba Bhave a great leader of Sarvodaya movement, Acharya Tulsi, the leader of Anavarath Movement are few among them.

Despite number of problems during and after freedom struggle the enthusiasm and commitment of National Education Society never detered towards working for the cause of education. The society started number of professional Colleges in the district. Now it is running 40 educational institutions providing education to more than 15,000 students with 1000 staff force. Starting from giving importance to Primary, Secondary and Pre-University education by opening number of Schools and Junior Colleges, the National Education Society is offering courses with high quality education in Engineering, Law, Commerce, Pharmacy, Applied Science and Home Science through its well established colleges.

Thousands of Alumni of these institutions have made their name and fame earned by obtaining national and international recognitions in their respective fields. It is a matter of great satisfaction to the society in its efforts to do best for imparting good education to students. Good number of students is coming out from its institutions with flying colours obtaining distinction every year.

The Society is managed by an Executive Committee. The directors have taken the development of

the Society as a life mission and are continuing the efforts to fulfil the aspirations of its founders. It has provided all the necessary facilities with adequate infrastructure to students and staff to promote both curricular and co-curricular activities.

The National Education Society observed its Golden Jubilee during 1998, and dedicated a statue to Mr.S.R.Nagappa Shrestty, a man who devoted his life to the development of the society. Further, NES celebrates Diamond Jubilee year during 2022.

ANNUAL REPORT 2021-22

3. ABOUT JNNCE

Jawaharlal Nehru New College of Engineering (JNNCE)[formerly Jawaharlal Nehru National College of Engineering], is one of the technical institutions of Karnataka, providing excellent technical education and training to students from all parts of India. Established by NES in 1980, JNNCE is approved by Government of Karnataka and AICTE; affiliated to Visvesvaraya Technological University, Belgaum and accredited by NAAC.

A preferred destination of students seeking technical education, the institution offers BE degree in 8 branches, 3 PG Courses, namely, M. Tech., MCA and MBA, besides M.Sc. (Engg.) and Ph.D. in nine disciplines. Spread over a sprawling campus of 39.4 acres, the institution is reputed for its high-caliber faculty, excellent infrastructure, academic environment and placement. Around 17000 graduates and post-graduates have so far passed out from this College and have been making significant contributions in academic institutions, industry R & D organisations and Government Departments in India and abroad.

JNNCE is also a University recognized research centre in Civil Engineering, Mechanical Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering , MBA, Physics, Chemistry and Mathematics leading to the award of M.Sc. (Engg.) and Ph.D. So, for 54 candidates have been awarded Ph.D. from our research centres.

5. INSTITUTE PROFILE

JNNCE is a flagship Institute of the National Education Society (NES), established by freedom fighters and philanthropists like Sri. H. S. Rudrappa, Sri. S. V. Krishna Murthy Rao, Sri.S. R. Nagappa Setty and Sri. D. S. Dinakar and groomed by Sri Girimaji N Rajagopal, Sri D.R.Ratnakar among others.

All the founders of NES by their vision, hard work and contribution have brought JNNCE to the level it is today, which is being acknowledged and applauded by all. With the blessings of all, JNNCE is marching towards becoming one of the best institutions imparting education in engineering, management and computer application to needy students and creating citizens of tomorrow.

In this direction, over the last couple of years, many such developments and improvements have been achieved, with successful milestones. During July 2016, an initiative “Transformation for Excellence 2.0” for making JNNCE one of the top engineering, research, innovation and enterprising institutes was started. During this journey, the focus was on improving the quality of education, research & innovation, infrastructure development, employability of students & few more.

Jawaharlal Nehru New College of Engineering (JNNCE)[Formerly, Jawaharlal Nehru National College of Engineering (JNNCE)] was established in the year 1980 by National Education Society (NES). JNNCE is imparting education in Technology and Management since 41 years. JNNCE is running B.E (Civil, Mechanical, EEE, ECE,CSE, ISE, ETE & AI & ML), M.Tech (Transportation Engineering and Management, Computer Science), MCA and MBA programmes. JNNCE has been recognized by All India Council for Technical Education (AICTE) New Delhi, and Government of Karnataka, and is affiliated to Visveswaraya Technological University, Belgaum and accredited by NBA-New Delhi and NAAC. For more details about our college, please log on to our website: www.jnnce.ac.in

The lush green sprawling campus of about 39.4 acres caters to the needs of nearly 3750 students and 450 staff, with state-of-the-art technology back-up, well-equipped laboratories and workshops, library, hostels, playgrounds and other amenities. The dedicated faculty of the institute comprises of nearly 54 Ph.Ds as well as 123 with PG qualifications, amongst whom 52 are pursuing Ph.D.

JNNCE, firmly set on realizing its vision of becoming a pace-setting institute in technical and management education and research, has been successfully producing highly competent engineers, managers and entrepreneurs to meet the needs of industry, business and the society. In this direction, the just-now concluded 2021-22 academic year has been yet another fruitful year for the

institute, as manifested in the above accomplishments and new developments on all fronts, providing further impetus to its urge for excellence in the ensuing academic year 2022-23. NES Management, JNNCE Staff, Students, Alumni are constantly working towards achieving this goal.

Glimpses of Major Achievements of the Year 2021-22

❖ Ranking/Rating:

There is remarkable improvement in overall ranking in survey done leading magazines in 2021, as mentioned below:

1. Ranked 52nd in “India Today” survey, 12th Rank in Karnataka
2. Ranked 52nd among Top-100 Engineering Colleges of South India in Survey by “The Week” magazine
3. Ranked 80th in India among Top-100 Engineering Colleges of India in 2021 as per “The Outlook” & 17th position in Karnataka

❖ Academics:

Institution has so far secured over 100 ranks in university exams and during 2020-21 we bagged 3 ranks in VTU exam. We have introduced a mentoring process for potential rank holders as well other students to help them perform better in their examinations. We have started rewarding students who excel in their studies, cultural, sports and research & innovation, by awarding cash prizes, partial waiver of tuition fees and merit certificates. We organize Graduation Day which is unique where in all students become eligible for Graduation (Graduands).

❖ Research and Innovation:

The Objective is set to focus on research and innovation so that education quality will improve.

Our Faculty and students are pursuing research in emerging areas to solve the societal problems.

The faculty have presented and published more than 300 papers in national and international seminars, conferences and journals in the last five years. Funded Research projects worth more than Rs. 39 Lakhs have been carried out in the institute in this year. The institution has organized one International Conference and four National Conferences /Seminars on different academic and intellectual themes successfully, attracting resource persons, speakers and delegates from academics and industry from all over India; also brought out Conference Proceedings containing valuable information and insights. To motivate innovation-based research among faculty and

students, JNNCE Research and Innovation Centre in JNNCE (JNNRIC) started in 2017-18 has been functioning. So far, 54 candidates obtained Ph.D. degrees from JNNCE under Research Centre of VTU.

To encourage research and publication, the institute had launched its own online bi-annual research journal, titled “JNNCE Journal of Engineering & Management” (JJEM) in October 2017; four issues, containing research papers from scholars, both from India and abroad, have been already released and the 12th issue is now under process.

The College has also continued to publish its bi-annual, in-house newsletter titled “JNNCE Beacon” to showcase the events and developments on the campus.

Many projects catering to the need of the society are being developed; few of them are:

- IoT based smart ventilator
- Generation of motive power in electric vehicle
- Two way charge-discharge cycling based dual-motor electric vehicle
- Generation of motive power in electric vehicle
- Automation of areca nut boiling and drying processes using embedded system
- Thermal Analysis of Waste Cooking Oil Extracted From Different Edible Oil Seeds
- To study and characterization and performance analysis of different UCO with solvent blends as fuel source in IC Engines
- A web based information system for the management of ICU beds during the COVID- 19 outbreak
- Integrated smart pole
- Field investigation of cold mix technologies
- Stabilisation of clayey sand by Terrazyme
- Laboratory Investigation on Composite Pavements using cutback and Emulsion

JNNCE has received funding from NewGen Innovation and Entrepreneurship Development Center (NewGen IEDC) under the aegis of NSTEDB, DST, Govt. of India at JNNCE with **grant of Rs. 2.87 Crore** over a period of 5 years. JNNCE is one of the Institutions obtained this grant among 250+ institutions that had submitted applications and only college in Karnataka, who got this grant. Objective of this grant is to create the platform for Innovation & Entrepreneurship and create

companies with objective of generating revenue, creating jobs and wealth. During 2021-22, fourteen projects have been funded with 2.5 lakhs each.

JNNCE has received more than 41 Lakhs funding from funding agencies like Department of Science & Technology, Govt. of India, AICTE, Govt. of Karnataka.

We are also aggressively moving in establishing Industry-Institute collaboration to foster the practical knowledge among Faculty and students. In this direction, we have signed MOUs with many companies such as:

- Ekathva Innovations, Shivamogga
- Tequed Labs, Bangalore.
- National Highways Authority of India (NHAI)
- Technology Informatics Design Endeavour(TIDE), Bangalore

❖ **Placement:**

In addition to education and research, we are focusing to provide skill-based training to increase their employability. To prepare students, we are providing soft skill training, exposed to emerging technologies by way of technical talks by Industry experts, hands-on workshops in emerging and niche technology areas like Artificial Intelligence, Machine Learning, IoT, Data Science, Satellite Communication etc.. Also we have created the platform to pursue their projects in emerging technology fields and involve in research projects focusing social issues, agriculture, manufacturing, low-cost construction of building, healthcare, finance, etc.

More than 694 students from 2021-22 batch have got job offers during campus placement in companies like TCS, Evive Health, Crimson Logic, Global Edge, Colors Software, SOCIETE GENERALE, ETHNUS etc. Highest salary offered during 2021-22 is Rs.19.5 Lakhs per annum and average salary is Rs.4.5 lakhs per annum.

❖ **Students Chapters of Professional Bodies:**

Several professional bodies' Student Chapters are active in JNNCE, which help the students to become team players and develop leadership qualities. We have chapters of: Institution of Engineers (India), The Institution of Electronics and Telecommunication Engineers (IETE), Institute of Electrical and Electronics Engineers (IEEE) Students Branch, National Service Scheme (NSS), Computer Society of India, Society for Automotive, Indian Institute of Foundry men, SAE etc.

❖ **Quality Improvement in Education:**

Unlike the conventional method of teaching, JNNCE is practicing 'Outcome Based Education', where every subject taught has certain objectives to be fulfilled, which further fulfill the objectives of the department.

In this direction, apart from the regular teaching,

- Many workshops and faculty development programs are organized to gain practical exposure about the latest technologies currently used in industries.
- Students are encouraged to participate in state and national level technical competitions conducted by various organizations throughout India.
- Department level committees are constituted for (i) Academic Improvement (ii) Placement and Training (iii) R&D, Industry-Institute interaction.
- Professional trainers are invited to teach life skills to students not only for campus interviews but also to prepare them for future.
- Student feed-back is taken, which helps self-assessment.
- Open textbook tests are conducted to ensure that students study throughout the semester and not only during the exam time.
- Google Class rooms are being used, where the notes, ppts and lecture videos are uploaded, so that it would help students to do better.
- Encouraging students to use web resources offered by VTU and NPTEL by IIT's

❖ **Conferences, Workshops, Symposiums organized:**

On a regular basis, all the departments organize and participate in conferences and workshops as part of continuous learning program, in association with bodies like CSR, DRDO, NBHM, ISTE, IIT Bombay, IIT Khargpur, IETE etc. In last three years, JNNCE has organized about 30 workshops; the faculty has attended about 641 Faculty Development Programs / Seminars / Webinars and around 17 conferences and 100 resource persons have visited JNNCE as guest speakers, paving the way for knowledge enhancement.

❖ **Contribution to Society by Staff and Students:**

Our staff and students are also involved in various activities contributing to the society. Be it visiting rural areas, blood donation camps, awareness camps, reaching to school children, go green projects, helping the district administration or reaching out to the needy for assistance, they are

everywhere! Few of them are: Participating in Pulse polio program, Cow donation and Youth parliament. Faculty from basic sciences departments are actively participating in CET coaching classes for PU students every year, Internet awareness program for housewives and senior citizens, Workshop on electronics, electrical and physics for high school students for over 400 students, staff as experts / committee members in district administration and Government departments, providing financial assistance to meritorious and economical backward students in the form of scholarships, organizing Blood Donation Camps in association with Rotary, Red Cross and Govt. Mc-Gann Hospital etc.

❖ **Library & Information System:**

The institute library, housed in an exclusive and spacious block, has a collection of 1,24,274 books relating to all branches of Engineering and Management, digital library, subscribes to 25 National & International Journals with more than 2500 e-journals through VTU Consortium and DELNET. The Library has been computerized with e-Lib iNext Web based software. Also, institute is identified as NPTL local chapter.

❖ **Alumni:**

More than 18,000 students who have passed out of this institution have been making significant contributions in Industries, R&D organizations, Academic Institutions and Govt. Organizations in India and abroad and serving their alma-mater.

The institute has registered alumni association which is active and supportive that meets regularly during the month of May every year and involves itself in the development of the institution by undertaking various activities. The vast alumni community has been brought on board by registration of Alumni Association, launching a dedicated website, holding Global Alumni Meet, instituting Distinguished Alumni Awards, co-opting alumni in various administrative cells and panels, securing scholarships, internships, placements & sponsorships for our students, etc.

6. STRATEGY–TRANSFORMATION FOR EXCELLENCE 2.0

“Transformation for Excellence”

An initiative for making JNNCE as one of the top engineering, research, innovation and enterprising institutes!

- i. Enhancing the academic atmosphere by emphasizing excellence in teaching, research, innovation
- ii. Engage the stake holders to explore strengths & opportunities across the institute
- iii. Identifying the problems & developing solutions, automating routine works to optimize the resources
- iv. Increase the competence level of Faculty and staff
- v. Making the work environment as fun to work
- vi. Collaboration for joint research and exchange programs
- vii. Accreditation of all depts and outbound education system
- viii. Preparing and going for Autonomous status

1. Governance

- a. Identifying the problems & developing solutions, automating routine works to optimize the resources
- b. Fostering a more transparent, responsive, motivated and agile administrative machinery
- c. Ensuring meticulous planning, budgeting, costing, accounting, internal control and audit processes in all administrative operations
- d. Increased monitoring of revenues, expenditure, investments and human resources
- e. Launching of a more object-oriented HR Policies/Service Rules
- f. Systematic documentation, filing, and operations in Office Administration
- g. Better and more frequent communication with all stakeholders (management, employees, students, parents, etc)
- h. Enhancing visibility through more reaching-out, publicity & promotion, press & public relations, publications, extension & social & community participation

2. Education Quality

Following are planned to increase the teaching quality:

- Faculty Development workshops on various topics in all depts. In coming months
- Identifying and developing Road map for topics based on current & future need
- Mentoring by inside and outside academic experts, Mentoring by industry experts

- Develop innovative, research groups working on emerging topics, faculty interest, and research infrastructure to increase externally funded projects
- Attending & organizing Conferences, Summits, Trainings by Faculty
- Organizing Faculty development programs for others
- Taking up as reviewers and chairing sessions in Journal & Conferences
- Arranging in-house workshops & Motivational programs
- Making use of Free Online resources
- Inviting Industry experts during weekend for teaching (Alumni, industry persons with passion for teaching, parents who can help us)

Metrics for measuring Education Quality:

- **To increase the rank holders in VTU**
 - Handholding by right Faculty & mentoring those students
 - Connecting to experts, earlier rank holders in JNNCE or outside
- **To increase the no: of distinctions in VTU**
 - Identifying probable students based on past data in University exams
 - Handholding them by way of coaching, guiding them with all possible facilities by Dept Faculty
- **To help below average students to do well in VTU**
 - Helping them to identify problems & assisting them to cope up by Faculty mentors in depts
 - Motivating them so that they can score well

3. Infrastructure Development

- Developing and maintaining state-of-the-art infrastructure in the campus – for administration, teaching-learning, research, consultancy, campus-living, and welfare of all the constituents
- Developing transparent and responsible system for identifying and indenting departmental needs, for non-recurring & capital expenditure budgeting, purchase/acquisition, maintenance and disposal of capital assets
- Ensuring optimum utilization of classrooms, laboratories, workshops, equipments, vehicles, open spaces, play-grounds, parking space etc and checking wasteful expenditure, idle capacities, duplication, stock-filing etc
- Developing and maintaining proper landscaping, effluent-treatment, safety & security, vigilance & surveillance on the campus

4. Research & Innovation

Following is planned in the coming months:

- Identifying the areas of research based on strength of Faculty
- Create an environment for high-impact, cutting-edge research
- Identifying the current work to apply for patents
- Establishing the collaboration with DRDO, ISRO, Public Sector Companies, MNCs
- Applying for Contract Research work partnering with corporate
- Develop infrastructure to enhance research capacity
- Engage students on issues that shape our society

5. Funding, Grants & Sponsorship

To generate financial support for research, innovation and other, following are planned in coming months:

- Setting up the Technology Business Incubation Centre with support of funding from Govt of India, Govt of Karnataka, others
- Creating platform for setting up companies where in expertise of Faculty, students are made use of
- Invite companies to set up Technology Development Centres
- Setting up Engg. Teacher training cell to train Faculty across India
- Commercializing of research ideas, patents, technology transfer
- Providing Industrial Consultancy, Contract Research work
- Finishing school with optimal use current facilities (NSDC, Govt. support, PPP model)

6. Industry Collaboration

Following is the action plan for industry collaboration:

- Inviting industries for setting up competency centres in emerging technology areas
- To identify the various avenues through which we can interact with local firms, businesses and other intermediaries in relation to research and innovative activity.
- Contacting companies and getting consultancy, research work
- Having industry experts in college committees and advisory board
- Guest Lecture by experienced person from industry
- Organizing workshop/seminar periodically and invite the corporate people to deliver lecture and interact

- Industrial visit, Expos, Exhibitions for students, Faculty
- Panel Discussions, CEO Interactions

7. Placement

Following is the action plan for improving the placement:

- Establishing contacts with more companies for placement using networking like through parents, Alumni's and other means
- Establishing center for preparing students to face placement test and interviews involving industry professionals, Alumni's, professionals
- Attracting core companies for placement

8. Sports, Cultural Activities and Campus Living

Following is the action plan in coming months:

- Encouraging students to participate in various sports event conducted by VTU, International level
- Instituting awards for those who win prizes at University, State, National and International level
- Improving the infrastructure for sports and games
- Organizing family meets, cultural functions and team building games
- Improving the hostel facilities, food quality

9. NES and Society

Following is the way to assist NES institutions:

- a. Assisting other NES Institution in areas of need to improve
- b. Enabling NES Institutions to make use of available facilities from Govt, Industries
- c. Assisting to arrange motivational, awareness programs to other NES Institutions
- d. Assisting to build centre for preparing competitive exams

*...footprints of a
glorious journey
2021-22*

7. GOVERNANCE

The institute is continuously striving towards the implementation of Transformation for Excellence 2.0. In this direction, the institute machinery is decentralized its working by following a hierarchical delegation of task management. Following are the details of the various committees .

1. JNNCE Governing Council
2. Council of Heads of the department
3. Internal Quality Assurance Cell – IQAC
4. Statutory Committees:
 - a. Academic Monitoring Committee
 - b. Anti-ragging Committee
 - c. Anti-sexual harassment committee
 - d. Grievance Readdress Committee
 - e. Student Counseling Cell
 - f. SC/ST Cell
 - g. Universal Human Value Cell
5. Non Statutory Committee
 - a. Admission Committee
 - b. Examination Committee
 - c. Mentor Scheme Coordination Committee
 - d. NBA Core Committee
 - e. Placement & Training Committee
 - f. Research Committee
 - g. Industry Institute Interaction Committee
 - h. JJEM Editorial Committee
 - i. Purchase Committee
 - j. IT & Monitoring Committee
 - k. Delivery & Check Report Committee
 - l. CCTV Committee
 - m. Library Committee
 - n. Sports Committee.
 - o. Cultural Activity Committee
 - p. JNNCE News Letter Committee
 - q. Alumni Association

- r. Meritorious Award Committee
- s. AICTE /UGC/VTU/DTE Correspondence Committee
- t. NBA/NAAC/VTU visit coordination Committee

- **39th Meeting of Governing Council** of JNNCE was held on 8.6.2022 at 11.00 A.M in the Administrative Building and the agenda points along with the resolutions are published in the institution website

- **IQAC MEETINGS**

IQAC meeting is scheduled periodically, with the Principal presiding over the meetings and all the Members taking part. During 2022, following are the details of IQAC meetings organized:

Meeting No.	Date	Main Agenda points

❖ EDUCATION

❖ Steps taken for quality improvement in Education:

1. In order to encourage academic excellence, scholarships at college level are offered to students by NES Management.
 2. Mentor Scheme: For every 20 students a teacher will oversee the academic performance and send reports to parents regarding test / exam / attendance performance.
 3. Additional books are provided to the class toppers at the library on recommendation from respective Department HOD.
 4. Book bank scheme is successfully implemented in Library.
 5. Academically weak students are identified and special tutorial classes are conducted.
 6. JNNCE has been identified as Remote centre of IIT, Bombay / IIT Khargpur for a conduction of Faculty Development Programme for Engineering College / Polytechnic Faculty
 7. JNNCE has been identified as a Nodal centre for the project E-Yantra – A Robot based Project initiated by IIT, Bombay.
 8. DST-SERB NewGen IEDC provides financial assistance for the innovative projects carried out by students upto 2.5 Lakhs
 9. JNNCE Entrepreneurship Development Cell has been established to motivate students for self employment and Entrepreneurship Development.
- **Remedial Classes:** In order to help out the detained first year and second year students to clear the failed subjects, remedial classes were arranged.
 - **Calendar of Events of Even Semester** was finalized by Academic Monitoring Committee and circulated to all departments.

❖ Short term Training programmes, Seminars & Workshops conducted during 2021-22 Faculty Development Programmes:

1. One week FDP on “Computing constructs for modeling biology” organized by ISE Dept, sponsored by AICTE-ATAL 3.10.2021 to 7.10.2021
2. One Week STTP on “Artificial Intelligence & Machine Learning” was organized by Department of Computer Science & Engineering from 27th September to 2nd October. 2021

❖ LEARNING & DEVELOPMENT

❖ Student Enrichment Programmes:

1. Department of Electrical & Electronics Engineering organized Expert talk on “Introduction to Python” for 5th sem EE students on 15th June 2022.
2. Two days of SDP program was organized by Computer Science Department on Hybrid App Development with Flutter held in June 2022.
3. Two days of program Avishkaar-2022, a State Level Technical Symposium was organized by Computer Science Department during May 2022

4. Department of Electrical & Electronics Engineering organized One Day Robo Event "Blazin Wheels" on 14th May 2022.
5. The Department of Electronics and Communication Engineering, JNNCE in association with JNNCE IEI conducted two-days National Level Technical Symposium "PLASMA-22" on 30 th May and 31 st May 2022.
6. The department of Electronics and Communication Engineering conducted an SDP entitled "Effective document writing using Latex (With Hands-on training)" on 11/04/2022.
7. Mr. Raghuram, Senior developer, Dia systems Mangalore delivered a talk on "Placement and interview preparation guidance" for 6th Semester ETE students on 9.4.2022
8. Mr. Koushik R Udupa, Chief Technical officer, Ekatva innovations, Shivamogga, delivered a talk on "Entrepreneurship" on 9.3.2022 to ETE students
9. Department of Management Studies organized Special Student Development Workshop on the theme "Awaken the Super Hero in You" on 29-30 March 2022.
10. An invited talk by Mr. Sidde Gowda H M, Circle Inspector, Police Department, Shivamogga on "Road Safety and Traffic Rules" organized by Department of Civil Engineering on 03/02/2022
11. SDP program on "ANVESHANA - Technical Fest - 2K22" was organized by Computer Science Department during Jan 2022.
12. Department of Information Science & Engineering organized Student Development Program on "Document preparation using LaTeX" during 10-01-2022 to 11-01-2022
13. Mysterio2.0 is a two-day event conducted by the Department of Electronics and Communication Engineering, JNNCE from 31/12/2021 to 01/01/2022
14. The National level technical event SIGMA was organized by Department of Electronics and Telecommunication Engineering on 3rd and 4th of December 2021
15. Partial Delivery of the course Municipal Wastewater Engineering was handled by Miss Anusree, PMRF Scholar, IISc Bengaluru on "Wastewater Characteristics and Sampling" by Department of Civil Engineering during 18.11.2021 to 23.12.2021
16. Department of Information Science & Engineering organized Workshop on "Current IT industry requirements" on 15-11-2021
17. Department of Management Studies organized Hands-on Training on "Digital Marketing" in Sun Rise Digital for Marketing Students on 16th September 2021 to 27th October 2021.
18. Department of Management Studies organized Student Development Programme on "Finance Technical Skills" for finance students on 11-13 October 2021 and 22-23 October 2021.
19. The department of Electronics and Communication Engineering organized "One Week Bridge Course / Orientation Program for 3rd sem ECE Students" from 07/10/2021 to 13/10/2021.
20. Department of ECE & ETE organized Technical Skill development program from 27.092021 to 09.10.2021

21. Two Week SDP on C programming Skills, Arudino Uno, Node MCU organized by the Department of Electronics and Communication Engineering, JNNCE from 27/09/2021 to 09/10/2021
22. Department of Management Studies organized Alumni Speaks-Special Guest Lecture Series on “Keeping Self Motivated” on 24th September 2021 and 29th September 2021.
23. The department of Electronics and Communication Engineering conducted an SDP entitled “Advanced VLSI Design using cadence EDA Tool” from 21/09/2021 to 22/09/2021.
24. Department of Information Science & Engineering organized Student Development Program on “C Programming Skills” during 20-09-2021 to 21-09-2021
25. An invited talk by Dr. Rahul Patil, Associate Professor & HoD, Jain Institute of Technology, Davangere on “Application of Engineering Geology in Civil Engineering Practices - A Practical approach” was organized by Department of Civil Engineering on 17.9.2021
26. Department of Information Science & Engineering organized Student Development Program on “Campus network Maintenance” on 25-08-2021
27. Mini Project Competition was conducted by the department of Electronics and Communication Engineering on 21/08/2021
28. Three days online SDP on “Quantitative aptitude and e-quiz” was organized by the Department of Mathematics, JNNCE, from 18th to 21st August 2021.
29. Department of Information Science & Engineering organized Student Development Program on “Application development using ARM and ATmega Microcontrollers” on 06-08-2021
30. Project Exhibition for Final year Students was conducted by the department of Electronics and Communication Engineering on 04/08/2021
