ABOUT THE INSTITUTION - JNNCE

Jawaharlal Nehru National College of Engineering (JNNCE) is a flagship institute of National Education Society (R.), Shimoga. The college was established in 1980 and is currently ranked as one of the top colleges in the country, as under in leading survey by: Chronicle: 18th in India with A+ Grade; Outlook: 48th in India & 7th in Karnataka; India Today: 34th in India & 7th in Karnataka; and The Week: 31st in India & 9th in Karnataka. The lush green sprawling campus of about 39.4 acres caters to the needs of nearly 3375 students & 464 staff, with state-of-the-art technology back-up, well-equipped laboratories & workshops, library, hostels, playgrounds and other amenities.

VTU CONSORTIUM

Visvesvaraya Technological University (VTU) has established VTU Consortium in the year 2014. The main purpose of establishing the consortium is to provide the facility to access online journals to the students and research scholars studying in and the faculty members serving in VTU affiliated Engineering Colleges in Karnataka. VTU Consortium is the dream project of the University, to promote the use of e-Resources in its affiliated colleges to get access at an affordable cost. This is the first of its kind cooperative initiative in the entire country. The consortium aims at strengthening the collection of e-Resources in every institution and to enable their faculty and students to access scholarly information on their fingertips.

LIBRARY & INFORMATION CENTRE, JNNCE

JNNCE Library is located in the heart of the campus, a place friendly to read and refer. The library caters to the information needs of the institute's faculty, students, staff and researchers. It houses around 1,16,000 books covering all disciplines of basic sciences, engineering, technology and management. The collection in the library comprises of printed materials such as books, reports, standards, atlas, back-volumes of journals. The non-book collection includes materials like audio, video cassettes & CD-ROM discs. Under VTU Consortium, the library provides online access to large number of e-journals and e-books, e-journal database from various publishers. These journals are accessible on Internet in campus only. All the library activities are computerised with barcode technology.

The library provides various services to its users, such as:

1. Lending of books, journals and back-volumes of journals
2. Interlibrary Loan/Document delivery
3. Photocopying/Internet service
4. Digital Library Service

OPAC service/NPTEL Course materials and course details/NDL Service/DELNET Service

VTU CONSORTIUM TRAINING PROGRAMME OBJECTIVES

1. To create awareness among the member institutions on E-Resources subscribed through VTU Consortium.
2. To educate the stakeholders to use the subscribed E-Resources more effectively.

3. To train the stakeholders and library professionals about the subscribed E-Resources, of different features by the respective publishers.
4. To suggest best practices to promote E-Resources in the institutions.
5. To increase the usage of E-Resources by the stakeholders
6. To help improve the quality of Teaching, Learning and Research in the member institutes.

WHO CAN PARTICIPATE?

- * Academicians, Faculty members, Research scholars, Students and LIS members of VTU-affiliated institutions.
- * The selection will be based on 'first-come-first-serve' basis as number of participants will be limited
