Department of Electronics & Communication Engineering

Proceedings of the Bright Students Meeting held on 14-06-2022 at 10:15 AM

I have given the information on meritorious awards and criteria for the best outgoing student. Advised all the students to maintain consistency in their academics and be actively involved in department/college activities.

Observations on the improvement

1. As suggested in the previous meeting, all students have actively participated in the events/workshop conducted by our department/JNNCE/other colleges.
2. Most of the students have completed the Course era/NPTEL courses.

Based on the observations, students are advised to

1. Participate in inter-college/state level/national level events
2. Write a technical paper and try to present the same in some conferences/journals
3. Involve in handholding weak students

21.10.21

Methodologies to support weak students (2021-22 onwards)

Process to identify of weak students

Weak students are identified using the following process:

- (i) When the students are admitted to first Semester PUC Marks / Grade is considered as the reference to identify weak students. Here, bottom 15% students of PUC Marks / Grade admitted to the department are considered.
- (ii) Second Semester onwards students' performance in previous semester (CIE and SEE put together) are taken as the reference. Here, CIE and SEE performance is less than 60% in all 6 courses is considered.
- (iii) The consistently poor performance in 1st CIE and 2nd CIE in all courses taught are considered.

Process to support weak students

- Mentor to call and update the parent / guardian personally and discuss their ward's performance.
- Concerned teacher to initiate Peer Learning and ensure that a bright students assist /guides the weak students
- Concerned teacher to arrange remedial classes / one – one interaction as sought/required by the weak students
- Concerned teacher to provide additional course materials / solutions in numerical courses and evaluate the performance
- Concerned teacher to assign tasks in the respective course and to clarify the doubts and evaluate the performance
- HoDs in consultation with mentors to identify and appreciate the students registering 10% improvement in SGPA.
