Sub: International Conference on Multimedia Processing, Communications and Information Technology during May 11-12 2018.

We, The Department of E&C and TCE are happy to propose for organizing an **International Conference on Multimedia Processing, Communications and Information Technology during May 11-12, 2018**, in association with the Institute of Doctors Engineers and Scientists (IDES), Trivendrum and conference papers are published in ICPS which is a subsidiary Conference Proceedings Publication wing of the IDES.

The detailed budget estimate for organizing the conference is enclosed. We request you to kindly permit to organize the conference and approve a budget of Rs. 1.5 Lakhs.

No: JNCE/NES/341/2017-18

D: 17/1/2018

Forwarded to Secretary, NES

So far we have organized only two (2) International conferences in last 37 years and the proposed is the 3rd one, organized by ECE/TCR dept. Request your approval to organize

the 3rd conference and budget of Rs. 1.5 Lakhs.  
NES/3355/17-18 Dt: 25/01/2018  
Submitted for Approval

20/01/18

Funds reserved in the budget for 2017-18 of Rs. 20 Lakhs.

yes

### All for Papers

MPCT 2018 is an international conference where theory, practices, and applications of Multimedia Processing, Communication and Information Technology and related topics are presented and discussed. Original contributions are solicited on topics covered under broad areas such as (but not limited to):

#### multimedia Processing

multimedia communication and networking, Multimedia systems, applications and services, Next generation communications, multimedia and networking systems, media generation and integration, Multimedia analysis and understanding, Multimedia security, Signal processing theory and applications, Image Processing, 3D Point Cloud Processing, Video processing and related topics

#### Communications

Data Communications, Data Compression, Data Encryption, Information Theory Coding and modulation, Spread spectrum, Sustainable wireless communications, Mobile and cellular communications, MIMO and space time communications, Cooperative relay communications, Cognitive science, Wireless communications and networking, Microwave circuits and systems, Antennas and propagation, Array Signal Processing, Software radio, EM/EMC, other topics in Communications

#### Information Technology

Broadband & Intelligent networks, Computational Intelligence, Data Base Management, Data Mining and Data fusion, E-Commerce & E-government, E-Health & Biomedical applications, E-Learning & E-Business, Fuzzy, ANN & Expert Approaches, Grid and Cluster Computing, ICT & Banking, Software Engineering and Formal Methods, Systems & Software Engineering, Web Engineering, Internet applications & performances Knowledge Based Systems and Other topics in Information Technology.

Respective authors are invited to submit full (and original research) papers (which NOT submitted/published under consideration anywhere in other conferences/journal) in electronic (PDF only) format through the easy chair conferences management system website.

#### Important Dates

Last Date of Paper Submission: April 10, 2018

Paper Acceptance Notification: April 20, 2018

Camera Ready Paper Submission: April 30, 2018

Paper Registration: May 01, 2018

Additional Co-author/Non-Author registration: May 8, 2018

Conference Date: May 11-12, 2018

### Conference Venue

MPCT 2018 international conference is scheduled to be conducted at J M H College of Engineering Campus, Shivamogga, Karnataka, India, 276 km from Bangalore and 261 KM from Mangalore, Karnataka, INDIA

### About Shivmoga

Shivmoga (known locally as Shivamogga) is a city in Shivamogga District in the central part of the state of Karnataka, India. It lies on the banks of the Tungga River and is the administrative headquarters of the district. According to the Shivamogga City Municipal Corporation, the city has a total area of about 60 km<sup>2</sup>. The climate is tropical wet and dry summer average temperature 20–35 °C (68–96 °F). Shivmoga is a part of a region known as Malnad (land of hills) in Karnataka. Most/all these hills are part of the Western Ghats, a region known for plentiful and lush greenery and declared as a World Heritage site by UNESCO

### Registration

Once your paper is accepted the registration phase begins. It is mandatory for at least one author of an accepted paper to register in order for the paper to appear in the Proceedings and be included in the Technical Program. If an author has got more than one accepted papers, each paper has to be registered. Registration Fee includes Proceedings, Publication in International Journal of Advanced Research Trends in Engineering and Technology (IJAART), Lunch, Morning & Evening Snacks

Item	For authors from Host Country	For International authors
Author Registration Fees	Rs. 3000/-	USD 100
Extra page charge (per Page)	Rs. 500/-	USD 15
Attendee	Rs. 2000/-	USD 75

### Paper Submission

All full papers submitted will be subjected to a review process through an international review panel. Comments of the reviewers will be directed to the authors four weeks prior to the Camera Ready Paper Submission deadline, so that they can be accommodated in the camera ready papers.

The Full paper should not be more than 6 pages (maximum) and the paper format is double column style. All submissions (PDF format) can be submitted through the Easy Chair Conference papers submission system. If you find it difficult to submit the papers through our Easy Chair conference paper submission system, it can be mailed to [mpct@jmhce.ac.in](mailto:mpct@jmhce.ac.in)

International Conference on Multimedia Processing,  
Communication & Information Technology  
(8-9, June 2018)

in association with  
Institute for Exploring Advances in Engineering (IEAE)

### Certificate

This is to certify that

Dr./Prof./Mr./Ms./Mrs. Dr. Harish Chouhan, CEO & Founder,  
Cohan Consulting, Bangalore has served as

*Chief Guest / Keynote Speaker / Session Chair*

*in International Conference on Multimedia Processing, Communication &  
Information Technology MPCIT 2018 held at J.N.N. College of Engineering,  
Shimoga, Karnataka during 8-9, June 2018.*

(Dr. P. Manjunatha)  
HOD, E & C

(Dr. M. B. Ushadevi)  
HOD, TCE

(Mr. Nanjesh Bennur)  
Director, IEAE

(Dr. H.R. Mahadevaswamy)  
Principal, JNNCE

*Handwritten text at the bottom of the certificate, possibly a date or location.*

**Jawaharlal Nehru National College of Engineering, Shimoga**  
**International conference on "Multimedia processing, Communications and**  
**Information Technology-MPCIT 2018"**

8-9, June 2018

### FEEDBACK FORM

NAME : BANUMATHI . K . L .

ADDRESS : Asst. Prof.  
 EEE CE Dept.  
 BIET  
 Davangere

E-mail : Kibanu@gmail.com

Cell No. : 9611355676

Your opinion about:

	Not Satisfactory	Satisfactory	Good
1. TECHNICAL SESSIONS			✓
2. FOOD			✓
3. ACCOMMODATION			—
4. HOSPITALITY			✓
5. HALL ARRANGEMENTS			✓
6. THE OVERALL ARRANGEMENTS			✓

In your opinion which are the major strengths of the MPCIT 2018

1. Technical talk by Mrs. Pallavi 3.  
 Ansha
2. it good 4.

In your opinion which are the major weaknesses of the MPCIT 2018

1. 3.
2. 4.

Any Other Suggestions:

8-9, June 2018

## FEEDBACK FORM

NAME : Nagashri. J.A.  
 ADDRESS : MTech, CS&E [4<sup>th</sup> Sem],  
 University. B. S. T. College of Engineering. D.Y.G.  
 E-mail : nagashrija.23@gmail.com  
 Cell No. : 9590144471  
 Your opinion about:

	Not Satisfactory	Satisfactory	Good
1. TECHNICAL SESSIONS			
2. FOOD			✓
3. ACCOMMODATION			✓
4. HOSPITALITY			✓
5. HALL ARRANGEMENTS			✓
6. THE OVERALL ARRANGEMENTS			✓

In your opinion which are the major strengths of the MPCIT 2018

1. Key notes for all guests.
2. Dr D. S. Gauru. Sir speech was very nice.
3. Food & Accomadation was very nice
4. The speech of Pallavi Arora Mam was very nice.

In your opinion which are the major weaknesses of the MPCIT 2018

1. Moste research scholoz are need present the papers.
2. <sup>Need to</sup> Make a standard format of ppt by the participants.
- 3.
- 4.

Any Other Suggestions:

Thank You, So much for giving an opportunity to attend the Conference. I Specially Thanks to Sri Satyanarayan Sir for make all arrangements to us.. and ~~also~~ also the whole dept.. We know ~~about~~ the many things about the industry & technologies.

(Please return this form completed in all respects to the coordinator during valediction)

**ANNEXURE 5**  
**A Report on**  
**International Conference on Multimedia Processing & Information Technology**  
**MPCIT 2018**

The Departments of Electronics & Communication Engineering and Telecommunication Engineering, JNN College of Engineering in association with Institute for Exploring Advances in Science & Engineering, organized International Conference on Multimedia Processing & Information Technology - MPCIT 2018 during June 8-9, 2018.

In the last few years, multimedia processing has emerged as an important technology to generate contents based on images, audio, graphics, animation, full motion video and text, and it has opened a wide range of applications by combining these different information sources, thus giving insights in the interpretation of the multimedia content. Lot of major research is taking place in the areas of Multimedia, Communication, Image Processing & Pattern Recognition and Information Technology. The main intention is to provide a unique forum to present and publish papers dealing with the state-of-art technologies in Computer Science, Electrical and Electronics Engineering. Papers dealing with novel approaches to model current and emerging technologies in all these Engineering fields are encouraged. The main objective of the conference was to provide a common platform to academicians, scientists, R & D professionals, Engineers from industries and research scholars for interaction and to discuss about the latest developments taking place in the field of Electronics & Communication Engineering. The proceedings of the conference were published in the form of a Book containing the details of our college, department, advisory committee, organizing committee, review committee, full text of all the registered papers was released during the conference. The response to the conference was overwhelming and a total of 62 papers were received from different parts of the country and state. After, a review process, 51 papers were accepted, out of which 30 authors registered for the conference.

The conference was inaugurated on 8<sup>th</sup> June 2018 by Dr. A G Ramakrishnan, Professor, Department of Electrical Engineering, IISc Bangalore in the presence of Dr. Harish Chouhan, CEO & founder, Cohan Consulting, Bangalore, Sri S N Nagaraja, Secretary, National Education Society and Dr. L K Sreepathi, Vice-principal of JNNCE. The programme was presided by Principal Dr. H R Mahadevaswamy. Dr. P Manjunath, HOD, E&C Dept. welcomed the gathering and Dr. Ushadevi M B, HOD, TCE Dept. Proposed the vote of thanks. Dr. S V Sathyanarayana presented an insight of the conference and purpose. In the inaugural speech, Dr. A G Ramakrishnan highlighted the importance of conferences for students in an

Dr. Harish Chouhan appreciated the need of conference as it provides a platform to share the research findings so as to explore the emerging areas in science and technology. Sri S N Nagaraja in his speech quoted the use of multimedia in day to day transaction and the need to improve it. Dr. L K Sreepathi highlighted the penetration of multimedia in nook and corner of the world and necessity of multimedia authentication to avoid misuse of original information. Dr. H R Mahadevaswamy emphasized on the necessity of multimedia communication and processing in the present digital world. The inaugural function was followed by Key note address by Dr. A G Ramakrishnan on Mathematics in machine learning - a geometric approach. In his presentation he explained the importance of mathematics in machine learning and other related research areas. Research scholars were advised to study the mathematical concepts in view of Engineering approach. He also gave an insight of concept of vectors and geometrical interpretation to simplify mathematical analysis. The address was concluded with a brief overview of principal components and its uses.

First day post tea session was an invited talk from Dr. Harish Chouhan, CEO & Founder, Cohan Consulting, Bangalore on the topic Market Trends & Needs of Multimedia Technologies. In his talk he presented the current trend and opportunities in the area of multimedia technologies. His presentation was having all the statistical data about the needs in Information Technology market. Post Lunch Session was paper presentations from research scholars and PG students. There were two sessions and 7 papers were presented. These sessions were chaired by Dr. Ganesh Ithal, Dean R & D, MITE, Mangalore and Dr. C S Mala, Professor & HOD, Telecommunication Dept., BMSIT, Bangalore.

Second day started at 9.30AM with paper presentation from research scholars and PG students, 3 papers were presented and the session was chaired by Dr. G. K. Patra, Senior Principal Scientist, CSIR, Bangalore and Dr. G. S. Sunitha, Professor & HOD, BIET, Davangere. Later, second session at 10.30AM was an invited talk from Dr. G. K. Patra on the topic "Block Chain Technology and its applications". The talk was well appreciated by the participants and it began with the fundamentals of block chain technology, followed by the conceptual overview of "Bit Coin", use of Cryptography in Block Chain and rest of the talk was demonstrating various applications of block chain technology like Security in Medical field, e-commerce, IOT, Cloud Computing, Connected Cars - Automotive etc. Second day post tea session was another invited talk from Mr. Veerendra Mittal, Member Senior Research Staff, Central Research Laboratory, BEL, Bangalore on the topic Applications of Multimedia and Image Processing. He gave a brief over view of fundamentals of multimedia processing and its challenges. The highlight of his presentation was video clippings of various real time projects undertaken by BEL which was well appreciated by all the participants. Post lunch session was invited talk from Ms. Pallavi Arora, Senior Director, CISCO, Bangalore in the topic "Overview of Networking and Communications technologies as applied to industry". The prime importance in her presentation were various issues and requirements of advance networking like programmable and intuitive networks, video driving bandwidth, collaborative architecture and IOT

requirements. Also, Network security issues and requirements of automation using Robots were discussed. This session was followed by the last paper presentation session chaired by Dr. S. N. Jagadeesha, Professor & HOD, Dept. of CSE, PESITM, Shivamogga and Dr. B G Nagaraj, Professor & HOD, Dept. of ECE, JCE, Davangere. In this session two papers were presented. Totally 11 authors out of 30 registered authors presented their research papers in four paper presentation sessions.

After the tea break, Valedictory program was arranged. Ms. Pallavi Arora and Sri. S. N. Nagaraja, Secretary, NES were the chief guests. Dr. L. K. Sreepathi, Vice Principal, JNNCE Shivamogga, Dr. P. Manjunatha, HOD, E &C and Dr. M. B. Ushadevi, HOD, TCE, Conveners – MPCIT, Dr. S. V. Sathyanarayana, and Organizing Secretary-MPCIT were present. Dr. H. R. Mahadevaswamy, Principal, JNNCE presided over the program. Best paper Award was given to the paper “ENCRYPTION AND DECRYPTION OF AN IMAGE DATA – A PARALLEL APPROACH” authored by Raghu M E, GEC, Hassan and Dr. K C Ravishankar, GESC, Hassan. Feedback of the participants was taken and most of the participants appreciated the quality and content of invited talks and general arrangements. Certificate of participation was distributed to all the participants who presented their papers and attended the conference.

Several organizations have generously supported the conference financially and professionally and thereby contributed significantly to the publication of the proceedings. Their support was gratefully acknowledged. A list of our sponsors was displayed in the Seminar Hall during the Conference.

A conference kit was provided to all the delegates with a Hard copy of the proceedings and a Book in the area of Electronics & Communication from McGraw Hill Publishers, New Delhi. In total, MPCIT 2018 was a memorable academic activity.
