Latest Trends in Training Programs Needed For Software

Industry

By

Computer Science Department

Date and Venue:

08 Sep 2017, 12:30-1:30 pm, MBA Block Seminar Hall

JNNV College of Engineering, Shimoga

Resource Person:

Mr. Suresh Kumar

Mr. Vishal Kumar

Participants:

Students of B.E. 5th Sem.

An expert talk started at 12:30 pm with introduction of Resource persons Mr. Suresh Kumar and Mr. Vishal Kumar by Sandeep B. COSMOS coordinator. Resource person Suresh Kumar explain the importance of training program for students. He told that the training program allows you to strengthen those skills that needs to improve. A training program brings all students to a higher level so they all have similar skills and knowledge. It boosts the performance of students and helps them to meet career objectives. The training program is important for engineering students. It helps them to update and master their skills.

Resource person Vishal Kumar explains latest trends in training program in industry. He mentioned that Mobile application development, UI/UX web development, Software Quality Testing(SQT), Automation, Cloud computing, DevOps, Data Analytics, Artificial intelligence and Internet of Things(IoT) are the most important training programs. He also gives brief introduction about all above training programs.

The session ended at 1:45 pm. Students were interacted with expert and cleared their doubt.
