IETE Students Forum (ISF)

CIRCULAR

The students of ECE/TCE/EEE Departments are informed that, a Workshop on "PCB DESIGNING and DRAFTING" will be held on 10th and 11th of February 2018 at ECE Department.

This includes the complete PCB making, involves schematic entry, PCB Layout, Components Layout and etching process. The total duration of the workshop would be of 2 days. In this connection the students are requested to enroll their name to the undersigned on or before 5th February 2018.

(Dr. P. Manjunatha)

HOD, ECE

Report of “Workshop on PCB Design and Drafting”

The department of ECE had organized workshop on “**PCB Design and Drafting**” for the 4th and 6th semester students of ECE, TCE, EEE dept., on 9th and 10th of February 2018 at ECE department.

In total 44 students have participated actively in this workshop.

H G Sathish Kumar, instructor of the workshop of ECE department, explained the motto of the workshop and presented the basics of electronics and PCB designing and its drafting.

The workshop taught the students about the basics about PCB design and basic electronics. This theory sessions were succeeded by the practical repetition of the same. A brief concept of logic gates was also conveyed to students in the theory sessions. The students learnt the same and got motivated by the things taught to them on both the days of workshop thus fulfilling the motto of workshop.

This workshop was conducted by the 6th semester students of ECE department namely, K R Rohan, Gaurav P, Prakash C, Manoj Kumar, Koushik R Udupa, Nikitha NL, Pooja Pai, Pooja S, Mamatha R, Divya C Shetty, Deepthi C Shetty along with the support of faculties of ECE dept.
