Invitation

PREAMBLE

This FDP is proposed keeping in mind the new bees in the research area so as to get exposed to the research field. Hands on session will be given to the attendees regarding how to write report in Latex.

Objectives:

1. To create awareness to the budding research scholars regarding how to choose the field of research and how to set the objectives.
2. To help them in defining problem statement.
3. To give glimpse of methodologies available and could be used to carry out the research.
4. To enlighten the attendees with how to test the developed models and intellectual property.
5. To give hands on session on Latex programming as it is very important in report making.

About the work shop:

Topics to be covered:

RESEARCH METHODOLOGY (14PHDRM)

1. Objectives and Characteristics of research.
2. Defining the research problem and selecting the problem.
3. Research design and methods.
4. Sampling design and steps in sampling design.
5. Testing of hypotheses.
6. Invention, creativity and Intellectual Property.
7. Interpretation and report writing.

Resource Persons:

Eminent speakers from both academia and industry will address the participants in the workshop. Academia experts from IISc, NIT's and R&D organizations and experts in the field of Intellectual Property Rights and Patenting will deliver sessions.

REGISTRATION:

Eligible Candidates:

Post Graduate Students, Research Scholars and Faculty members of different engineering stream and management stream can participate in this workshop.

Registration Fee:

A registration fee of Rs. 2000 will be charged for each participant. The Registration fee should be paid through online, the details of which are given below:

Bank: CANARA BANK
Branch: JNNCE CAMPUS, SHIMOGGA
SB A/c No: 6322201000004
IFSC Code: CNRB0066322

Scanned copy of the application with duly forwarded by the HOD and Principal, must be sent along with online transaction to rm_2018@jnnce.ac.in.

Selected participants will be intimated over email. Total Number of participants is restricted to 50.

Note:

- Registration fee does not include accommodation. However, accommodation may be provided to the participants with a nominal fee in the college hostel.

ABOUT THE INSTITUTION

National Education Society (NES) started in the year 1946 by a group of freedom fighters. Now it is running 40 educational institutions.

Jawaharlal Nehru National College of Engineering (JNNCE) was established by NES in 1980 and is one of the premier institutions in the central region of Karnataka and ranks within 10 in Karnataka. The college is catering the needs of the nearby as well as interstate students to pursue their graduation and post graduation in engineering, computer applications and business administration. Currently 7 UG and 9 PG programmes are being run successfully. The institution holds many milestones in research and innovation.

ABOUT SHIVAMOGGA

Shimogga district is a Malnad region situated in the mid-south-western Ghats of Karnataka state connected through National highway and railways to capital city Bengaluru at a distance of 275 Km.

Shimogga is a true nature's gift, spread with rivers, valleys, waterfalls, enchanting natural scenery of hills, dense forests, flora & fauna & forts. Among them Jog Falls is a world famous tourist attraction.

One week ISTE sponsored Workshop on
Research Methodology

Workshop Coordinator:

1. Dr. Kiran M, Assistant Professor, Dept. of ISE, JNNCE, Shimoga
2. Dr. Karthika B S, Assistant Professor, Dept. of Civil, JNNCE Shimoga.

Hosting College: JNN College of Engineering, Shimoga, Karnataka.

Hosting Department: Department of ISE and Department of Civil Engineering.

Workshop Dates: 5th to 9th March, 2018.

In order to empower the faculties in the research field, JNN College of Engineering, Shimoga, has conducted a one week ISTE sponsored workshop on Research Methodology targeting the researchers who are in their early stage of their research. As research scholars will be in confused state in the early stage of their research, this FDP helped such research scholars to fix the field and define the problem statement. Further, this FDP also highlighted how to achieve the defined objectives, methodologies to use, report writing, filling intellectual property etc. Finally this FDP gave glimpse of LATEX programming which is an essential tool for the research scholars for writing reports and thesis.

For the workshop 45 aspirant research scholars from host college as well as from nearby colleges and universities were registered and took the maximum benefit from the workshop. The workshop schedule included face to face interaction, tutorial sessions and lab sessions (for LATEX). In order to keep the session alive and to motivate the enthusiasm of the participants, tests were conducted and best performers were encouraged.

For the workshop eminent speakers from both academia and industry were invited to address the participants of the workshop. The feedback of the participants revealed that the sessions were attractive and lab session of LATEX was really good.
