Respected Sir,

Sub: Requisition for permission and financial assistance for Conduction of Technical Talk on "Importance of VLSI & Its Applications".

I wish to inform you that we are planning to conduct a Technical Talk on "Importance of VLSI & Its Applications" on 04/05/2018.

As VLSI Design Concept is introduced for the BE students with both theory and corresponding lab for 6th semester (1SEC63 & 1SECL77), it is felt that a Technical Talk is to impart the knowledge for CMOS technology, its applications and current opportunities in semiconductor industries for BE students.

Expert from SJCE, Mysore Dr. Radharswamy S.B. will be invited as resource person to deliver a talk on importance of VLSI Design, opportunities in Semiconductor Industries and expectations.

I request you to kindly permit us to conduct the above Technical Talk by providing financial assistance as it helps us to enhance the knowledge and in turn motivates the students. The details of the proposed programme are enclosed herewith for your kind reference.

Thanking you,

Yours Sincerely,

HOD, Electronics & Communication Engg

To,

Dr. RudraSwamy S.B.,
Associate Professor,
Department of Electronics and communication,
Sri Jayachamarajendra College of Engineering,
Mysore-570006.

Dear Sir,

As per telephonic conversation with you few days back, we have planned to conduct a Technical Talk on “**Importance of VLSI & its Applications**” on 04/05/2018. Since you are in similar area, we thought of utilizing your knowledge and experience to conduct a Technical Talk. Target audience will be students from Department of Electronics and Communication. We are expecting around hundred participants. We here by request you to be a Resource person for this Technical Talk.

Thank you.
