Workshop report

Date: 13 /09/2018

The department of Electronics & Communication Engineering organized a one days workshop on **Analog Electronics**.

The main aim of the workshop is to make students to get the knowledge of Electronics components and their working principles.

The FDP has been conducted for 3rd semester Electronics & Communication students. Co-ordinated by student volunteers of 7th semester and 5th semester supervised by Mrs. Nalina S.B Asst professor Dept of ECE, under the guidance of Dr. Manjunatha P, HOD, ECE Department and Dr H R Mahadevaswamy, Principal JNNCE.

The day one session started with Presentation on introduction about basic electronics components by 5th sem ECE students followed by hands session in Analog Communication Laboratory on for 35 first year students.

The day two session started with Presentation on introduction about basic electronics components by 5th sem ECE students followed by hands on session

At the end of both sessions a quiz has been conducted related to the topics that they learnt in the workshop.
