Date :_____

Date: 25/04/2018

To,

Mr. Shekara M V

Software Engineer,

Citrix R & D,

Bangalore.

Respected sir,

I am honored to invite you to deliver expert talk on Scope of R & D in software industry for 8th Semester CS&E students on 02/05/2018 2.30-4.30 pm. We look forward to a positive confirmation.

Thanking you,

HOD,CSE

CIRCULAR

Date: 25/04/2018

An Expert Talk by Mr. Shekara M V Software Engineer, Citrix R & D, Bangalore, is arranged for 8th semester students on "Scope of R & D in software industry" on 02/05/2018, 2.30-4.30 in Admin block seminar Hall. The students are hereby informed to attend

A Proceedings of Expert Talk
On
Scope of R & D in Software Industry

By
Computer Science Department

Date and Venue:
02 May 2018, 2.30-4.30 pm, Admin Block Seminar Hall
JNN College of Engineering, Shimoga

Resource Person: Mr. Shekara M V
Software Engineer,
Citrix R & D,
Bangalore.

Participants: Students of B.E. 8th Semester

An expert talk started at 2.30 pm by introducing resource person by Mr. Jalesh Kumar, Associate Professor Department of CSE. He spoke on the contribution made by the resource person in the field of Research and Development.

Resource person explains about R & D which refers to innovative activities undertaken by corporations or governments in developing new services or products, or improving existing services or products. Research and development constitutes the first stage of development of a potential new service or the production process.

He also explains Research and development are very difficult to manage, since the defining feature of research is that the researchers do not know in advance exactly how to accomplish the desired result. As a result, higher R&D spending does not guarantee more creativity, higher profit or a greater market share. Research is the most risky financing area because both the development of an invention and its successful realization carries uncertainty including the profitability of the invention. One way entrepreneurs can reduce these uncertainties is to buy the license for a franchise, so that the know-how is already incorporated in the license.

Session concludes at 4.30 pm by encouraging students to take part in R & D activities and also answering various interesting questions from students.
