

About the Workshop

Workshop Title	Developing Android Apps with Kotlin
Probable Date	16 th and 17 th March, 2019
About:	<p>Mobile app development is one of the most profitable things you can do if you have coding skills. Top developers make as much as \$125,269 a year, and even complete beginners pull in at least \$51,000 a year. Legacy companies are looking to leverage the mobile app industry, and even enterprise software firms are turning to mobile app development to increase their profit margins. You could also go solo and make a great living as a freelance mobile developer. Freelancing is an especially good career option if you're a certified full-stack developer.</p> <p>Google Developers Certification lets you demonstrate your proficiency and skill. After you pass a certification exam, you can use your certification to promote yourself to the communities, projects, and employers that are important to you. When you pass a certification exam, you'll be featured on the official certification directory. You can include your digital mark in your email signature and embed it on sites such as LinkedIn and Twitter.</p> <p>The Associate Android Developer Exam demonstrates the type of skill that an entry-level Android Developer should have as they begin their career. By passing this performance-based exam and earning the Associate Android Developer Certification, you prove that you're competent and skilled in tasks that a developer typically performs.</p> <p><i>This workshop aims at introducing and developing of Android Apps hands-on using trending Kotlin programming language. Future Android Apps is expected to be developed in complete Kotlin.</i></p>
Target Audience	Interested and Self Motivated students preferably from Prefinal and Final year
Topics to be covered	- Android core ,User Interface, Data Management, Debugging, Testing
Prerequisite	Any object oriented programming language like C++ and/or Java
Followup	Hackathon event - run time app building event with attractive Cash Prizes and appreciation awards to be won
Outcomes	- Knowledge of Android system - Building native apps using Kotlin on Android Studio - Getting ready for Android Associate Developer certification - Able to debug and properly test Apps developed

Respected Sir,

Sub: Requisition for financial assistance for Conduction of two days workshop on
"Developing Android Apps with Kotlin".

We are planning to conduct two days workshop on 'Developing Android Apps with Kotlin' hands on, theory for students of final and pre-final year from 16th March 2019 to 17th March 2019. Mr. Chetan K. R., Assistant Professor, CSE department is the resource person to train the students.

We request you to kindly permit us to conduct the above mentioned workshop by providing financial assistance of Rs. 3420/-. The details of the proposed workshop is enclosed herewith for your kind reference.

Thanking you,

Yours Sincerely,

HOD, Dept of CSE

COSMOS Co-Ordinators

1. Mrs. Sreedevi S. 
2. Mr. Narendra Kumar S.

Respected Sir,

Sub: Requisition for transportation facility (mini bus) on 16th and 17th March 2019.

With reference to the above subject, COSMOS, CSE department forum is conducting 2 days workshop on "Developing Android Apps with Kotlin". The number of students attending this workshop is expected to be around 40. In this regard we request you to provide college mini bus for accompanying the students attending the workshop. Schedule of the transportation is required as follows.

Date	Time	From	To
16-03-2019	5.30	JNNCE	Mahaveer Circle, Shivmoga
17-03-2019	8.30	Mahaveer Circle, Shivmoga	JNNCE
17-03-2019	5.30	JNNCE	Mahaveer Circle, Shivmoga

We request you to kindly do the needful.

Thanking you,

PROCEEDING OF THE WORKSHOP

ON

“DEVELOPING ANDROID APPS WITH KOTLIN”

COSMOS 2018- 2109 hosted a Workshop on “Developing Android Apps with Kotlin” on 16.03.2019 and 17.03.2019 for pre-final year students of the department. Dr. H. R. Mahadevaswamy, Principal, JNNCE was the chief guest for the inaugural function, Mr. Chetan K. R., Assistant professor of CS&E department was the resource person for the whole workshop sessions. The event is scheduled at 09.30 am and the venue where the event is arranged at CS&E Linux lab. Number of students were present 21, this workshop is started with the welcome speech to welcome the gather by Mr. Sumukh, final year student, Dept. of CS & Chief guest and Dr. Nirmala Shivananda, HoD, Dept. of CS&E and the resource person inaugurated the function by feeding water to the plant. Chief guest, and the resource person addressed the gathering briefly about the importance of workshop and role of students in the workshop.

Resource person handled complete 2 days successfully and he focused on the content with hands on session for the following concepts Android Core and Kotlin, User Interface and Event handling with Kotlin, User Interface and Event handling with Kotlin, User Interface Management-Shared Preferences and SQL Lite and interfacing with Kotlin, Data SMS implementation using Kotlin, Working with PHP and Android and Testing and Debugging.

Session has been started by the expert, sessions are delivered very systematically and students are involved actively throughout the sessions. Session ended with Q&A and feedback. Finally On 17.03.2019 valedictory function was held at 5.00pm, HoD addressed the gathering about the workshop future steps, the workshop concluded with the vote of thanks by Mr. Narendra Kumar S., Assistant Professor, Dept. of CS&E and the event is coordinated by Mr. Sreedevi S. and Mr. Narendra Kumar S., COSMOS – 2019 coordinators.
