## AVISHKAAR-22

A STATE LEVEL TECHNICAL SYMPOSIUM  
19TH AND 20TH MAY 2022

ORGANIZED BY  
DEPARTMENT OF COMPUTER SCIENCE  
AND ENGINEERING

IN COLLABORATION  
WITH  
STATE AND UNIVERSITY LEVELS  
AND  
THE ASSOCIATION OF  
ENGINEERING COLLEGE,  
KARNATAKA

## ABOUT THE DEPARTMENT

The Computer Science and Engineering department was established in the year 2006. Since then, the department has held a position of pride in JNCCET. The Department offers B.E., and a PG course M.Tech.(CSE). Computer Science department has a Research centre recognized by Visvesvaraya Technological University (VTU) established in the year 2005. The department has well qualified, experienced and dedicated faculty to provide quality industry tuned education to the students. The Department Infrastructure fulfills the requirements of academics, supports research and learning skills on the latest technologies. Department has six laboratories equipped with high end computer systems to carry out the lab sessions, projects and research activities. Special care is taken for each student by implementing mentor scheme. Apart from central library, books are issued to students using department library facility.

## DEPARTMENT VISION

To be one of the pre-eminent departments to provide technical and knowledge based education, utilizing the potential of computer science & engineering to meet the ever changing needs of industry and society.

## DEPARTMENT MISSION

- Motivate the students to meet the emerging challenges of industry and society
- Emphasizing on research
- Effective industry interaction for the development of state of the art technological infrastructure and faculty component

## ABOUT THE EVENTS

This event is being organized to give a break to the students from the stress and frustration of pandemic and the academic pressure to showcase their various talents and compete with like-minded people for a competitive spot. Avishkaar is a two-day event where everyone will be tested for their skills and uniqueness in solving various challenges thrown at them.

## EVENTS ORGANIZED UNDER AVISHKAAR

### DAY 1 EVENTS

#### CYRPTIC MANIA

There shall be questions on puzzles, riddles, mnemonics, blood relations, cryptography decoders and other brain teasers. There will be no multiple choice questions.

#### PAPER PRESENTATION

Paper presentation is an individual or team competition where each participant is required to make a paper about a given topic or area, and then present it in front of the jury.

#### TREASURE HUNT

A Scavenger hunt is which the organizers prepare a list defining specific items, which the participants seek to gather or complete all items on the list, without googling the clues.

#### SHORT SHOTS

Short videos are usually much more engaging, dynamic and provide a higher source of entertainment, people usually prefer watching videos rather than reading lengthy paragraphs. So, here's an event where you can showcase your creativity.

## DAY 2 EVENTS

### QUIZBUZZ

The technical quiz tests your basic understanding of your respective disciplines. You'll be tested on the very fundamental concepts and it's practical applications.

### HIRING CHALLENGE

Most companies have three stages of recruitment, which often starts with an Aptitude Test, followed by a Technical Interview, and ending with an HR Interview. To experience all that we are conducting this event.

### CODE GOLF

Groups will be shortlisted based on a short technical round and then a problem statement will be provided which needs to be solved in C/C++.
