13th July 2020 – 18th July 2020

About the college

JNNCE was Established in the year 1980 by the National Education Society. JNNCE is affiliated to Visvesvaraya Technological University (VTU), Belagavi and recognized by the All India Council for Technical Education (AICTE). It offers 7 BE programs(all accredited by NBA upto 30/06/2022) and 2 M.Tech programs along with MBA and MCA. It has 7 research centers recognized by VTU. Spread over 39.4 acres caters to the needs of nearly 3750 students and 450 staff, with state-of-the-art technology back-up, well-equipped laboratories and workshops, library, hostels, playgrounds and other amenities. The college has 46 Doctorates and 56 research scholars to its credit. The college organizes international and national level workshops, conferences, seminars and short term courses on a regular basis.

About the Department

The Department of Electronics and Communication Engineering was started in the year 1980 and accredited by NBA ,New Delhi. Department has well equipped laboratories, qualified and experienced staff catering to the needs of students of UG program. The ECE department has bee recognized as research center under which 16 research scholors are pursuing Ph.D under VTU Belagavi. UG and PG students are actively involved in carrying out their projects under New Age Incubation

of Karnataka. The department has IETE and ISF forms.

Department Vision

To be a premier centre of education and research in Electronics & Communication Engineering for producing competent engineers to cater to the needs of industry and society.

Department Mission

- Impart quality education through innovative and continuous teaching learning process.
- Groom the students with required foundations of Electronics & Communication Engineering and inculcate in them the professional ethics & human values.
- Train the students and the faculty in state - of - the-art technologies and motivate them for higher studies & innovation based research for the needs of the industry and society
- Create centers of excellence in the field of Electronics & Communication Engineering in collaboration with the industries and academic organizations

About IETE

The Institution of Electronics and Telecommunication Engineers (IETE) in the national apex body of professional engineers devoted to advancements of Electronics, Telecommunications, IT and related areas. IETE serves more than 69,000 members both individual and industry organizations through its 65 centers spread all over India and abroad. The main objectives of IETE is to organize conferences, symposia, workshops

and Telecommunication Engineering and allied subjects. The 56th center of IETE was inaugurated at JNNCE on 01/03/2009.

About the FDP

LaTeX is a typesetting system which is create used to typographically sophisticated documents and to produce a customized PDF document. LaTex provides a platform to create a document with customized citation styles, bibliography list, placements of the graphs and tables. LaTeX is essential for researchers to write the research papers for publications in scientific journals. The hands-on lab sessions will be conducted on latex software. This training is useful for academic and research community.

Objectives the FDP

- To familiarize the Latex environment staring from the installation of the software.
- To introduce required commands for table creation, inserting mathematical equations figures and charts.
- To introduce creating bibliography and citing references.
- To develop a sample thesis/ dissertation and presentation document.

Department of Electronics & Communication Engineering

Hello Sir/Madam,

Greetings from E&CE, JNNCE, Shivamogga!!

Welcome to the Online National Level FDP on "Professional Documentation on Latex" from 13th to 18th July, 2020, organized by Department of Electronics and Communication Engineering, JNNCE, Shivamogga and IETE, Shivamogga Center.

Kindly keep the system updated with the following:

Required software (& package) for Hands-on:
 It is requested to all the participants to only download the required softwares through the Google drive link provided below. The installation process would be explained during the first session of the FDP.

https://drive.google.com/drive/folders/1Q0HtcOk2i7lCjzlLtXyPcBzOXExdJs73?usp=sharing

- 2. System Configuration for Training/Programming using Latex for documentation: Laptop/Desktop: (With Webcam and Microphone) Window OS 7/8/10.
- 3. Join the WhatsApp group through the link, so that information can be shared easily:

https://chat.whatsapp.com/Jv5zvA11bIwAJhAbigeKu4

4. Google meet link for daily meeting (it will remain same for all days): join the link via one device (smart phone recommended) and perform the hands on session using another device (Laptop/desktop).

One Week National Level FDP on Professional Documentation using Latex Tool

In this FDP, the installation procedure of software package related to latex documentation will be explained in detail. Then all the basic components required for developing a document (Presentation, Report/Thesis, Journal) will be explained with hands on. The workshop will be conducted online using meeting software which will be intimated shortly after registration.

Workshop Schedule

Day/Data	Session 1	Session 2
Day/Date	10:00 AM to 11:30 AM	12:00 AM to 01:30 AM
Day 1 13/07/2020	Inauguration	Installation
Day2 14/07/2020	Introduction to Latex environment	Preparing an Article, basic commands
Day 3 15/07/2020	Preparing various types of lists – bullets, numbered	Typesetting Mathematical documents
Day 4 16/07/2020	Preparing Tables	Including figures
Day 5 17/07/2020	Preparing presentations using Beamer	Preparing a model research document
Day 6 18/07/2020	Citations using BibTeX and preparation of Bibliography database
