Dear Director/Principal,
AICTE Approved Institute

The National Education Policy 2020 (NEP 2020), outlines the vision of India's new education system. The new policy replaces the previous National Policy on Education. The policy is a comprehensive framework for elementary education to higher education as well as vocational training in both rural and urban India. The policy aims to transform India's education system.

As per directions of the Ministry of Education, Every Institution should conduct one webinar/seminar on "Implementation of National Education Policy (NEP) 2020" within next two months i.e. March & April 2021.

Therefore, it is requested to organise one webinar/seminar in your institution for faculty & students. It is also possible that you might have already conducted webinar/seminar in your institute earlier but still you may conduct another one.

Hence, it is requested to please conduct one more webinar/seminar in your institution with your resources and share the date for webinar/seminar. You may also conduct more webinar/seminar if you wish and details may be furnished with following link:
