SDP on Effective document writing using \LaTeX (With Hands-on training)

Venue: M.Tech Laboratory, Dept. of ECE, JNNCE, Shivamogga.

Date: 20/04/2021

About \LaTeX :

Latex is all about producing beautiful articles containing lot of math and symbols. \LaTeX is a high-quality typesetting system; it includes features designed for the production of technical and scientific documentation. \LaTeX is the defacto standard for the communication and publication of scientific documents. \LaTeX is available as free software. Mainly hands on reference manager Mendeley. Mendeley more than just a reference manager Mendeley moves through the research process as researcher search, organizes, write, publish and share. The sessions are fully filled with tutorials giving you enough opportunity to practice and explore more. The workshop is planned and scheduled to cover adequate materials to readily start typesetting.
