Proceedings of Webinar
on
“Fundamentals of Web Application Security”

Date:
12th July 2020

Resource Person: **Mr. Harsha Bhatt**
Assistant Manager, KPMG Inc, Bengaluru

Participants: Students of B.E (CSE) 6TH semester

The Programme started with a formal welcome and introduction of the resource person **Mr. Harsha Bhatt**, Assistant Manager, KPMG Inc, Bengaluru by **Mrs. Ganavi M**, Asst. Prof, CS&E at 10.30 AM in the presence of **Dr. Poornima K M**, Prof and Head of CSE Dept. Session started with the introduction to the Web architecture with reference to a bank application followed by the possible threats and attacks on the web applications and explained how to provide security to the web applications using opensource tool **BurpSuite**. Then Mr. Harsha gave brief introduction to the statistics related to the cyber-attacks on the internet and various career opportunities in the security domain. Harsha completely had the attention of students when he was giving the insight over the changes that are going to happen in near future regarding the security aspects of the information system. The session was concluded by a Q&A slot, Followed by Thanksgiving was done by **Mr. Sandeep B**, Asst. Prof, CS&E.

Thus, webinar was successfully completed for 6th Semester students. The students were motivated and benefited by the expert.
