Proceedings of Webinar
on
"Product development life cycle"

Date:
22-12-2021

Resource Person: Mr. Vikram B L, R&D Manager (Software Development), Aptean.

Participants: 7th Semester students

The Talk began with a formal welcome note to resource person and students by Mrs. Namitha M V, Assistant Professor. Mr. Vikram started session with practical analogies about conventional software development and Agile software development life cycles. Interesting illustrations were used to explain the process and concepts. Netflix was taken as a major example for explaining development life cycle. The session was informative and engaging throughout with good amount of interaction between students and resource person. Around 90 students of 7th semester CSE attended the session. The session was concluded by Mrs. Namitha M.V, Assistant Professor by formal thanks note to resource person and participants.
