**Resource Person:** Mr. Shamanth  
Software Engineer, Tata Elxsi

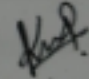

**Participants:** 6<sup>th</sup> Semester students

The Webinar began with a formal welcome note to resource person and students by our beloved HOD, Dr. Poornima K M. Mr. Shamanth started talk with practical applications of Computer graphics in real world. He introduced the tool by name "Blender" through the demonstration of models made by him. The speaker gave particular information about shading, lighting, texture and role played by these features in building the CG models. He told about various paid and open-source CG tools and their tradeoffs. The session was informative as he showcased real color arts and games built in CG. Around 115 students of 6<sup>th</sup> semester CSE attended the session. The session was concluded by Mrs. Namitha M.V, assistant professor by formal thanks note to resource person and participants.
