**Proceedings of Webinar
on
"Agile in Software Development-Insights"**

**Date:
8th July 2021**

Resource Person: Mr. Sudheer B.S
Alumni (CSE), Module Manager-Group Lead,
Siemens Technology & Services Pvt. Ltd, Bangalore.

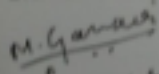

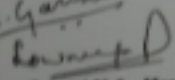

Participants: Students of B.E (CSE) 6th semester

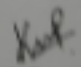

The webinar began with welcome and a brief introduction about the resource person Mr. Sudheer B.S, Alumni (CSE), Module Manager-Group Lead, Siemens Technology & Services Pvt. Ltd, Bangalore, by Mrs. Sowmya D, Asst. Prof, CS&E, JNNCE at 12.30 PM in the presence of Dr. Poonima K.M, Prof and Head, Dept. of CSE. The resource person started with the necessity of agile framework in software industry. He also talked about the difference between the existing waterfall model and agile model in software technology. The speaker said that customer is the king so agile modeling involves building a project based on the requirement of the customer.

Mr. Sudheer B.S also stressed the importance of good communication skills to students which will help their carrier in future. He informed students about various career opportunities in the area. He conducted the sessions by interacting with students by asking questions and encouraging them to answer using chat window. The session was concluded by answering queries of students, followed by thanks giving by Mrs. Ganavi M, Asst. Prof, CS&E, JNNCE.

The webinar was attended by over 108 students from 6th semester. The feedback from students points at the fact that they were inspired by Mr. Sudheer B. S and many have shown interest in attending more webinars in future. They have indicated that they were motivated and benefited by the expert.
