Inauguration:

The inauguration was held on 4th October 2021 online at 10:00 am. Chief Guest of the program was Prof. Dinanath Kholkar, Vice-President & Global Head, Analytics & Insights, TCS , Guest of Honour of the function were Prof. Anil D. Sahasrabudhe, Chairman AICTE and Mamta R Agarwal. Advisor-1 AICTE and AICTE official were also present with the participants.

Mamta R Agarwal, Advisor-I, AICTE Welcomed the everyone present online. Prof. Anil D Sahasrabudhe, Guest of Honor Chairman, AICTE Highlighted various schemes of AICTE and Implementation of NEP. Chief Guest Dinanath Kholkar, Chief Guest, Vice-President & Global Head, Tata Consultancy Services addressed the gathering and he highlighted gathering on evolving trends, disruptive technologies, changing

job scenarios, academia-industry linkage, and translating research into impactful applications. At the end Dr. Amit Dutta Deputy Director, AICTE ATAL Academy gave vote of thanks.

It was a great Initiative by ATAL Academy. I am thankful to AICTE for giving me this opportunity to conduct online FDP for faculty members of technical institute of India free of cost.

Sessions

Day-1 Session-1 : Keynote address

Speaker : Dr. Deepali Gupta

Speaker Introduced audience with how to come up with hypothesis, like Starting with Experiment, then do the Scientific Research by building customised mathematical models, then arrive at the hypothesis. Later she overviewed about what computational biology consists of like combination of Maths, Statistics, Physics and Computer science. Speaker gave thought on few of the questions Computational biology answers like Why 2 people never look same? Why some people get sick to certain circumstance while others not. Also madam introduced participants with various applications of computational biology.

Day-1 Session-2 : Introduction to Computational Biology

Speaker : Dr. Nitin Varma

Gave introduction to Origin and different applications of computational biology. He introduced participants with Various sectors where computational biology can be used. He mentioned tools available for analysing the existing data. How to approach the problems and what now exists.

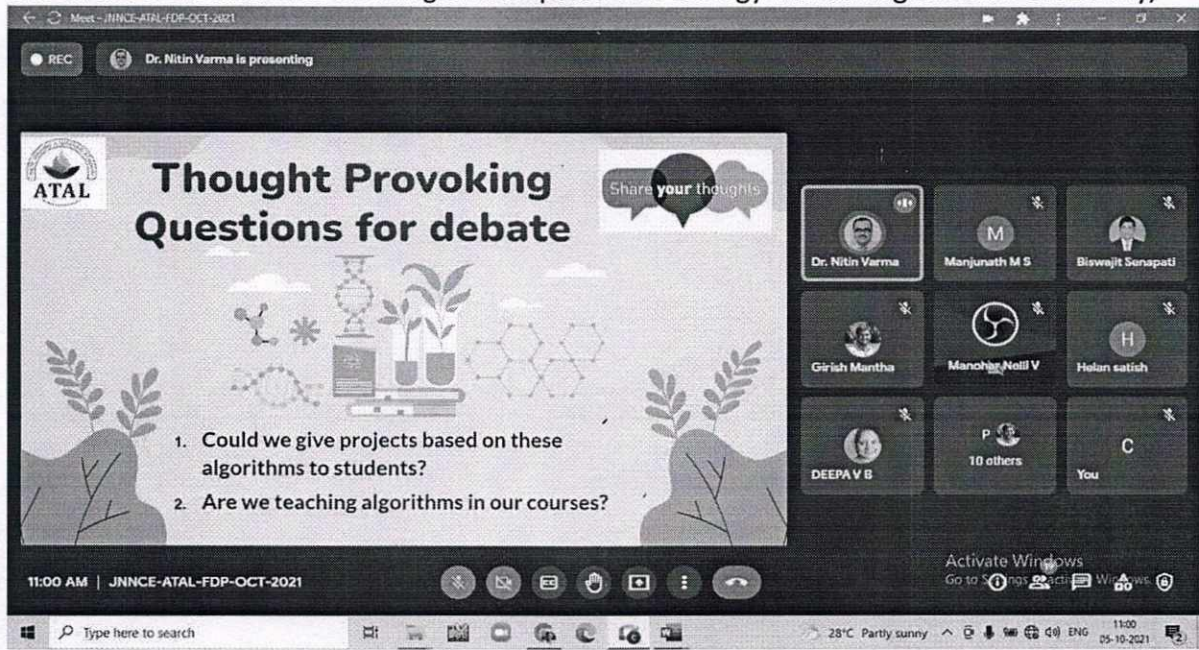

The screenshot shows a Google Meet window with a presentation slide. The slide title is "Introduction to Computational Biology". It includes the speaker's name, "Dr Nitin Varma", and contact information: "nitin.varma.iimranchi@gmail.com", "77669 07750", and a LinkedIn profile link "https://www.linkedin.com/in/nitinIIM". The slide also features the ATAL FDP 2021 logo (4-8 October 2021) and the JNNCE logo. The background of the slide depicts a scientist in a lab coat working at a computer, with a large flask and a plant. The Meet interface shows a grid of participants on the right, including Dr. Nitin Varma, Helan satish, Ashwini S. R., HEMANTH KUMAR, Shakunthala B S, Arun Kumar, and 7 others. The bottom of the screen shows the Windows taskbar with the search bar and system tray.

Day-1 Session-3 : Current Ecosystem of Computational Biology

Speaker : Dr. Nitin Varma

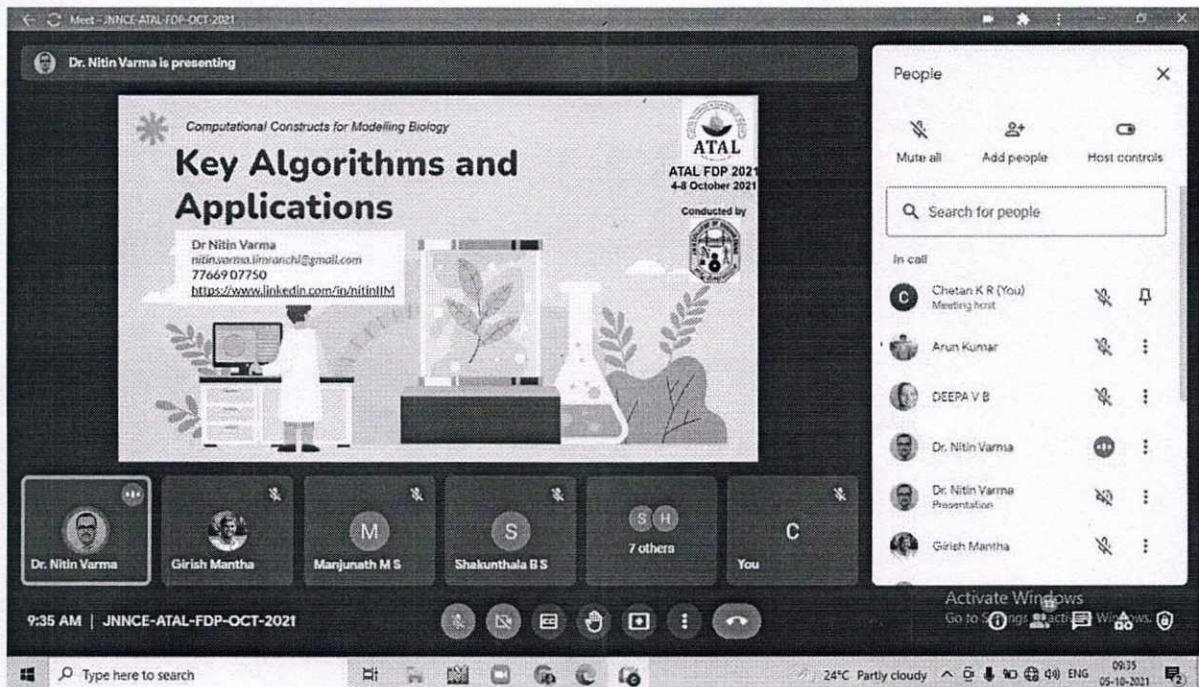

The screenshot shows a Google Meet window with a presentation slide. The slide title is "Current Ecosystem of Computational Biology". It includes the speaker's name, "Dr Nitin Varma", and contact information: "nitin.varma.iimranchi@gmail.com", "77669 07750", and a LinkedIn profile link "https://www.linkedin.com/in/nitinIIM". The slide also features the ATAL FDP 2021 logo (4-8 October 2021) and the JNNCE logo. The background of the slide depicts a scientist in a lab coat working at a computer, with a large flask and a plant. The Meet interface shows a grid of participants at the bottom, including Dr. Nitin, Chetan, V, Arun, Narendraku..., Rajashree, VISHWAS, Santhosh, You, HEMANTH, Manjunath, SHARATH K..., Helan, and Ashwini. The bottom of the screen shows the Windows taskbar with the search bar and system tray.

Shown different institutes working on Computational Biology like Camegle Melon University,

Harvard, MIT, Cambridge, Stanford University etc. Also Indian universities like IIT Kanpur, IIT Jodhpur, Kasturba University etc. Attitude towards learning new things. Existing landscape of Computational biology – India and Globally Education Research and Labs Attitude Shift

Day-2 Session-1 : Key Algorithms and Applications
Speaker : Dr. Nitin Varma

Relations between Biological concepts and Computer Science concepts. Codon and Anticodons and how they are generated, RNA and mRNA mutations. Biological and Computer Networks. DNA Replication Algorithms. Various Algorithmic types.

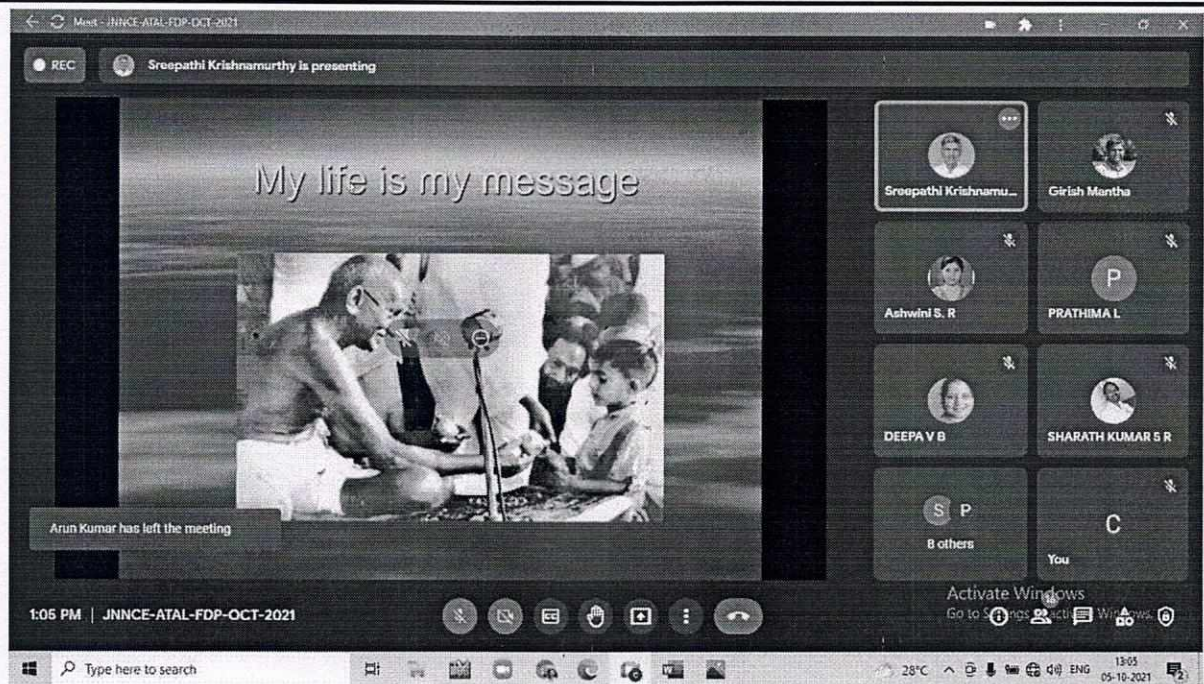

Day-2 Session-2 : Climate Change and Gandhian Philosophy

Speaker : Dr. L K Sreepathi

The screenshot shows a Zoom meeting interface. The main window displays a presentation slide with the following text: "Climate Change and Gandhian Philosophy", "Rise Your Voice; not the Sea Level", and "By Dr. Sreepathi L.K., President, Shimoga District Unit, Karnataka Rajya Vijnana Parishath, Shimoga". The meeting title is "Meet - JNNCE-ATAL-FDP-OCT-2021". The time is 11:52 AM. The Windows taskbar is visible at the bottom, showing the search bar and system tray with the date 05-10-2021 and time 11:52.

Dr sreepathi LK, started with how Disruption of Natural Cycles due to human activities, Various calamities happening. What is special about mother earth? Causes of Global Warming and there understanding. Evidences of Global Warming. Impact of Climate Change. Gandhian Philosophy a solution for Climate Change. Life lessons from Gandhi about how we should live and What is solutions. Concluded with Seven Sins of Humanity told by Gandhi.

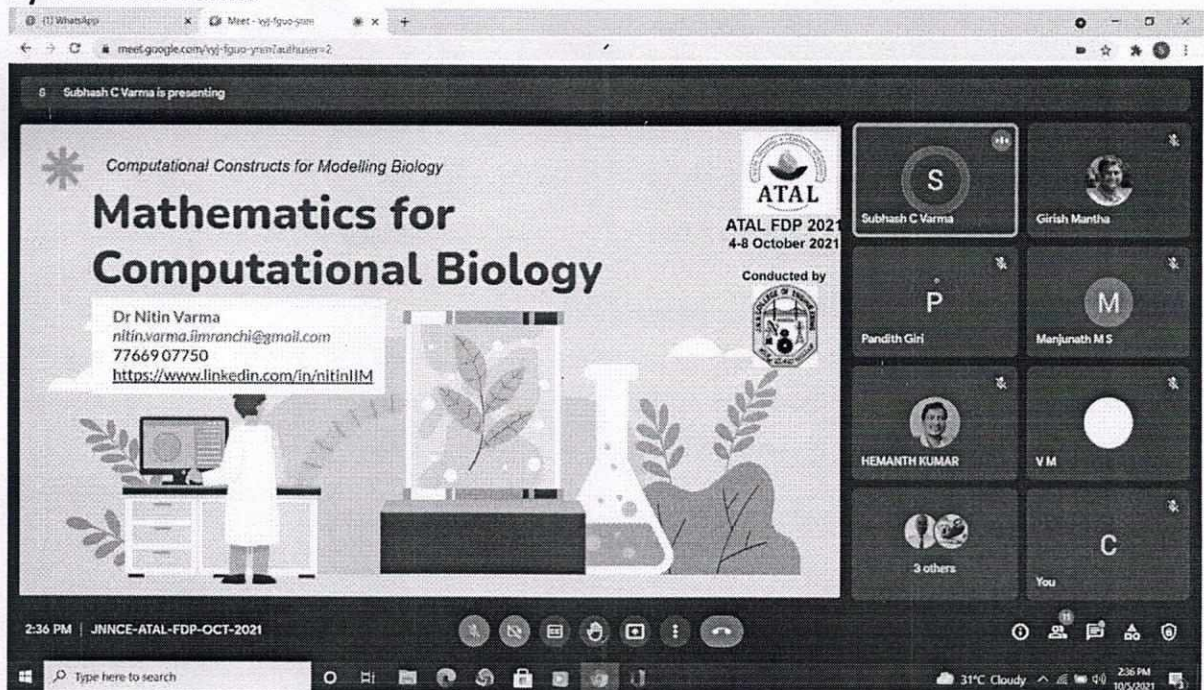

The screenshot shows a Zoom meeting interface. The main window displays a presentation slide with the following text: "Khadi and Village Industries are the backbone of our country". Below the text is a photograph of a spinning circle with the text "BADANVAL SPINNING CIRCLE" and Kannada text above it. The meeting title is "Meet - JNNCE-ATAL-FDP-OCT-2021". The time is 1:15 PM. The Windows taskbar is visible at the bottom, showing the search bar and system tray with the date 05-10-2021 and time 1:15.

Day-2 Session-3

Topic : Mathematics for Computational Biology

By : Dr. Nitin Varma

Mathematics Toolkit, Stochastic Process

Day-3 Session-1

Topic : Software Resource for Computational Biology

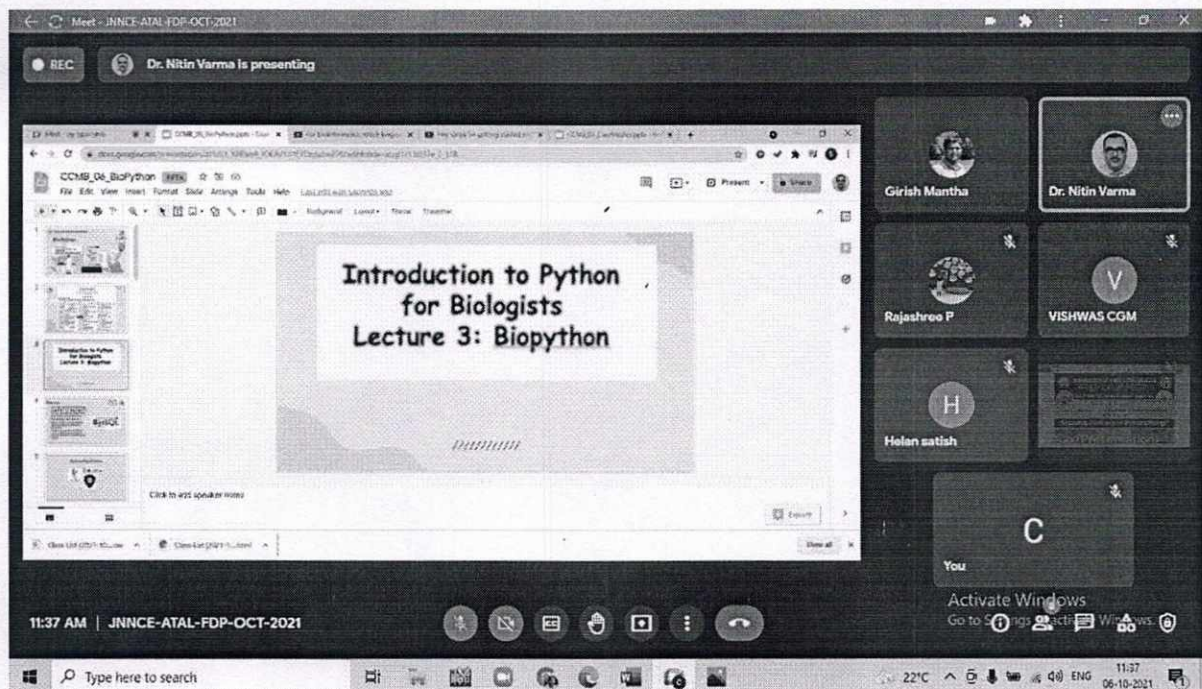

Encyclopaedia of DNA. ENCODE Resources for collecting DNA. Software tools like MEGA,

Day-3 Session-2

Topic : Introduction to Python for Biologists (Bio Python)

Tutorial for using Bio-Python for programmers. Various methods for Manipulating gene sequences. Gen Bank, BLAST results.

Day-3 Session-3

Topic : Case studies in Bio-Python

Covid-19 Case study using Bio-Python and R Language. Protein Analysis of Covid-19 Using Bio-Python.

Appendix A: Profile of Resource Persons

Dr. Deepali Gupta

deepaliramangupta@gmail.com

Prof. (Dr.) Deepali Gupta is currently working as **Professor Research in Chitkara University Research and Innovation Network (CURIN)** at Chitkara University, Punjab, India.

Dr Deepali Gupta specializes in software engineering, cloud computing and genetic algorithms. She has worked with undergraduate, postgraduate students as well as research scholars throughout

her career and plans to continue to involve students in her research and is eager to participate in projects and guide independent student's research.

She has published more than **120 research papers** in national & international journals and conferences (Scopus and SCI indexed). She has also filed **25 patents** out of which 08 are published. Based on these areas she has guided many PhD and ME scholars. Dr Deepali has worked at various administrative positions like Principal, Head(CSE), Dean Academics, IBM (Spoc), Remote Centre Coordinator (IITB), Coordinator for IITB Spoken Tutorial, Executive Committee Member in Computer Science Division of Haryana State Centre(IEI), President Sangam Kala Group(Kurukshetra, Mohali and Chandigarh Chapter), Member of Anti-Ragging Committee, Academic Council, Faculty of Engineering and Technology, Board of Management, Chairman SC/ST Cell of MMU, Sadopur and Principal(MMGI, Sadopur).

Her fields of interest include Software Engineering, Cloud Computing, Machine Learning and BlockChain. **She has received Research Excellence Awards for patent filling and publications in the year 2020 and 2021 as well.**

She has also received **certificate of appreciation** on 15 September, 2021 from "The Institution of Engineers (India), Haryana State Centre" acknowledging her valuable technical contribution rendered to the nation as a Tech Samaritan during COVID-19 Pandemic and reaffirming the credence of the profession of engineering on the occasion of 54th Engineers' Day Celebration.

She is an active member of various professional bodies like IEI (India), IETE, ISTE etc. apart from being Editor-in-chief of MMU journal, she is an editorial board member and reviewer of various reputed journals.

Dr. Nitin Varma

nitin.varma.iimranchi@gmail.com

Dr. Nitin Varma is a techno-management corporate person who has lived and worked across cultures around the globe. Been blind-peer reviewed and vetted internationally, been a winner of an International Innovation Award in Europe (40 + country participants), been twice finalist of the same - winner of several National awards.

Management Areas: Analytics | Strategy | Marketing | Finance | HR

Technology Areas: Computational Biology | Quantum Computing | Data Science | Analytics | Artificial Intelligence

Domains: Smart Cities | Start-ups | Education | Research & Writing | Entrepreneurship

It has been 27+ years since Dr. Nitin completed B.Tech.(N.I.T. Kurukshetra).

Dr. Nitin is also Ph.D. (IIM Ranchi, full time -Analytics & Information Systems) and PGDM (SPJIMR, Mumbai: 2 Years Full-time equiv. MBA). Dr. Nitin has been a Certified Project Management Professional PMI-PMP (USA, 2009) and also is Six Sigma Certified (KPMG 2013).

Dr. Nitin is has also been the CEO and Founder of a US based startup, lived in the US (was an EAD Green Card) and worked on IT Consulting & Marketing in the US- including for projects of strategic US Government interest (Smart Cities / Smart Transportation Systems / IoTs) and also with Fortune 500s, before returning to India.

Dr. Nitin has been on the Editorial board of the Indian Express Group publication, hosted discussions including with Fortune 500 leaders through the Silicon Valley Entrepreneurship Association(Bay Area, California USA), taught in Europe + Indian Institutes, has been a speaker@the Bombay Stock Exchange, has trained scientists from DRDO and other

Government organizations, has published articles in ABDC journals and has filed patents. Dr. Nitin always had great interest in biology since childhood, and now that Dr. Nitin is on the threshold of Data Science and Analytics, Dr. Nitin has been helping others to best approach Computational Biology.

Dr. Sreepathi L K
(sreepathi.lk@gmail.com)

Born and brought up in a small village Lingadhahally, Chikkamagalure Dist. Sreepathi did BE. (Mechanical) at SIT, Tumkur and perused M.Tech and Ph.D programmes at IIT Bombay from 1988 to 1994 in the area of thermal and fluids engineering. He has worked as a Professor, in the dept. of Mech. Engg, JNN college of Engg., Shimoga from 1994 till 2019 and retired as a Vice Principal of JNN College of Engg Shivamogga.

He has carried out several research projects funded by CSIR, MNES, AICTE, KSBDB etc. His areas of interests are bio fuel conversion, green architecture, solar energy, Rain water harvesting, Science education etc. He has installed biomass gasifier and Biodiesel plants in the college with funding from Govt. agencies and has published 38 papers in journals and conference proceedings. He is the coordinator of the "Chirantana Green Technology Center" and "District Bio fuel Information and Demonstration Center" of the college. The centers are actively involved in promoting renewable energy devices, bio fuels, rain water harvesting, sustainable and eco friendly life style among school/college students and general public since eight years. The center has the credit of developing Roof water filter, Bio filter for domestic water purification", Waste plastic to oil Unit, Bio Diesel by products like, Soaps, Hand wash, Floor Cleaner etc.

He was the member of advisory committee on "Green Campus-Central Univ. Karnataka, Gulbarga. He is the Chairman for local area committee of Pollution Control Board for Bhadravathi Industrial cluster. He is the coordinator for conducting INSPIRE Internship camp at JNNCE, Shimoga since 2010 and also a DST enlisted mentor for INSPIRE scheme. INSPIRE is scheme initiated by Dept. of Science and Technology to promote research zeal among talented youth. He was invited as an observer for 8 th National Teachers science congress held at IISER, Pune in Dec 2015.

He has written booklets on "House and Rain water harvesting" "Roof water Harvesting", "Solar Water Heater", "Solar Photovoltaic Cells", "Renewable Energy Sources", "Sustainable energy Technologies for Malnad Region" and a play on 'Water Harvesting' in Kannada language. His other interests are cycling, trekking and farming. In 2012, he has been awarded "Suryamitra" by Selco Solar lights co. Bangalore He has been honored with "Life time Achievement Award" by his institution in the year 2017. He is residing in an eco-friendly house "Vibha" along with his wife Mamatha and son Vishakha. The house has rain water harvesting system, solar power supply, passive cooling techniques, kitchen waste gas plant, liquid waste recycling systems. The house has been featured in Discovery, National Geographic and other TV channels as well as print media.

AICTE Training and Learning (ATAL) Academy, (Online FDP)

F. No. 2-23/AICTE/ATAL-HQ/2021-22/1979

Date: 24th September, 2021

To

The Principal,
JNN College of Engineering
Navule,
Savlanaga Road,
SHIVAMOGGA - 577 204

Sub: Release of a sum of Rs.93,000/- for AICTE Training and Learning (ATAL) Academy Online FDP.

Sir,

This is to convey the sanction of the Council for payment of Rs. 93,000 /- (Rupees Ninety -Three Thousand Only) for conducting of online AICTE Training and Learning (ATAL) Academy FDP (COMPUTING CONSTRUCTS FOR MODELLING BIOLOGY) to JNN COLLEGE OF ENGINEERING, SHIVAMOGGA, under AICTE Training And Learning (ATAL) Academy.

This fund is being released in conformity with the terms & conditions as well as norms of the scheme as already communicated, and also being communicated in this letter.

The instructions/guidelines to be followed by University/Institution

I. Release of funds and maintenance of accounts

- The University/College/Institute shall maintain proper accounts of the expenditure out of the grants, which shall be utilized only on approved items of expenditure.
- The cost for conducting per programme will be Rs. 93,000/- as per detail given as under:

1.	Honorarium to Coordinator	Rs. 10,000/-
2.	Honorarium for Computer Operator	Rs. 2,000/-
3.	Honorarium for experts (Rs.5000 per session for total 14 session)	Rs. 70,000/-
4.	Provision for payment to Lab Attendant	Rs. 1,000/-
5.	Miscellaneous charges (petty expenses not covered above)	Rs. 10,000/-
	TOTAL	Rs. 93,000/-

Programmes having permission to change amounts under different heads with overall ceiling of Rs. 0.93 lakh being intact.

- The grant is subject to the adjustment on the basis of Utilization Certificate in the prescribed proforma to be submitted by the University/College/Institution. Further, the accounts of the institute will be open for test check by the Council or Controller & Auditor General of India or any other officer designated by them.

II. Disbursement of funds to institutions

The full amount of the grant sanctioned will be released as an advance to the University/Institute through electronic transfer on the account of the University/Institute after submission of mandate form

III. Conduct of test and issuance of certificate

- A test shall be conducted by coordinator at the end of the program.
- The certificates shall be issued to those participants who have been approved by the coordinator, attended the program with minimum 80% of attendance and scored minimum 60% marks in the test.

IV. Submission of documents by university/institution

- a. The following mandatory relevant documents are required to be submitted by the university/institution within one month of the completion of the program: -
- (i) List of candidates who have successfully completed the program on the basis of the test conducted by Program Coordinator.
 - (ii) A program completion report along with photographs, videos, media report is to be sent after the completion of workshop along with the list of participants and Utilization Certificate, Expenditure Statement etc., within one month of conduct of AICTE Training and Learning (ATAL) Academy programme.
- b. The amount of the grant shall be adjusted on submission of utilization certificate & detailed expenditure statement by University/Institution. On receipt of these documents, the total amount of financial assistance, admissible as per the norms, shall be worked out and grant-in-aid shall be adjusted.

V. General Instructions

- a. **Maximum 200 participants** may be allowed to attend online FDP. Coordinators are free to admit a smaller number of participants depending on the feasibility.
- b. A test has to be conducted (may be online) on the last day and those who score more than 60% will be termed as successful candidates. Those who have attendance 80% or more and also score more than 60% in the test will be issued a digital certificate.
- c. These online sessions are to be recorded as the facility is available on the software which is being used for online delivery of FDP. You are also requested to upload recording on youtube of google drive and share recording link of sessions with AICTE.
- d. **Eligibility for Participants:**
- (i) The faculty members of the AICTE approved institutions, Research scholars, PG Scholars, participants from Government, Industry (Bureaucrats/ Technicians/ Participants from Industry etc.)/ School Teachers and staff of host institutions.
 - (ii) Not more than 30% from Host Institution
- e. If programme is not conducted in the financial year 2021 only, the released amount has to be returned back to AICTE.
- f. Any extra money required to complete the programme must be borne by the institute from their own resources but the quality of the activities should not be compromised.
- g. FDP title name, name of coordinator, Institute name is not allowed to change without permission, however scheduled dates may be changed with information to ATAL Academy cell and Regional Office.

This Sanction Order may be treated as Offer Letter for all purposes.
