Subject: Requisition to issue permission to conduct **Partial Delivery** of lecture by Industry Professional for 3rd sem students on **6-01-2022**

Respected Sir,

With respect to the subject cited above, on behalf of Dept of ECE, we have planned a partial delivery of lecture by our alumni **Mr. Sanjay A.C** on the subject Electronic Devices for the third semester students. Mr. Sanjay A.C is working as VLSI Analog Layout Engineer at Cadence Design Systems. Mr. Sanjay will deliver a lecture on **Integrated Circuit Fabrication** which is a part of the curriculum and it will help the students to have an industry exposure and also to gain knowledge in the layout and fabrication methods.

So we kindly request you to sanction the permission to carry out the event and do the needful.

Further, kindly sanction Rs.1500 as the honorarium for the resource person.

Thanking You,

Your's Sincerely,

Forwarded

Nalina

An Invited Lecture under theme Partial Delivery of Curriculum by Industry Professionals

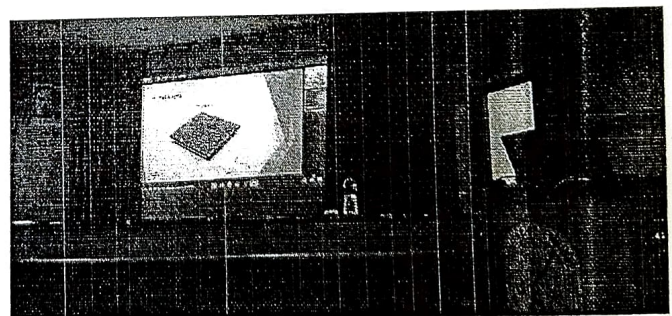

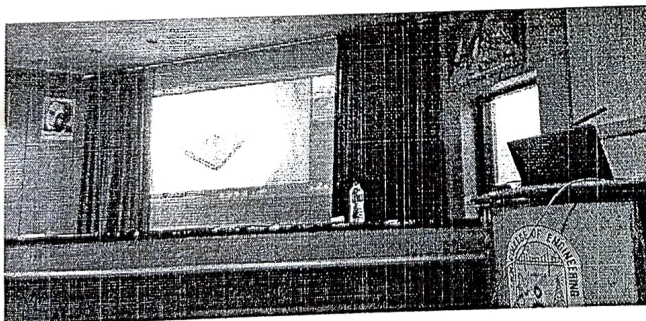

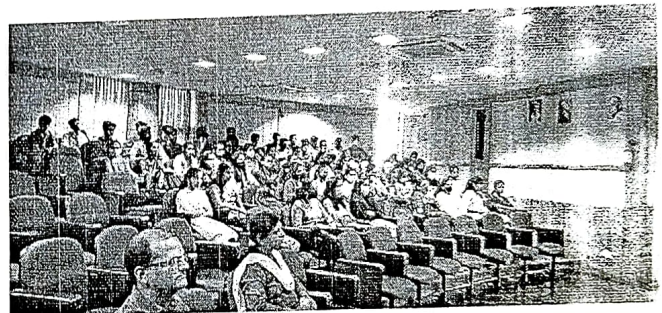

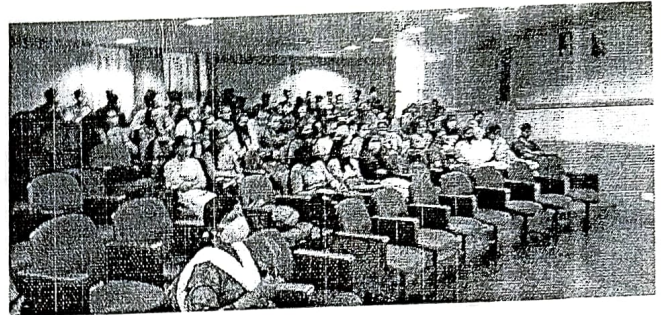

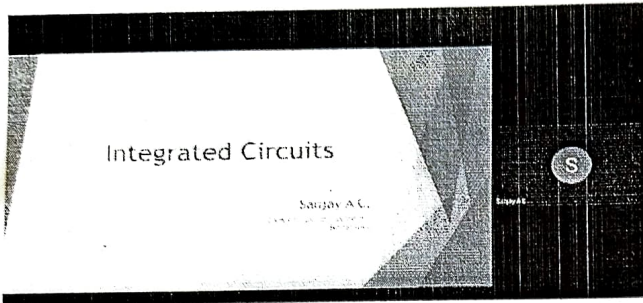

Topic: Integrated Circuit Fabrication

by

Mr. Sanjay A.C

VLSI Analog layout Engineer, Cadence Design Systems, Bangalore.

Venue: Seminar Hall (Ad block) , JNNCE, Shivamogga. Date: 06/01/2022 at 03:00 PM to 04:00 PM

Outcomes:

The resource person is our alumni Mr Sanjay se working as design engineer in VLSI analog layout field at Cadence Design Systems, Bangalore. He delivered a lecture on working principle of electronic devices and advances in FET manufacturing process. This topic of discussion is included in module 4 and 5 of the syllabus 18EC33. The session was very useful, and students got benefited and has got an industrial exposure. As this program will help the students in their academic as well as it will be one of the important activities under NBA accreditation program.

Number of participants: 70

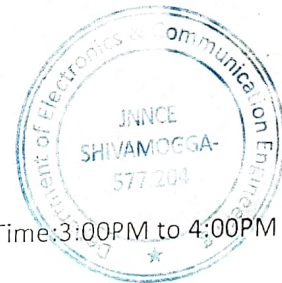

Date: 06/01/2022

An Invited Lecture under theme Partial Delivery of Curriculum by Industry Professionals
