About the Department

The Department of Electronics & Communication Engineering was started in the year 1980. Department has well-equipped laboratories, qualified and experienced staff to cater to the needs of students of the UG program. The ECE department has been accredited by NBA, New Delhi and recognized as a research center under which 22 research scholars are pursuing Ph.D. under VTU Belgaum. UG students are actively involved in carrying out their projects at New Age Incubation Network and NewGen IEDC. The department manages Institute of Electronics and Telecommunication Engineers (IETE), Shivamogga center and has IETE student forum. IETE is a national apex body of professional engineers devoted to advancements in Electronics, Telecommunications, IT, and allied areas. The 56th center of IETE was inaugurated at Jawaharlal Nehru National College of Engineering Shivamogga on 1st March 2009.

Department Vision

To be a premier centre of education and research in Electronics & Communication Engineering for producing competent engineers to cater to the needs of industry and society.

Department Mission

- Impart quality education through innovative and continuous teaching-learning process
- Groom the students with required foundations of Electronics & Communication Engineering and inculcate in them the professional ethics & human values.
- Train the students and the faculty in state-of-the-art technologies and motivate them for higher studies & innovation-based research for

About the Event

This event is being organised to give a break to the students from the stress and frustration of pandemic and to showcase their various talents and compete with like-minded people for a competitive spot!
