MEMORANDUM OF UNDERSTANDING
Between
SORGEN SYSTEMS HYDERABAD AND
Jawaharlal Nehru National College of Engineering,

Shimoga, SORGEN SYSTEMS, Hyderabad a private limited company registered under Companies act, 1956 (No 1 of 1956) and having its registered office at Hyderabad, Telangana 500085, INDIA (hereinafter referred to as "SORGEN SYSTEMS", which expression shall unless repugnant to the context

(Principal)
Jawaharlal Nehru National College
of Engineering, Shivamogga

or meaning thereof, includes its group companies and related companies limiting to its executors, administrators, successors and permitted assigns), represented by Mr. Venugopal Reddy, Managing director.

Jawaharlal Nehru National College of Engineering (JNNCE), Shimoga, Savalanga Road, Navule - 577204, managed by National Education Society (NES) ®, Shimoga, recognized by AICTE, and affiliated to Visveshvaraya Technological University (VTU) Belgaum and (hereinafter referred to as JNNCE, Shimoga, which expression shall unless repugnant to the context or meaning thereof, includes its executors, administrators, successors and permitted assigns), represented by **Dr. H.R. Mahadevaswamy, Principal, Jawaharlal Nehru National College of Engineering (JNNCE), Shimoga - 577204.**

(SORGEN SYSTEMS and JNNCE, Shimoga hereinafter individually referred to as "Party" and collectively as "Parties").

WHEREAS, SORGEN SYSTEMS is in the business of the development of Embedded system, VLSI designing and system solutions & services and is interested in growing a design and development competence centre in India;

WHEREAS, JNNCE, Shimoga is a well reputed technical institute, which was established in the year 1980 started with four courses leading to Bachelor of Engineering in Civil, Mechanical and Electrical & Electronics Engineering, Electronics and Communication Engineering and is now offering undergraduate degree courses in 7 disciplines. In addition to, it also runs postgraduates programs in 7 engineering disciplines, besides MBA and MCA Courses. It has also been recognized as Research Centre in Civil, Mechanical, Electrical, Electronics, Computer Science, Chemistry, (Physics), MBA departments by VTU. The Institute is affiliated to VTU, Belgaum which has granted permanent affiliation to JNNCE, Shimoga. The JNNCE, Shimoga is recognized by AICTE, New Delhi. Spread over 52 acres, the campus has all the amenities to cater to the needs of about 3500 students and 400 faculty and staff.

WHEREAS, the Parties are interested in cooperating by means of sponsorship of certain technical events, Internship for undergraduate and postgraduate students, support for collaborative post graduate programs, sponsorship to employees of SORGEN SYSTEMS for post graduate programs, collaborative research work in the areas relevant to SORGEN SYSTEMS especially in the area as mentioned in Annexure 4. The general obligations of the parties are more specifically described in Article 1.

The work carried out by JNNCE, Shimoga, in association with SORGEN SYSTEMS for the programs as detailed in the Article 1, hereinafter referred to as, "joint program or joint work. Foreground created during the Program by one

or more employee of SORGEN SYSTEMS and / or by one or more students sponsored by SORGEN SYSTEMS and/or one or more JNNCE, Shimoga faculty members in the framework of the joint program or joint work shall exclusively vest in SORGEN SYSTEMS, and to the extent necessary, shall be transferred to SORGEN SYSTEMS forthwith after the creation of such foreground. In respect of inventions as part of the foreground, SORGEN SYSTEMS can file the patent application in such countries it may choose, while explicitly mentioning in the patent applications the name of the inventor(s) subject to section 39 of the Indian Patents Act, 1970. The intellectual property rights are detailed in the Article 2.

These agreements also refer Article 3 to Article 11 as given in this document and are applicable to this MOU.

This agreement is valid till as defined in annexure 4 and can be extended after mutual discussion & amended in annexure 4.

THEREFORE, PARTIES HERE TO NOW AGREE AS FOLLOWS:

ARTICLE 1
General responsibilities of SORGEN SYSTEMS:

1.1 Resource Person from SORGEN SYSTEMS : SORGEN SYSTEMS experts shall support JNNCE in terms of giving Technical Talks / workshops on latest Technologies (VLSI chip design, Embedded system and Industrial IoT) as mentioned in Annexure 4 of duration of 1day to 2 days

1.2 Internship: During the term of this agreement, SORGEN SYSTEMS can provide internship to candidates for M.Tech program and students of undergraduate programs for each year. For each year JNNCE will provide necessary merit list to SORGEN SYSTEMS and SORGEN SYSTEMS will conduct interview/test on the students before offering Internship.

Where applicable and at the discretion of SORGEN SYSTEMS, interns selected by SORGEN SYSTEMS can be paid a consolidated sum for each student who is pursuing the PG Courses and UG Courses which shall be mutually decided between the Parties in a separate Work Order.

1.3 Development of Curriculum Lab for PG/UG Courses: SORGEN SYSTEMS will assist in providing necessary technical support to JNNCE, Shimoga for developing a curriculum and setting up a lab for PG/UG Course especially in the expertise and competencies of SORGEN SYSTEMS. It is the responsibility of JNNCE, Shimoga to obtain all

permissions as required under law for doing the same and no financial support will be rendered by SORGEN SYSTEMS.

1.4 UG PG projects: During the term of this agreement, SORGEN SYSTEMS can provide projects during their final year to candidates of M.Tech program and students of undergraduate programs for each year in the area of work of SORGEN SYSTEMS.

1.5 Sponsoring of Technical Events: As and when JNNCE, Shimoga makes a request for sponsoring a technical events viz. Seminars, Conferences. Workshops, SORGEN SYSTEMS can provide necessary logistic i.e. providing technical support to carry out the event. If desired SORGEN SYSTEMS can extend financial support to JNNCE.

1.6 Campus Placement: SORGEN SYSTEMS can participate in JNNCE Campus placements for UG/PG students

1.7 Research & Consultancy : JNNCE, Shimoga carry out the consultancy work in the area relevant to SORGEN SYSTEMS, viz areas as decided by SORGEN SYSTEMS, selection of project associates and remuneration will be mutually agreed on case by case. Consultancy area could be Proof of concepts work, consultancy from SORGEN SYSTEMS to JNNCE based on the expertise available @JNNCE.

1.8 Competency Center : SORGEN SYSTEMS can set up Labs @JNNCE in the area of emerging technologies interest to SORGEN SYSTEMS and to start within the technologies as mentioned in the Annexure 4

1.9 Incubation Center: SORGEN SYSTEMS can support JNNCE for Incubation of ideas of Faculty and students relevant to SORGEN SYSTEMS to support the incubation centre.

General Obligations of JNNCE, Shimoga:

1.10 Internship: JNNCE, Shimoga will provide necessary **merit list of** SORGEN SYSTEMS to select candidates for Internship. In the event of necessity, JNNCE, Shimoga will also support SORGEN SYSTEMS in conducting Interview/test for selecting the students for internship.

1.11 Admission to PG Courses: JNNCE, Shimoga undertakes to admit one eligible employee of SORGEN SYSTEMS (if this is of interest to SORGEN SYSTEMS) and SORGEN SYSTEMS employee should attend PGCET prescribed by VTU for each academic year starting from 2016 to pursue their PG Course. However every candidate selected under this agreement shall be qualified and have passed the PGCET irrespective of

the rank obtained Discipline of PG Course will be decided by SORGEN SYSTEMS while sponsoring the employees. Necessary course fees will be paid by SORGEN SYSTEMS. Also SORGEN SYSTEMS employees can pursue PhD program at JNNCE and this is as per VTU guidelines & process.

1.12 JNNCE, Shimoga carry out the research work in the area relevant to SORGEN SYSTEMS, viz areas as decided by SORGEN SYSTEMS, selection of project associates and remuneration will be mutually agreed on case by case.

ARTICLE 2

INTELLECTUAL PROPERTY RIGHTS

2.1 For the purpose of this Article 2 the following definitions will apply:

2.2 "Affiliates(s)" shall mean any one or more business entities (i) owned or controlled by SORGEN SYSTEMS , (ii) owning or controlling SORGEN SYSTEMS or (iii) owned or controlled by the business entity owning or controlling SORGEN SYSTEMS , at the material time. For the purposes of this definition a business entity shall be deemed to own and/or to control another entity if more than 50% (fifty per cent) of the voting stock of the latter business entity, ordinarily entitled to vote in the election of directors (or, if there is no such stock, more than 50% (fifty per cent) of the ownership of or control in the latter business entity) is held by the owning and/or controlling business entity"

2.3 "Information" means drawings, specifications, photographs, samples, models, processes, procedures, instructions, reports, papers, correspondence and any other technical or commercial information, data and documents of any kind, and including oral information if confirmed in writing within 30 days after the disclosure thereof, but excluding any Intellectual Property Rights pertaining thereto.

2.4 "Intellectual Property Rights" means patents, petty patents, utility models, design patents (both registered and unregistered), design rights, copyrights, know-how and any other form of intellectual property right protection afforded by law to inventions, designs or technical information, and applications therefore

2.5 "Background Intellectual Property Rights" means Intellectual Property Rights (not being Foreground Intellectual Property Rights) which at the date hereof are or during the continuance of the Program comes into the ownership or control of a Party or any of its Affiliates companies and

under which such Party is free to grant licenses without the consent or need to account to any third Party.

2.6 "Background" means Background Information and Background Intellectual Property Rights.

2.7 "Foreground Information" means such information, whether scientific or technical, as is generated by a Party and/or one more SORGEN SYSTEMS sponsored students in the framework of the Program.

2.8 "Foreground Intellectual Property Rights" means such Intellectual Property Right as are generated by a Party and/or one or more SORGEN SYSTEMS sponsored students in the framework of the Program.

2.9 "Foreground" means Foreground Information and Foreground Intellectual Property Rights.

2.10 Both Parties will provide necessary Background to the Program and that both Parties agree that it is required to enable the other Party to carry out the Program, such Background to be described in accordance with Annex 2. For the avoidance of doubt, it is stated that all Background used in the execution of the Program shall remain the property of the Party providing the same.

Foreground created during the Program by one or more employee of SORGEN SYSTEMS and / or by one or more students sponsored by SORGEN SYSTEMS and / or one or more JNNCE, Shimoga faculty members in the framework of the joint program or joint work shall exclusively vest in SORGEN SYSTEMS, and to the extent necessary, shall be transferred to SORGEN SYSTEMS forthwith after the creation of such Foreground. In respect of inventions as part of the Foreground, SORGEN SYSTEMS shall file the patent application in such countries it may choose, while explicitly mentioning in the patent applications the name of the inventor(s) subject to section 39 of the Indian Patents Act, 1970. Any other Intellectual Property that has been created under this program shall be assigned to SORGEN SYSTEMS by JNNCE, Shimoga and any individual associated under this Agreement.

2.11 JNNCE, Shimoga shall nominate a Program co-coordinator who will sign the Non-Disclosure Agreement and also shall arrange that each and every student participating in the internship or joint work signs the Non-Disclosure Agreement as attached hereto in Annex 3.

ARTICLE 3

CONFIDENTIALITY

3.1 Any Information disclosed by SORGEN SYSTEMS to JNNCE, Shimoga and/or to any SORGEN SYSTEMS sponsored or other non-sponsored students participating in the Program, relating to the Program, is confidential and proprietary information ("Information") and is subject to the confidentiality provisions of this Agreement.

3.2 Subject to Article 4 (Publication) below, both Parties agree to keep Information including SORGEN SYSTEMS proprietary software made accessible for projects in confidence and not to disclose it to third parties. Both Parties further agree not to use Information in any way other than performing its obligations pursuant to this Agreement.

3.3 Both Parties undertake to protect Information with at least the same degree of care used to protect its own proprietary Information against disclosure, replication, unauthorized use, copying or misappropriation and shall make the JNNCE, Shimoga Program Coordinator responsible for monitoring this compliance with such duties of protection of the Information.

3.4 Promptly at the termination or expiration of this Agreement, JNNCE, Shimoga shall submit all Information to SORGEN SYSTEMS and / or where appropriate, shall destroy or erase Information such that JNNCE, Shimoga retains no copies thereof (in whatever form, including electronic) and no written materials relating to the specifications or content of the materials supplied by SORGEN SYSTEMS to the Program.

3.5 The confidentiality provisions of this Agreement shall not apply to any Information which:
   a) As shown by reasonably documented proof was received by the Parties in good faith from a third party not subject to a confidentiality obligation to either Party;
   b) As shown by reasonably documented proof was in the other Party's possession prior to receipt thereof from the other Part;
   c) Now is or later has become publicly known through no breach of confidentiality obligation by other Parties.
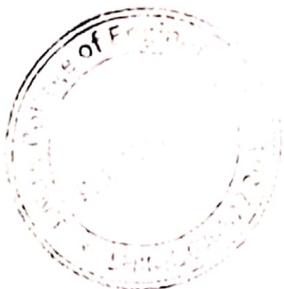

ARTICLE 4

PUBLICATIONS

Notwithstanding the provisions of Clause 4 above. SORGEN SYSTEMS recognizes that members of JNNCE, Shimoga staff and/or SORGEN SYSTEMS sponsored students participating in the Program may wish to publish the existence of the Program in the academic press and or academic meetings or symposia. Any such publication or disclosure may only be made after the written consent of SORGEN SYSTEMS has been obtained. SORGEN SYSTEMS will have the right to require a delay of such publication or disclosure in order to protect SORGEN SYSTEMS commercial interest.

Such consented publications or disclosures will carry an acknowledgement of the financial support of SORGEN SYSTEMS unless waived in writing by SORGEN SYSTEMS.

ARTICLE 5

DURATION

5.1 This Agreement shall become into full force and effect on the date as mentioned in the Annexure 3, signing hereof by duly authorized representatives of both Parties and shall thereafter remain in effect, SORGEN SYSTEMS employees admitted to post graduate courses in JNNCE, Shimoga, unless extended by both the parties in writing, prior to the expiration of this agreement. SORGEN SYSTEMS reserves its right to terminate this agreement by giving 30 days notice during the tenure of this agreement.

5.2 If either Party materially fails to perform or violates any obligation pursuant to this Agreement, then, upon thirty (30) days written notice to the breaching Party specifying such default, the non-breaching Party, may terminate or suspend this Agreement, without liability, unless the breach specified in a notice has been cured within the thirty (30) days period. The ongoing student internships, course works or programs if any will be honored by both the party in the interest of completing education to the students.

5.3 If either Party becomes insolvent or bankruptcy proceedings are instituted against it or on its behalf or if either Party makes an unauthorized assignment for the benefit of creditors, such event shall entitle the other Party to immediately terminate this Agreement, to cease performance hereunder and to avail itself of any and all legal or equitable remedies it may have against the other Party.
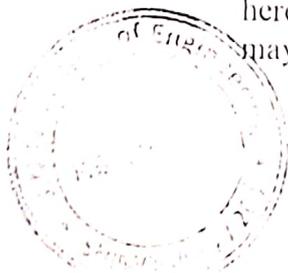

ARTICLE 6

FORCE MAJEURE

In the event that either Party is delayed or impeded in the performance of its obligations hereunder by any cause beyond its reasonable control, it shall be entitled to such extension of time for such performance as may be fair and reasonable in all the circumstances.

Where a party's ability to meet its obligations under this Agreement is adversely affected by an act beyond its control, it must immediately notify the other party of that circumstance, and must provide its best estimate of the extent and duration of such adverse effect and take necessary steps to fulfill the obligations of this agreement within reasonable time.

ARTICLE 7

LIABILITY

7.1 Both Parties shall use all reasonable endeavors to ensure the accuracy of the work performed and any Information given but the Parties do not warrant express or implied, the accuracy thereof and will not be held responsible for any consequences arising out of any inaccuracies or omissions unless such inaccuracies or omissions are the result of negligence by one of the Parties.

7.2 JNNCL, Shimoga acknowledges and agrees that SORGEN SYSTEMS Information is provided by SORGEN SYSTEMS "as is", and that SORGEN SYSTEMS disclaims all warranties of any kind either expressed or implied, including without limitation warranties of merchantability and fitness for a particular purpose. Similarly, SORGEN SYSTEMS acknowledges and agrees that JNNCL, Shimoga Information is provided by JNNCL, Shimoga "as is" and the same conditions apply as above to JNNCL, Shimoga's Information.

7.3 In no event shall SORGEN SYSTEMS be liable to JNNCL, Shimoga or any other person for any damage whatsoever arising in connection with its performance under this Agreement and/or out of or as a result of the use of SORGEN SYSTEMS Information including any and all costs, expenses, including without limitation special, incidental or consequential damages even if SORGEN SYSTEMS has been advised of the possibility of such damages.

7.4 Except for breach of Confidentiality, infringement of Intellectual property of SORGEN SYSTEMS or non-conformance of specifications provided by SORGEN SYSTEMS, in no other event shall JNNCE, Shimoga be liable to SORGEN SYSTEMS or any other person for any damage whatsoever arising in connection with SORGEN SYSTEMS or any other third party' usage of work product developed and/or delivered as a result of the program created by this Agreement.

7.5 The student or the University may or may not receive a stipend (no payment) for performing any work during the Internship and will not for any purpose become an employee of SORGEN SYSTEMS as a result of performing the Internship.

ARTICLE 8

WAIVER

The failure of a Party hereto to exercise or enforce any right conferred upon it under this Agreement shall not be a waiver of any such right nor operate to bar the exercise or enforcement thereof at any time thereafter.

ARTICLE 9

ENTIRE AGREEMENT

This Agreement including its Annexure sets forth in the entire Agreement between the Parties as to the subject matter hereof and merges all discussion and negotiations between them. No modifications or amendment of this Agreement including its Annexure shall be valid or binding unless made in writing and signed on behalf of the Parties by their duly authorized representatives.

ARTICLE 10

ASSIGNMENT

Neither this Agreement nor any right or obligation hereunder is assignable by one Party without the prior consent of the other whereas consent shall not be unreasonably withheld. It is however explicitly understood and acknowledged that SORGEN SYSTEMS shall be entitled to assign all its rights and obligations under this Agreement to any of its Affiliates
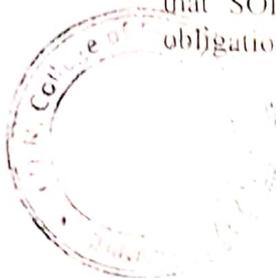

ARTICLE 11

ARBITRATION

In case of a dispute or difference between the Parties arising out of or in connection with the Agreement, the Parties shall first endeavor to settle it amicably by means of arbitration. Failing such settlement, any dispute shall be referred to the Courts in the City of Bangalore alone. The arbitration proceedings shall be in the English language.

ANNEX 1

Internship for UG/M.Tech/PhD Program

The following conditions shall apply to the program

The internship provided by SORGEN SYSTEMS to UG/M.Tech./PhD students, will do their dissertation under the supervision of a faculty member associated with the Program. If required a co-supervisor from SORGEN SYSTEMS would be co-opted for the Project. The projects would be assigned by mutual consent between SORGEN SYSTEMS and the relevant JNNCE, Shimoga faculties. The completion of the project will be determined in accordance with the specifications given by SORGEN SYSTEMS to JNNCE, Shimoga which will be mutually agreed by both the parties. The students provide the reports to the institute to fulfill the academic requirements as authorized and agreed by the SORGEN SYSTEMS.

The SORGEN SYSTEMS representatives are eligible for membership of the UG/M.Tech/PhD program Advisory Committee, to drive the industry requirements to academics.

ANNEX 2

Background Description

Separate project agreements will be made wherein case the Background and transfer of such Background will be specified. Project owners from SORGEN SYSTEMS will be assigned to each project.

ANNEX 3

Non Disclosure Agreement

SORGEN SYSTEMS, a Limited Liability Partnership formed under the Limited Liability Partnership Act 2008 and having its registered office at Kapil Complex, Sorgen Systems, K P H B Phase 6, Kukatpally, Hyderabad, Telangana 500085, INDIA (hereinafter referred to as "SORGEN SYSTEMS ", which expression shall unless repugnant to the context or meaning thereof, includes its executors, administrators, successors and permitted assigns), represented by Mr. Venugopal Reddy   Managing Director

And

Jawaharlal Nehru National College of Engineering, Shimoga, 577204 having accredited by VTU (hereinafter referred to as JNNCE, Shimoga ", which

expression shall unless repugnant to the context or meaning thereof, includes its executors, administrators, successors and permitted assigns), represented by Dr. H.R.Mahadevaswamy, Principal, JNNCE

And

Ms.Sowndaraya N., a student (hereinafter referred to as "the Student") participating in UG/M.Tech./PhD internship program or joint work (hereinafter jointly referred to as "the Program")

Hereby agree that the following terms and conditions (hereinafter referred to as "Agreement") shall be applicable in connection with the activities in the framework of the Program, hereinafter called the "Authorized Purpose".

Clause I

SORGEN SYSTEMS may disclose certain information to JNNCE, Shimoga and or the Students with respect to the Authorized Purpose in writing, orally and or otherwise. Such information may be without limitation, in the form of business and/or financial records, presentations, specifications, sample photographs, drawings or other documents. All information so disclosed is hereinafter referred to as "Confidential Information".

In case Confidential Information is disclosed in documentary or other tangible from. SORGEN SYSTEMS will label the same as "confidential", "proprietary'" "copyright" or the like.

Clause II

All Confidential Information, which shall include any Derivatives there from, improvement thereon or translation, abridgement, adaptation or other change thereof by SORGEN SYSTEMS and/or JNNCE, Shimoga and/or the Student, shall be the property of SORGEN SYSTEMS.

SORGEN SYSTEMS will provide all Confidential Information en an "as is" basis without any warranty whatsoever, whether express, implied or otherwise, regarding its accuracy, completeness or otherwise, and SORGEN SYSTEMS shall not be liable for any direct, indirect, special, incidental, consequential or any other damages of whatsoever nature.

JNNCE, Shimoga and or the Students will return all confidential information and any copies thereof to SORGEN SYSTEMS immediately upon SORGEN SYSTEMS first written request.

Clause III

The parties agree that, unless SORGEN SYSTEMS gives its written authorization, JNNCE, Shimoga and/or the Student shall, during a period of five (5) years from the date of disclosure of any Confidential Information hereunder:

not use Confidential Information disclosed by SORGEN SYSTEMS pursuant to Clauses I and II for any other purpose than for the Authorized Purpose; protect SORGEN SYSTEMS Confidential Information against disclosure in the same manner and with same degree of care, but not less than a reasonable degree of care, with which it protects confidential information of its own; Limit circulation of the Confidential Information disclosed by SORGEN SYSTEMS to JNNCE, Shimoga and or the Student in connection with the Authorized Purpose.

In case of doubt JNNCE, Shimoga and/or the Student agree to request SORGEN SYSTEMS in writing for latter's opinion.

JNNCE, Shimoga and/or the Student acknowledge that SORGEN SYSTEMS will be irreparably harmed if JNNCE, Shimoga and or the Student actually violate or threaten to violate their confidentiality obligations under this Agreement. Therefore, in the event of such actual or threatened violation, SORGEN SYSTEMS shall be entitled to an injunction and / or any other appropriate legal and / or other remedies regarding any actual or threatened violation by the concerned persons of JNNCE, Shimoga and/or the Student.

Clause IV

The parties agree that information disclosed by SORGEN SYSTEMS to JNNCE, Shimoga and/or the Student pursuant to this Agreement which would otherwise be Confidential Information shall not be deemed Confidential Information to the extent that it can be proven by written records that said information:

Is part of the public domain without violation of this Agreement;

Is known and on record at JNNCE, Shimoga and / or the Student prior to disclosure by SORGEN SYSTEMS;

Is lawfully obtained by JNNCE, Shimoga and or the Student from a third party who is not bound by similar confidentiality obligations;

Where demonstrable, is developed by JNNCE, Shimoga and/or the Student completely independently of any such disclosure by SORGEN SYSTEMS;

Is ascertainable from a commercially available product; or

is disclosed pursuant to administrative or judicial action, provided that JNNCE, Shimoga and / or the Student shall use their best effort to maintain the confidentiality of the Confidential Information e.g. by asserting in such action any applicable privileges, and shall, immediately after gaining knowledge or receiving notice of such action, notify SORGEN SYSTEMS thereof and give SORGEN SYSTEMS the opportunity to seek any legal remedies so as to maintain such Confidential Information in confidence.

If only a portion of the Confidential Information falls under of the above subsections, then only that portion of the Confidential Information shall be excluded from the use and disclosure restrictions of this Agreement.

Clause V

Nothing herein contained shall be construed as a grant by implication, estoppels or otherwise, of a license of only kind by SORGEN SYSTEMS to the JNNCE, Shimoga and/or the Student e.g. to make, have made, use or sell any product using Confidential Information or as a license under any patent, patent application, utility model, copyright, mask work right, or any other intellectual property right.

Intellectual property rights (meaning patents, petty patents, utility, models, design patents (both registered and unregistered), design rights, copyrights, know-how and any other form of intellectual property right protection afforded by law to inventions, designs or technical information, and applications therefore) created by Student sponsored by SORGEN SYSTEMS and/or JNNCE, Shimoga faculty members in the framework of the Program shall vest in SORGEN SYSTEMS, and to the extent necessary, shall be transferred to SORGEN SYSTEMS forthwith after the creation of such intellectual property right. In respect of inventions as part Semiconductors of the intellectual property rights, SORGEN SYSTEMS shall file the patent application in such countries as it may choose, while explicitly mentioning in the patent applications the name of the inventor (s) subject to the provisions of Section 39 of the Indian Patents Act, 1970.

Clause VI

Written communications with respect to Confidential Information under this Agreement shall be addressed only to the following respective persons) or to such other person as either party may from time to time designate in writing):
