HOD, ECE Dept.

Dr. H.R. Mahadevaswamy

#### **National Conference**

On

#### RECENT TRENDS IN APPLIED SCIENCES AND COMPUTING ENGINEERING

(NCRTASCE 2018)

26th & 27th July - 2019

#### **REGISTRATION FORM**

Name:			
Sex: Male/Female	:		
Qualification	:		
Designation	:		
Address	:		
Mobile no	:		
Email ID	:		
Research Area	:		
Teaching/Research	Experience :		
Participation only: Yes/No			
Presenting a paper	:Yes/No		
Title of the paper :			
Details of Fees			
Amount:			
Place :			
Place :			
Date:	Signature		

#### SUBMISSION OF THE RESEARCH PAPER

Abstracts in MS word using font size – 12 point, should be restricted to a maximum of 300 words and should not have any figures/diagrams/tables/references.

#### **PUBLICATIONS**

Few accepted papers will be published in a "JNNCE journal of Engineering and Management ( JJEM)"

Abstract and Full Length paper should be mailed to **Email ID**: <a href="mailto:jnnncrtasce@gmail.com">jnnncrtasce@gmail.com</a>

#### **IMPORTANT DATES**

Last date for submission of papers

25<sup>th</sup> June 2019

Acceptance date

10<sup>th</sup> July 2019

#### **REGISTRATION FEE for Participants from**

Faculty members Rs. 1000
Research Scholars and Students Rs. 800
Accompanying persons Rs. 800

Note: Registration fee does not include accommodation. However accommodation may be provided to the participant with a nominal fee in the college hostel. No TA/DA will be provided for the participants.

#### **ABOUT THE COLLEGE**

JNNCE was established in the year 1980 by the National Education Society. The college is affiliated to Visvesvaraya Technological University (VTU), Belgaum and recognized by AICTE, New Delhi. It offers 7 UG and 7 M.Tech program besides MBA and MCA. It has 7 Research Centers recognized by VTU. Spread over 52 acres, the campus has all the amenities to cater to the needs of about 3500 students and 400 faculty and staff. All the departments have good infrastructural facilities with highly qualified and experienced faculty, staff and well equipped laboratories. The college is regarded as one of the excellent centers for technical education and research. JNNCE is ranked 42nd among top Engineering colleges in India and 7th in Karnataka as per Outlook survey 2018. The Institution is NAAC accredited. The college is providing its fruitful services in the 38th year. The college organizes international and national workshops, conferences, seminars and short term courses on a regular basis. The institution has IEEE as well as ISTE members.

#### ABOUT THE DEPARTMENT

The Department of Mathematics forms the supporting group to various engineering disciplines. The staff members of the department are committed to innovation in teaching, excellence in basic and applied research and enhancement of the quality of student's life. The department has a research centre recognized by VTU. Karnataka.

#### **VISION**

To be a pacesetting institute in technical & management education and research for producing highly competent engineers, managers & entrepreneurs to meet the needs of industry and society.

#### **MISSION**

- Impart Quality education through flexible and innovative teaching learning process
- Enable and ignite young minds to excel in their career and life with entrepreneurial spirit, professional ethics and human values
- Facilitate invention based research and collaborate with industries to address societal needs.

#### ABOUT THE CONFERENCE

The objective of the conference is to provide a unique platform for exchanging ideas and in-depth discussions on different aspects of Theoritical and Applied Mathematics andto encourage outstanding

mathematical contributions which possess the scope to have adirect and fundamental impact of scientific, business, financeand engineering application. The focus of the conference is on current research techniques involving computational aspects and developments in different areas of Geometry, Analysis and fluid mechanics, including their applications in various disciplines. The conference not only provides a platform for strengthening the mathematical research, but also an apportunity for the participants to know the emerging areas of research.

The conference will include invited talks, discussions and paper presentation sessions. Leading matheamaticians will deliver special lectures onrecent trends in applied sciences and computing engineering and chair sessions.

#### **TOPICS**

Track 1: Theoretical Mathematics

- Algebra and Analysis
- Topology and its Applications
- Differential and Riemaniann Geometry
- **Graph Theory**
- Differential Equations, Quality Theory of Differential Equations, PDEs, Dynamical Systems
- Numerical Solution ODEs, Numerical Solution PDEs (inc.
- Computational Statistics, Statistical Inference, Demography, Bayesian statistics, Probability
- **Biomechanics**
- Wavelets and Spectrum Theory

#### Track 2: Applied Mathematics

- Operations Research (OR)
- Stability Analysis and Control Theory
- Optimization, Modelling, and Simulation
- Fluid Dynamics/ Mechanics
- Non linear Control, Sustainable Development
- Biomathematics
- Graph Theory and its Application
- Coding Theory, Reliability

Track 3: Application of Mathematics in Science/Engineering/Management

- Image Processing, Artificial Neural Network, Genetic Algorithms, Fuzzy Theory
- **Industrial Mathematics**
- **Engineering Applications of Mathematics**
- Cloud Computing/ Mobile Applications
- Intelligent Systems, Soft Computing, Machine Learning and Natural Language Processing

### **How to Authenticate This Official PDF Transcript**

This official **STANFORD UNIVERSITY** PDF transcript has been transmitted electronically to the recipient and is intended solely for use by that recipient. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. This document will reveal a digital certificate that has been applied to the transcript; for optimal results, it is recommended that this document be viewed with the latest version of Adobe® Acrobat or Adobe Acrobat® Reader. This digital certificate will appear in a pop-up screen or status bar on the document and display a blue ribbon that declares that the document was certified by Stanford, with a valid certificate issued by GlobalSign CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

**The Blue Ribbon Symbol:** The blue ribbon is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

**Invalid:** If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

**Author Unknown:** Lastly, one other possible message, Author Unknown, can have two possible meanings: the certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted; or the revocation check could not completed. If you receive this message, make sure that you are properly connected to the Internet. If you have a connection and you still cannot validate the digital certificate online, reject this document.

The current version of Adobe® Reader is free of charge, and available for immediate download at http://www.adobe.com.

**ABOUT PARCHMENT:** Parchment is an academic credential management company, specializing in delivery of official electronic credentials. As a trusted intermediary, all documents delivered via Parchment are verified and secure.

Learn more about Parchment at www.parchment.com

### **Professional Development Units**

Satisfactory – A or B equivalent

The Stanford Center for Professional Development is a registered education provider of the <u>Project Management Institute (Provider</u> #1963). Professional Development Units (PDUs) may be earned for each course taken as part of the Stanford Advanced Project Management Program and the Strategic Decision and Risk Management Program to maintain certification as a Project Management Professional (PMP®).

Please use the Project Management Institute activities numbers below to claim PDUs at <a href="http://www.pmi.org">http://www.pmi.org</a> for eligible completed courses:

Adaptive Execution of Strategy	XAPM223	Advanced Decision Analysis at Stanford	XSDR320C

### How to authenticate a Record of Completion from the Stanford Center for Professional Development

Attn Mac users: The document you are viewing utilizes Adobe's secure certified PDF technology and therefore may only be authenticated using the free Adobe Reader or Adobe Acrobat versions 9 or higher. The default Mac preview application may display the document but does not allow the end user to correctly validate the authenticity of the document.

This document has been digitally signed and therefore contains special characteristics. When this document is viewed through Adobe Reader versions 9 or higher or through Adobe Acrobat versions 9 or higher, it will reveal that a digital signature has been applied to the document. Adobe Reader versions 9 and Acrobat versions 9 and higher use a blue ribbon across the top of the document to indicate document authenticity and validity.

### Document Validity

**Valid Signature:** The document's contents have not been changed or altered in any way. Also, when the pop-up screen displays a message that the digital signature is valid it means that the author of the document is known to the certification authority and the person or institution represented by the digital signature is true and authentic.

**Invalid Signature:** The digital signature is not authentic, or the document has been altered. Sometimes the digital signature has been revoked for some reason, or it has expired. A document with an invalid display should be rejected.

**Author Unknown:** There are two possible meanings: the digital signature cannot be validated due to a disconnection to the internet, or the digital signature cannot be instantly validated via the internet. If this message is received make sure there is proper connection to the internet. If there is connection and the digital signature cannot be validated, reject this document.

### Additional Information

A document that contains a digital signature can be instantly validated and will display a blue ribbon on the notification bar across the top of the Adobe Reader. On older versions of the Adobe reader, the blue ribbon will be displayed on a pop-up screen and in the lower left corner of the frame of the application. The blue ribbon symbol is your assurance that the digital signature is valid, authentic, and the contents of the document have not been altered.

### Note on Pop-up Screens

To activate the pop-up screens in either Adobe Reader or Adobe Acrobat to view the status a document that has a digital signature (described above) open the application first, then open the document. Sometimes browsers will trigger Adobe Reader or Adobe Acrobat as a helper application, failing to activate the application's full functionality.

### For More Information

You may contact the Stanford Center for Professional Development if you have additional questions about this digital signature, the authenticity of this document and the means by which you received this document.
