11. Mrs. Bindu Pawan *Bindu Pawan*
12. Mr. Santhosh.S.G. *Santhosh.S.G.*

- Action taken with respect to previous meeting resolutions was reviewed
- The members felt that as the results were poor, the remedial classes have to be conducted. They decided each faculty will take the responsibility 20 students in their area respectively and conduct the classes on regular basis.
- It was decided that the induction programme for first years which was to be held from 11.08.2019, for 11 days in the I Phase, should have more topics on values, personality building and make them understand the value of communication and expression.
- It was also felt that few lectures by doctors, psychiatrists and counselors during the induction programme will enable the first BE Students to appreciate and become more focused on the professional course they have taken.

The meeting was concluded with the Coordinator thanking all the committee members present for their participation.

→ Sony Ravikumar joined the department through the management Quota. She was a very cheerful girl from a nearby town of Shimoga. She had joined with lot of enthusiasm and was a girl ~~with~~ with lot of ambition. She was a regular student and was putting lot of efforts to manage the academics.

→ Her father was at home town and for the sake of the education of their children had made a ~~set~~ another house in Shimoga.

→ ~~She~~ She would not answer the questions in the class, nor would she answer either voluntarily or involuntarily. This was the cause of concern for many faculty and during counselling was found that she had lot of

greater extent. She was also taught few techniques like standing in front of the mirror practicing, keeping a dry fruit below the tongue & practicing. ~~She~~ She was given lot of confidence & self assuredness and mother was also called and given tips as to how she can support her. She slowly picked up, first she was asked to conduct Seminar on one to basis, ~~to~~ then gradually the number was increased to 10 to 15, & it went up to 60. She picked up & by the time her MBA was over, she was better & today she is employed.

4 JN MBA 01 - Aishwarya B.H.

- The girl joined MBA after clearing her PGCET and took a government seat.
- She was a quiet person with her own value system & ideologies
- She would not mingle with other students most of the times & had her own challenges.
- She ~~has~~ was brought up by her grand mother & maternal uncle. as she had lost her parents when she was young. Her attachment with grand mother was very intense & with maternal uncle it was very good, but there was some trauma after her uncle got married.
- As she had lot of insecurity and many complexes, she would at times behave in a different weird way
- She would suddenly ~~lose~~ ~~her~~ ~~would~~ have the pang of blank out when she would be in the class and her limbs and her body would become very rigid

- She was given reassurance, and taught few techniques & ~~the~~ tricks to manage her stress level
- her grand mother was also consulted and she said she has made all arrangements for her to be economically secured.
- she was taught meditation, was sent to yoga classes & was asked to write in detail all her feelings which enabled her to ease out her anxiety.
- She completed M.B.A with distinction from marketing specialisation & is in a very good position
