Comments
Satisfied Teaching sir
Awesome teching sir. it's pleasure to being your students sir .
Awsome teaching sir its our pleasure to have a lecture like you sir.
He is the good Teacher ,I ever seen in my life
I am proud to be a mechanical engineer
Good teacher

Principal
 Jawaharlal Nehru New
 College of Engineering (JNCE)
 Shivamogga

Students basics knowledge	3	They weren't able to explain
Students' communication skills were up to mark	5	Need to improve. They stop to speak
Students awareness about the company profile and Job requirement	5	-
Students asked relevant questions	3	They didn't speak up
Students were professionally dressed	8	They were disciplined.
Students Etiquette	8	They were polite
Students were able to respond to questions confidently	3	No.
Overall preparedness of the students	3	They weren't prepared
Over opinion about college	-	-

Your comments and suggestions for improvement :

Thank you for the hospitality, you provided us.
 Please make sure that ^{the} students have knowledge
 about what job they are applying into, and
 ask them to do some research work on that.

Students were professionally dressed	-	
Students Etiquette	-	
Students were able to respond to questions confidently	3	
Overall preparedness of the students	3	
Over opinion about college	5	

Your comments and suggestions for improvement :

1. Students resumes were not upto mark and many of them not highlighted their strengths like technical skills
2. Communication skills is very poor and few even didn't open up for more than 3 minutes. After repeated queries they were started talking
3. Basics of the subjects is very poor like for ECE, CSE, ISE, TCE students. They were not able to answer the simple questions. Tata Elxsi is the embedded company, expects strong knowledge in electronics, data structures , practical skill sin embedded C, script language like Python
4. Many of the students in ECE worked on old processors, we expect them worked latest processors
5. Few of the CSE/ISE students are ok in programming, but lack practical implementation skills
6. Most of the students not knowing anything about our company
7. College should conduct Mock interviews, GD from seniors, Alumni and prepare them to face core companies
8. Focus should also be given to expose the students for latest technological trends and hands on experience
9. Students should be identified while in 3rd year, train them in basics, practical skills, guide them to prepare for facing interviews in core companies
