

WHEREAS,

Both the JNNCE, Shivamogga and NHAI are desirous of working together with mutual cooperation for dissemination of respective expertise in civil/highway engineering field through the road infrastructure development.

NOW, THEREFORE, IT IS HEREBY AGREED BY THE PARTIES AS FOLLOWS:

1. INTENT:

National Highways Authority of India (NHAI) intends to associate the JNNCE, Shivamogga who shall voluntarily contribute its share of experience for betterment of the highway infrastructure.

2. SCOPE OF THE MoU

The primary scope of MOU inter alia includes the following:

(i) NHAI shall facilitate the faculty, researchers and students of the Institute to familiarize with the latest trends in the highway/transportation sector with a common objective of sharing the knowledge in their respective domain. This will, in one hand, facilitate to bridge the industry-institution gap and familiarize students with the latest trends in industry and on the other hand the research output could be suitably adopted in practice by NHAI.

(ii) The Institute shall adopt nearby stretches of NHs as specified in the **Appendix-1** as a voluntary initiative under ambit of Institutional Social Responsibility (**ISR**). The list of stretches may be modified by deletion/addition by mutual consent of NHAI and the Technical Institute.

(iii) The adopted stretch may be used as a field of study for faculty, researchers and students.

(iv) NHAI shall offer internship to 10 number of undergraduate/postgraduate students of the Institute periodically and also extend stipend

(v) NHAI shall pay stipend @ Rs. 6500/- (Rupees Six Thousand and Five Hundred only) per month for undergraduate students and @ Rs. 10000 (Rupees Ten Thousand only) per month to Postgraduate students. All other arrangements shall be responsibility of the Institute. NHAI will extend stay and transportation facility to the interns within the project jurisdiction on best effort basis.

3. Roles and Responsibilities:

The scope of this MOU shall be carried out in a collaborative mode between NHAI and the Technical Institute. The Roles & Responsibilities of NHAI and the Technical Institute in performing the defined objective shall be as follows:

NHAI

- NHAI shall provide the list of potential candidate National Highway stretches for adopting by the Technical Institute;
- NHAI shall facilitate availability of relevant data required with specific reference to the above stretches through its field office/consultant/concessionaire/contractor engaged in the project ;

Handwritten signature

- c. NHA will nominate an officer as a point of contact for all correspondence in carrying out the defined objective.
- d. NHA shall facilitate the faculty researchers and students of the Institute to give access to the site of the identified stretch being adopted by the Technical Institute. relevant documents for the purpose of activities to be carried by these intellectuals of the Institute.
- e. NHA through its field office/Consultant/Concessionaire/Contractor engaged in the project, as per reasonable requirement, will disseminate and familiarize the latest trends and know how in highway/transportation sector in general and the identified project in specific to the authorized faculty researchers and students of the Institute.
- f. NHA may suitably adopt the research output and feedback received from the Technical Institute in practice for qualitative improvement as deemed fit at appropriate stage of implementation.
- g. NHA may support creation of Lab infrastructure in the Institute and can sponsor relevant research project that helps in using alternative resource material and improving quality of roads.
- h. The NH stretch adopted can be co-branded with the associated technical institute by NHA.

JNCE, Shivamogga

- a. The Institute shall adopt stretch(es) of NHs as specified in the **Appendix-1** as a voluntary initiative.
- b. The Technical Institute through its authorized faculty researchers and students will carry out periodic investigation and give suitable suggestions for improving the efficiency of existing highway asset inter alia covering the following aspects:
 - (i) Improvements in safety provision by removing existing deficiencies.
 - (ii) Improvements in continual maintenance of the stretch using new technologies.
 - (iii) Localized solutions for removal of congestion points thereby increasing the average speed of traffic flow.
 - (iv) Improvements in the riding comfort through cost effective measures based on innovative technologies or practices applicable in the area.
 - (v) Viability of new way side amenities for road user based on the existing traffic pattern and user expectations.
 - (vi) Potential solutions to old recurring problems based on local experience etc.
- c. The Institute may also associate with the Consultants/Infrs. during conceptualization, design and project preparation of new projects and suggest the relevant parameters and innovations based on experience specific to the site climate, topography and resource potential for better socio economic outcome.
- d. The Technical Institute will nominate a coordinator as a point of contact for all correspondence in carrying out the defined objective as well as inform from time to time.

APPENDIX-1

The Institute shall adopt the following stretch (es) of NHs as a voluntary initiative under the ambit of Institutional Social Responsibility (ISR).

Sl. No	Details of the stretch (From Chainage to Chainage)	NH No	Length	Stage of implementation (completed/under construction/under maintenance/project preparation)	Remarks
1	Four laning of Bettadahalli to Snrampura Section from Design Km. 170.415 to Design Km. 226.750 of NH-206 (Package IV)		56.35	Project awarded, Appointed Date yet to be declared.	

Above list of stretches may be modified by deletion/addition by mutual consent of NHAI and the Technical Institute.
