## **ABOUT OUR BIOENERGY CENTER**

District Bio-Energy Research, Information and Demonstration Center, JNNCE, Shimoga has been established in June 2011 by Karnataka State Bio-Energy Development board, Govt. of Karnataka, Bangalore. This research and information center has been conceptualized as a showcase to study, promote & demonstrate all aspects related to bio-energy. Through this center, we are able to provide information on Bio energy, identification of various non edible oil seeds, agronomic practices for these sources, Post-harvest technologies like de-cortication, oil expelling, treatment & uses of oils, Trans-esterification methods & efficiencies, R&D and extension services, to purchase oil seeds from Shimoga region and encourage the farmers to take up bio fuel activities.

Since 7 years, our center is actively engaged in fulfilling all objectives listed above by providing information to farmers, entrepreneurs, research students, end users and general public. Our center has conducted many awareness and training programs. Many research and development activities are being carried out at center. School and college students and teaches visit center regularly. We have collected around 16 tons of oil seeds from farmers during the year 2017-18. We conduct environmental awareness programmes and participate in all the major governmental and other institutional exhibitions.

Further, we have created research facilities for B.E, M.Tech. B.Sc. and M.Sc. Students and encourage them to take up research projects on various aspects of Biofuel and environment.

## 1. Awareness programs

We have conducted around 32 Bio-Energy awareness programs in different Taluk and villages of Shimoga district. Awareness programs were arranged for village people, farmers, school students, NSS students and women society members. In all these awareness programs, presentation on Biofuel programme, display of various types of oil seeds, oil, cake and biodiesel, display of bio fuel plants would be arranged.

## 2. Training programs:

We have conducted 06 bioenergy training programs for farmers association, SKDRDP members. Typical one day Biofuel training program includes in the first session a presentation on Biofuel programme, raw materials, production of bio diesel and value addition of by products. The second session involves hands on training on biodiesel production and valued addition of by products. Short movie on Biofuel and bio fuel entertainment programs were also generally arranged, this year we trained soap production from crude glycerol to women society members, other Biofuel I&D centers staff and some enterpriners.

##### World environmental day 2017

World environmental day 2017 celebrated from our centre in association with member of environmentalist, shimoga, Farmers association shimoga, and other schools and college institution of shimoga. This year environmental day program was organized quite differently, by organizing jathas at different places of shimoga city, and skits on environmental, and folk songs on environmental. The main theme of this year program is to aware publics and students and various departments in taking role to save environment and keep city clean. At end of environmental jathas, a protest had been done at DC office against government to celebrate environmental day program and taking part in to keep city clean. On that also aware to public for adopt rainwater harvesting systems at their homes. Around 300 environmentalists, publics, students and teachers participated in the world environmental 2017 program.

Bioenergy Research Information and Demo centre, had organized 'world Bio-fuel day - 2017' at Dr. B.R. Ambedkar Mission Public Trust., SC/ST girls residential school Ragigudda Shimoga on 10.08.2017 in Association with Chaithanya Rural Development Society, Shimoga. The Program was Inaugurated through plantation and also adding biodiesel to vehicle by **Dr. Rakesh kumar K.** CEO, Zilla Panchayat, Shimoga, after inauguration Dr Rakesh kumar addressed the students and women society members promote and accelerate to grow Biofuel plants and collection of biofuel seeds and also support to use biodiesel as fuel for Zilla Panchayath vehicles. The program conducted successfully with the presence of R. Prasanna Kumar. MLC Shimoga. Bhadrish B.T. president Chaithanya Rural Development Society. **Dr. L.K. Sreepathi** coordinator, District Bio-energy Research, Information Demo Centre, Dr. Mahadevaswamy, Principal, JNNCE, Shimoga and staff of BRIDC.

After inauguration Dr. L.K. Sreepathi delivered talk on bioenergy source collection, biodiesel production, usage and by-products etc. lunch and refreshment arrangement for all the participants.

### World Biofuel day and Seed Ball preparation.

Bioenergy Research Information and Demo centre, had organized 'world Bio-fuel day - 2017' and seed ball preparation held on 19.09.2017 at JNNCE campus. In associated with Karnataka State Council for Science and Technology Bangalore, Dinakaran National Diplomo College NSS cell and Saint Charles Kannada high school Bhadravathi.

Dr. L.K. Sreepathi coordinator BRIDC Shimoga inaugurates the program with plantation. And supporting with 100 NSS volunteers and NSS officers plant nearly 200 various biofuel plants. After that 50 students and 5 teaches of Saint Charles Kannada high school Bhadravathi. Prepared 2000 seed balls by using Karaveera, Pongamia and Neem seeds. Lunch and refreshment arrange for all the participants.

### Seed ball dispersal program.

Seed ball dispersal program was held on 11<sup>th</sup> October 2017 in associated with National Service Scheme unit JNNCE shimoga and Chirantana Green Technology Center JNNCE Shimoga.

The program was held at Abbalagere forest region shimoga. In presence of Dr. Sreepathi L K coordinator, District Bio Energy Research, Information and Demonstration Center shimoga, Dr. suresh H B. co-coordinator BRIDC Shimoga, coordinators of NSS JNNCE Shimoga, program will conducted. In this program 100 NSS volunteers, Chirantana group members, Biofuel center staffs participated and more than 2000 seed balls are dispersed.

**“Bioenergy workshop for Shimoga District PDO’s”**

One day Bioenergy workshop was held on 16<sup>th</sup> December 2017 in association with District Bio Energy Research, Information and Demonstration Center JNNCE, Shimoga and Zillapanchayath. Shimoga.

The Chief Guests of the inaugural function were, Dr. S Rangaswamy Deputy CEO Zillapanchayath Shimoga, Mr. Nagaraj S.N., Secretary, National Education Society, and Sri. Bhadrish B.T. president Chaithanya Rural Development Society Shimoga. The function was presided by Dr.H.R.Mahadevaswamy, Principal, JNNCE. The Coordinator BRIDC Shimoga Dr.Sreepathi L.K was also present. Around 103 gramapanchayath development officers from Thirthahalli, Bhadravathi and Shimoga taluks participated in the program.

After the inaugural function two important sessions conducted by Dr L.K.sreepathi on source of bioenergy, bioenergy center activities, importance of bioenergy and government schemes on biofuel plantation etc. Chethan S G. gave presentation on value addition by-products like usage of glycerine, oil cake and phenyl etc. Dr Suresh H B presented on renewable energy resources and energy efficiency devices.

Lunch and refreshment was arranged for all the participants. After the lunch the participants also visited the bio energy center and got the information about the activities of the center.

## **BIOFUEL RESEARCH, INFORMATION AND DEMONSTRATION CENTRE**

District Biofuel Research, Information, and Demonstration Center, JNNCE, Shimoga has been established in June 2011 by Karnataka State Bio-Energy Development Board, Govt. of Karnataka, Bangalore. This research and information center has been conceptualized as a showcase to study, promote and demonstrate all aspects related to bio-fuel. Through this center, it is possible to provide information on Bioenergy, identification of various non edible oil seeds, agro practices for these sources, Post-harvest technologies like seed collection, oil expelling, treatment, uses of oils, Trans-esterification process & efficiencies, R&D and extension services to purchase oil seeds from Shimoga region and encourage the farmers to take up biofuel activities. Since 8 years, BRID center is actively engaged in fulfilling all objectives listed above by providing information to farmers, entrepreneurs, research students, end users and the general public's. Many research and development activities are being carried out at the center. School, college students and teachers visit the center regularly. We have collected around 10 tons of oil seeds and also collected fried cooking oil from various hotels in Shimoga district during the year 2018-19. We conduct environmental awareness programs and participate in all the major government and other institutional exhibitions. Further, we have created research facilities for, M.Tech., B.E., M.Sc., B.Sc., B.Ed., Students and encourage them to take up research projects on various aspects of Bio-fuel and environment.

## 1. Awareness programs

We have organized 33 Bio-energy awareness programs in various Taluk and villages around Shivamogga district. Awareness programs were arranged for village peoples, Farmers, school students, NSS students and also for women society members. In all awareness programs, presentation on bio-fuel program, display of various types of oil, seeds, oil cake, biodiesel and display of biofuel plants had been arranged.

## 2. Training programs:

We have organized a Bioenergy training program for farmers association, SKDRDP members. The A one-dayBio-fuel training program includes, one session is presentation on Bio-fuel program, raw materials, production of Bio-diesel and value addition of by-products. The second session involves hands-on training on Biodiesel production and valued addition of by-products. A short movie on Bio-fuel and Bio-fuel entertainment programs were also generally arranged. This year training program on soap production from crude glycerolforwomen society member has been arranged. Further, training program has been arranged for other Bio-fuel and I & d centers staffs and also for some entrepreneurs.

### **World Environmental Day- 2018**

World environmental day 2018 celebrated from our center in association with members of environmentalist, Shimoga, farmers association Shimoga, and other schools and college Institutes of Shimoga. This year environmental day program was organized quite differently, by organizing procession at different places of Shimoga city, skits on the environment and folk songs on the environment. The main theme of this year program is to aware public and students and various departments in taking the role to save the environment and keep the city clean. At the end of environmental jatha,

a protest had been done at the DC office against the government to celebrate the environmental day program. Around 300 environmentalists, publics, students and teachers participated in the world environmental day program.

### **World International Bio-fuel Day- 2018**

Bio-energy Research Information and Demo Center had organized World Bio-fuel Day- 2018 at Akshara school and college, Shivamogga on 10.08.2018 in association with Chaitanya Rural Development Society, Shivamogga. The program was inaugurated through the planting of Bio-fuel plants by Sri Ashok NayakKB, MLA, Shimoga rural. After inauguration Sri Ashok Nayak K.B. addressed the students and women society members to promote and accelerate to grow Bio-fuel plants and collection of Bio-fuel seed and also support to use biodiesel as a fuel for Zillapanchayath vehicles. The program conducted successfully with the presence of Bhadrish. B. T, Dr. H. B Suresh, Coordinator BRIC, Shimoga, Dr. L K Sreepathi, Dr. H. R Mahadevswami, Principal, JNNCE, Shivamoga.

After inauguration, Dr. H B Suresh delivered a talk on bioenergy source collection, biodiesel production, usage of by-products etc.

## Internship on “Waste to wealth Technologies”

(For Mechanical and Civil Engineering branches)

### Course Objectives:

The Course focuses on Bioenergy in particular on exploration of biomass waste for energy. The course encompasses thermo chemical energy conversion, mechanical and chemical processes and bio chemical processes.

To build knowledge on conversion of biomass in to energy and to reduce waste generation, segregation of waste, effective handling and waste was recycling.

The course also provides knowledge of analysis of energy conversion processes involving biomass and auto mobile engines.

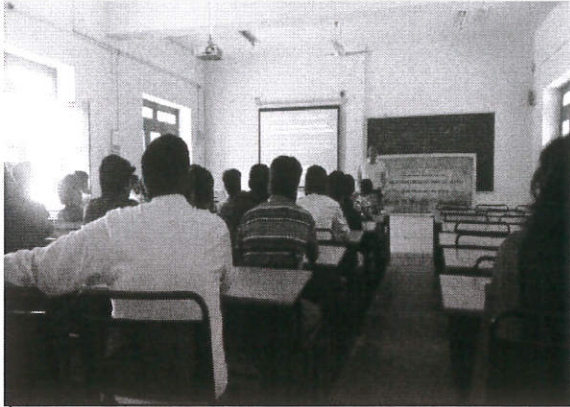

### Course Contents:

- Sustainable energy resources
- Agronomy of oil seeds
- Chemistry of oils
- Biodiesel and bio ethanol
- Solid Waste Management
- Liquid Waste Management
- Combustion and gasification of biomass
- Waste plastic to oil
- Second and third generation Biofuel
- Value addition from by-products of Biofuel

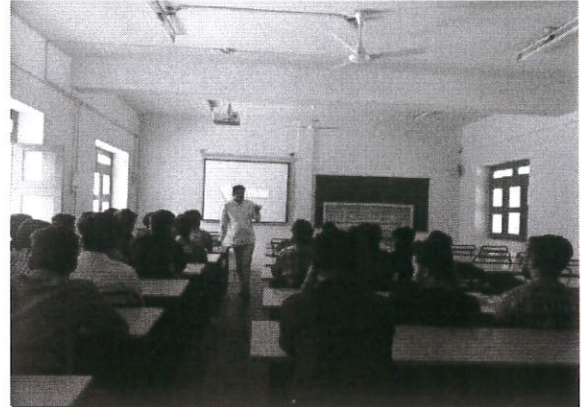

**Coordinator: Mr. Ravi Kumar B N., Asst. Professor, Mechanical Dept., JNNCE**

## Research Activity on Biofuel During 2018-2019:

- Characterization of Neem and Simaruba oil Blends
- Optimization of catalyst for biodiesel production from Neem oil and Simaruba oil Blends
- Production of bio-ethanol from fruit waste
- Bio-plastics from glycerol
- Performance and emission characteristics by using injection pressure using jatropha and Calophyllum blend with diesel.
- Characteristic study of four stroke diesel engine with SVO as a substitute fuel.

## **BIOFUEL RESEARCH, INFORMATION AND DEMONSTRATION CENTRE**

District Biofuel Research, Information, and Demonstration Center, JNNCE, Shimoga has been established in June 2011 by Karnataka State Bio-Energy Development Board, Govt. of Karnataka, Bangalore. This research and information center has been conceptualized as a showcase to study, promote and demonstrate all aspects related to bio-fuel. Through this center, it is possible to provide information on Bioenergy, identification of various non edible oil seeds, agro practices for these sources, Post-harvest technologies like seed collection, oil expelling, treatment, uses of oils, Trans-esterification process & efficiencies, R&D and extension services to purchase oil seeds from Shimoga region and encourage the farmers to take up biofuel activities. Since 8 years, BRID center is actively engaged in fulfilling all objectives listed above by providing information to farmers, entrepreneurs, research students, end users and the general public's. Many research and development activities are being carried out at the center. School, college students and teachers visit the center regularly. We have collected around 6 tons of oil seeds and also collected fried cooking oil from various hotels in Shimoga district during the year 2019-20. We conduct environmental awareness programs and participate in all the major government and other institutional exhibitions. Further, we have created research facilities for, M.Tech., B.E., M.Sc., B.Sc., B.Ed., Students and encourage them to take up research projects on various aspects of Bio-fuel and environment.

## 1. Awareness programs

We have organized 42 Bio-energy awareness programs in various Taluk and villages around Shivamogga district. Awareness programs were arranged for village peoples, Farmers, school students, NSS students and also for women society members. In all awareness programs, presentation on bio-fuel program, display of various types of oil, seeds, oil cake, biodiesel and display of biofuel plants had been arranged.

## 2. Training programs:

We have organized a Bioenergy training program for farmers association, SKDRDP members. The A one-day Bio-fuel training program includes, one session is presentation on Bio-fuel program, raw materials, production of Bio-diesel and value addition of by-products. The second session involves hands-on training on Biodiesel production and valued addition of by-products. A short movie on Bio-fuel and Bio-fuel entertainment programs were also generally arranged. This year training program on soap production from crude glycerol for women society member has been arranged. Further, training program has been arranged for other Bio-fuel and I & d centers staffs and also for some entrepreneurs.

### 3. Bio-fuel Exhibitions:

We have installed a stall in 05 exhibitions during the year 2019-2020. In this exhibition a stall containing bioenergy samplings, oils, oil seeds, oil cake and biodiesel samples was displayed. Bio-fuel pamphlets were distributed and additional information on Bio-fuel resources and importance was given through PPT presentation.

## **World Environmental Day- 2019**

World environmental day 2019 celebrated from our center in association with members of environmentalist, Shimoga, farmers association Shimoga, and other schools and college Institutes of Shimoga. This year environmental day program was organized quite differently, by organizing procession at different places of Shimoga city, skits on the environment and folk songs on the environment. The main theme of

this year program is to aware public and students and various departments in taking the role to save the environment and keep the city clean. At the end of environmental jatha, a protest had been done at the DC office against the government to celebrate the environmental day program. Around 300 environmentalists, publics, students and teachers participated in the world environmental day program.

### **World International Bio-fuel Day- 2019**

Bio-energy Research Information and Demo Center had organized World Bio-fuel Day- 2018 at Akshara school and college, Shivamogga on 10.08.2018 in association with Chaitanya Rural Development Society, Shivamogga. The program was inaugurated through the planting of Bio-fuel plants by Sri Ashok NayakKB, MLA, Shimoga rural. After inauguration Sri Ashok Nayak K.B. addressed the students and women society members to promote and accelerate to grow Bio-fuel plants and collection of Bio-fuel seed and also support to use biodiesel as a fuel for Zilla panchayath vehicles. The program conducted successfully with the presence of Bhadrish. B. T, Dr. H. B Suresh, Coordinator BRIC, Shimoga, Dr. L K Sreepathi, Dr. H. R Mahadevswami, Principal, JNNCE, Shivamoga.

After inauguration, Dr. H B Suresh delivered a talk on bioenergy source collection, biodiesel production, usage of by-product etc.

## Research Activity on Biofuel During 2019-2020:

- Characterization of Neem and Simaruba oil Blends
- Optimization of catalyst for biodiesel production from Neem oil and Simaruba oil Blends
- Production of bio-ethanol from fruit waste
- Bio-plastics from glycerol
- Performance and emission characteristics by using injection pressure using jatropha and Calophyllum blend with diesel.
- Characteristic study of four stroke diesel engine with SVO as a substitute fuel.

## 2. Training programs:

We have organized 03 a Bioenergy training program for farmers association, SKDRDP members. The A one-day Bio-fuel training program includes, one session is presentation on Bio-fuel program, raw materials, production of Bio-diesel and value addition of by-products. The second session involves hands-on training on Biodiesel production and valued addition of by-products. A short movie on Bio-fuel and Bio-fuel entertainment programs were also generally arranged. This year training program on soap production from crude glycerol for women society member has been arranged. Further, training program has been arranged for other Bio-fuel and I & d centers staffs and also for some entrepreneurs.

Dr.H B.Sures gave demonbio-fuel seeds and its importance the Pdo Officer Shimoga dist (17.01.2021)

### 3. Bio-fuel Exhibitions:

We have installed a stall in 02 exhibitions during the year 2020-2021. In this exhibition a stall containing bioenergy samplings, oils, oil seeds, oil cake and biodiesel samples was displayed. Bio-fuel pamphlets were distributed and additional information on Bio-fuel resources and importance was given through PPT presentation

## BIOFUEL RESEARCH, INFORMATION AND DEMONSTRATION

### CENTRE

District Biofuel Research, Information, and Demonstration Center, JNNCE, Shimoga has been established in June 2011 by Karnataka State Bio-Energy Development Board, Govt. of Karnataka, Bangalore. This research and information center has been conceptualized as a showcase to study, promote and demonstrate all aspects related to bio-fuel. Through this center, it is possible to provide information on Bioenergy, identification of various non edible oil seeds, agro practices for these sources, Post-harvest technologies like seed collection, oil expelling, treatment, uses of oils, Trans-esterification process & efficiencies, R&D and extension services to purchase oil seeds from Shimoga region and encourage the farmers to take up biofuel activities. Since 8 years, BRID center is actively engaged in fulfilling all objectives listed above by providing information to farmers, entrepreneurs, research students, end users and the general public's. Many research and development activities are being carried out at the center. School, college students and teachers visit the center regularly. We have collected around 6 tons of oil seeds and also collected fried cooking oil from various hotels in Shimoga district during the year 2019-20. We conduct environmental awareness programs and participate in all the major government and other institutional exhibitions. Further, we have created research facilities for, M.Tech., B.E., M.Sc., B.Sc., B.Ed., Students and encourage them to take up research projects on various aspects of Bio-fuel and environment.

### 1. Awareness programs

We have organized 23 Bio-energy awareness programs in various Taluk and villages around Shivamogga district. Awareness programs were arranged for village peoples, Farmers, school students, NSS students and also for women society members. In all awareness programs, presentation on bio-fuel program, display of various types of oil, seeds, oil cake, biodiesel and display of biofuel plants had been arranged.

Respected Placement Officer,

Greet of the day,

This mail is with reference to our discussions on virtual 'International Placement' campaign conducting by us: BACE (Bharath Academy of Collaborative Education) on 15<sup>th</sup> August 2021.

We at BACE are pleased to inform you that our institution is offering global placements for efficient graduates across India and the rest. We offer diverse positions for fresh graduates based on the skills. We wish to initiate a discussion with you on the initial paradigm of interview scheduling and terms and conditions of the placements. Our primary mission is to secure capable graduates and train them to exceed their limits in this competitive market.

A webinar can be conducted at no cost to the students to convey the importance of registering themselves for this remarkable opportunity, and to get placed on international commerce or industries.

We wish to conduct the webinar on 14<sup>th</sup> July 2021 at 4 PM - 5 PM via 'Google Meet'. And the registrations slots can be offered till 17<sup>th</sup> July 2021.

We look forward for your confirmation.

Thanking you,

Sincerely yours,

Sudha Jayaram

Dear Mr. Suresh,

This email is as per the discussion we had with yourselves yesterday.

May we take a moment to introduce MindBurger Solutions to you as a company that is dedicated to enhancing human capacities through transformation oriented programs both among students and among teachers. We believe in being a lean and mean organization whose brand-building is based on the delivery of promise of transformation.

Kindly go through our website [www.mindburger.co.in](http://www.mindburger.co.in) for further information.

As finalized with you yesterday, please find attached the details about the webinar on the flyer. Below is the registration link

<https://forms.gle/ifb1TESfrWqEEb968>.

The flyer and the registration link will be sent to you on whatsapp to you.

Looking forward for a long and fruitful association with Jawaharlal Nehru National College of Engineering and its students.

Thanks and Best Regards,

Suraj P G

Respected Placement Officer,

Greet of the day,

This mail is with reference to our discussions on virtual 'International Placement' campaign conducting by us: BACE (Bharath Academy of Collaborative Education) on 15<sup>th</sup> August 2021.

We at BACE are pleased to inform you that our institution is offering global placements for efficient graduates across India and the rest. We offer diverse positions for fresh graduates based on the skills. We wish to initiate a discussion with you on the initial paradigm of interview scheduling and terms and conditions of the placements. Our primary mission is to secure capable graduates and train them to exceed their limits in this competitive market.

A webinar can be conducted at no cost to the students to convey the importance of registering themselves for this remarkable opportunity, and to get placed on international commerce or industries.

We wish to conduct the webinar on 14<sup>th</sup> July 2021 at 4 PM - 5 PM via 'Google Meet'. And the registrations slots can be offered till 17<sup>th</sup> July 2021.

We look forward for your confirmation.

Thanking you,

Sincerely yours,

Sudha Jayaram

Dear Mr. Suresh,

This email is as per the discussion we had with yourselves yesterday.

May we take a moment to introduce MindBurger Solutions to you as a company that is dedicated to enhancing human capacities through transformation oriented programs both among students and among teachers. We believe in being a lean and mean organization whose brand-building is based on the delivery of promise of transformation.

Kindly go through our website [www.mindburger.co.in](http://www.mindburger.co.in) for further information.

As finalized with you yesterday, please find attached the details about the webinar on the flyer. Below is the registration link

<https://forms.gle/ifb1TESfrWqEEb968>.

The flyer and the registration link will be sent to you on whatsapp to you.

Looking forward for a long and fruitful association with Jawaharlal Nehru National College of Engineering and its students.

Thanks and Best Regards,

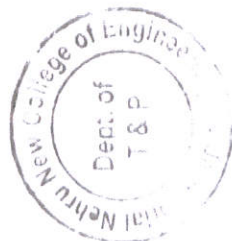

Suraj P G
