Please note in particular that issuing a CAS is an additional, and separate process to the conditions of your offer of study. We reserve the right, in certain circumstances, not to issue a CAS or to withdraw a CAS even after you have accepted your offer. If we do not issue a CAS, you will not be able to obtain a visa, and you will not be able to take up your place at Oxford Brookes University at that time.

**How to get in touch**

Please don't hesitate to get in touch, either to update us on changes in circumstances or with any questions about your application or studying at Oxford Brookes. Email us at [admissions@brookes.ac.uk](mailto:admissions@brookes.ac.uk) or call us on +44 (0) 350 3699.

I look forward to hearing from you.

Yours sincerely,

**Additional Information:**

**Oxford Brookes University English courses**

If your offer is conditional on improving an IELTS score, you may be interested in the University English courses run by Oxford Brookes International. Passing the relevant University English course is another way to meet the English language requirement. Even if your offer is not conditional on an English language test, the courses are also a good way to improve English proficiency as preparation for your degree studies.

**Finance and Scholarships**

You can pay your fees in full at the start of the course or in equal instalments at the start of each semester/term. You can find details of how to pay fees and more information about possible sources of funding at [www.brookes.ac.uk/studying-at-brookes/finance/](http://www.brookes.ac.uk/studying-at-brookes/finance/)

**Deposits – only applicable if a deposit is listed as a condition in the letter above**

Deposits paid will be refunded at the discretion of the University and upon request if you are unable to enrol on your programme and you have notified us within the right to cancel period stated in the terms and conditions of enrolment.

We will not refund your deposit if the reason you are unable to enrol is because we have evidence that:

- a) you have supplied false or misleading information relating to your application; and/or
- b) you have obtained any qualification or status by fraud

Under these circumstances, you may be unable to enrol because we have withdrawn your offer of a place or because your application for a visa has been rejected due to fraud.

**Please note that in all circumstances, a fee of £100 will be applied to cover the administration of the cancellation and refund.**

To request a refund, you will need to contact the Admissions Office and may need to provide documentary evidence in support of your request. In normal circumstances, the University will process refunds within 14 days of receipt of a complete refund request.

For January and September on-campus courses, we expect students to attend an Induction and Enrolment week. We will send you specific guidance for your programme nearer to the time, and information will be available on <https://www.brookes.ac.uk/new-students/> from August for September Entry, and during early January for January Entry.

### Disability and Wellbeing Support

Our Inclusive Support Service can provide you with advice and information if you have a disability and/or a long-term health condition. Early awareness by [making a self-referral](#) to this service allows the University to understand your needs and identify the support we can offer, and for you to consider this before enrolling. We strongly encourage you to engage with the service as soon as possible so that advice may be given regarding any reasonable adjustment that we can make to adequately support you on your programme. Please note that what we are able to put in place as a "reasonable adjustment" may be impacted by the amount of time we have between being made aware of a need and the start of your studies.

If you have a disability, dyslexia, or long-term physical or mental health condition not previously mentioned in your application, we would encourage you to let us know so that relevant advice may be provided. Please note that we will share this information only with colleagues in our Wellbeing services team and it does not affect the decision to offer you a place.

### Visa

We know that there is a lot to do when preparing for university. If you need a Student Visa to study in the UK, one of the most important things is getting your CAS (Confirmation of Acceptance for Studies) from us. You will need your CAS before you can apply for your Student Visa.

We use CAS Shield, an online self-service system, which allows you to upload all the vital information and documents that we will need to issue your CAS. We also have a dedicated Applicant Compliance Team who can support you.

You can find out more about the CAS process and what documents you will need to supply on our [starting a new course webpage \(www.brookes.ac.uk/students/isat/visas/student-visa/getting-your-cas/starting-a-new-course\)](http://www.brookes.ac.uk/students/isat/visas/student-visa/getting-your-cas/starting-a-new-course).

Hi Nagashruthi,

Just to let you know that your application has been proceeded to the full application for the joint PhD program. However, the university still require an addition statement that the entire institution was taught and assessed in English (please see the forwarded email below). Are you able to obtain this statement so that I can include it in your application?

Regards,  
Nhu

Dear Nhu and Susanga,

I wish to advise that the Faculty and School AHoS-R have received and reviewed the supporting documents for Nagashruthi Shivakumarr and we are pleased to progress them to full application for the Deakin-IITH Cotutelle program.

Nagashruthi is required to provide a letter from his institution confirming that the entire institution was taught and assessed in English. While the statement provided states that English is the medium language of instruction, our colleagues in Admissions advises that it must state that the entire institution was taught and assessed in English. If he is able to arrange this in the time being, that would be great!

@DR International Research Partnerships, please go ahead to advise for the South Asia Office to get in touch with the applicant on next steps. Thanking you in advance!

Kind regards,
