(Regd. No. S.604/47/48 MISC.206/47-48 D. 7-01-48)

No. NES:

Date: 24.03.2018

NES/DCM/4795/2017-18

Circular

Subject: Cleanliness of schools and colleges Reg.

The Physical Education Directors, Physical Education Lecturers and Physical Education Teachers are entrusted with the responsibility of cleaning the premises around all the schools and colleges of the National Education Society daily. In this context, it is suggested that the physical education teachers of the schools and colleges should keep the classrooms, benches, windows, doors, and surrounding premises clean every day by using the permanent and part-time "D" grade employees of the schools and colleges.

The "D"-grade employees shall follow the directions of the school-college principals and physical education teachers in the matter of cleanliness without any deviation. (In schools and colleges where there are no physical education faculty, the principals and senior faculty should take up this responsibility)

It has been clarified through this circular that in case of dereliction of duty to maintain cleanliness even after this circular, action will be taken against such employees through transfer/annual increment suspension/salary deduction/suspension, etc.

This circular is brought to the attention of all permanent and part-time "D" grade employees in schools and colleges and advised to act accordingly.

Circular

Subject: College Cleanliness Maintenance Reg.
 Ref: NES/DAEM/4795/2047-18, dated 24.03.2017.

As per the order of Secretary, NES, it is informed to all Head of the Departments that college premises, class rooms, desks, windows, doors must be cleaned everyday by permanent and part time "D" grade workers of the college. If the duties are not performed, then for such employees' disciplinary actions like transfer/withholding annual increment/suspension etc. will be taken. This information must be brought to the notice of all permanent and parttime "D" grade employees.

The above said works has to be led and supervised by Mr. Chetan A V, Physical Education Director, Sports Department, JNNCE, Shivamogga.

As part of Green Environment and self-sustaining power generation, it is planned to go for Roof Top Solar panel installation at JNNCE campus.

It is planned to install 400KW Roof Top Solar Panel in JNNCE campus and it costs Rs. 1.9 crore.

Details of this implementation are as below:

Roof Top Solar panel System cost @ Rs. 68,000/- per kW	Rs.1,00,00,000/-
Annual power generation @ 4.0 units per kW /day (Minimum) for 350 days (15 days for maintenance)	4,20,000 units
Assuming that 60% of the generated power (252000 units) is consumed internally and considering the current MESCOM charges per unit as Rs.7/-, annual savings due to internal consumption	Rs.1764000/-
Earnings due to export of 40% power (168000 units) generated to grid and paid @ Rs. 5.5.per unit	Rs.9,24,000/-
Total annual return from roof top solar panel installation	Rs.26,88,000/-

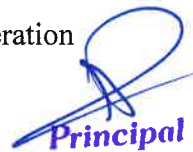

At the moment, we are consuming around 55000 units of power and is charged at Rs.7/- per unit of power as of now. This amounts to Rs.3,85,000/- plus electricity demand charges & electricity tax is Rs.65000/- so in total it costs Rs.4.50,000/- . In addition to cost, for one unit of power generated, so much of carbon dioxide (Co₂) is produced and this is added to environment causing pollution.

Assuming interest on capital @ 8%, payback period is around 7 years. So for the remaining life period of the system, the annual profit would be Rs. 26,88,000/- and life period of the system is 25 years.

Benefits:

1. We can use this solar panel for carrying out R&D projects in many departments
2. Brand building of JNNCE and NES as it is publicized due to use of Renewable energy and achieved self-sustaining power generation

Dept. of Electrical & Electronics Engineering

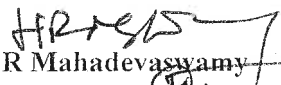

Date: 03/04/2019

Circular

In association with Centre for Innovation & Entrepreneurship & Dept. of Electrical & Electronics Engineering of JNNCE, Karnataka Renewable Energy Development Limited (KREDL), Govt. of Karnataka is organizing an Awareness Programme & Debate on "Energy Efficiency & Conservation" on 5th April 2019 at MBA/MCA Auditorium from 9:30 AM to 5:30 PM.

Debate topic will be "Whose Role is more important in Energy Conservation measure implementation in India? Public or Government?". This awareness programme will help the students, faculty, innovators, startup enthusiasts, startups, Entrepreneurs etc., to get more knowledge & awareness on Renewable Energy, Energy Efficiency & Conservation, and Entrepreneurial & Job Opportunities in these sectors. Interested Students & Faculty are hereby informed to participate & make use of this opportunity.

Certificates will be issued & working lunch will be provided to all participants. For further Details & Registration Contact Mr. Mallesh Kumar K S, Project Manager, CIE at malleshkumarks@jnnce.ac.in & 7676284239.
